S

Shannon Jacob 00:52

Don't even go there. Okay. I couldn't again, I'm worn out. But anyway. So what are we going to do here? We need to do a song.

S

Scott Lewis 01:07

For Hey, look at this. I could take care of myself. I'm big enough to do it. He is indeed that's the size 15 shoe in it right. That says all we need to know. So anyway, we can take a last minute phone call five to 6573852 6k P F T. Do you have something a little more peppy than this Gladys Knight thing I have in here. Look? No, you cannot masturbate me. 526-573-8526 KPFT. You are listening to I know what it means. Mary. 90.1 KPFT Houston and Eddie 9.1 ke O 's College Station. And Brian. I am bigger than Seinfeld. Jimmy Carper 00:35

**J** Jimmy Carper 02:25  
No, it's the night. Whoa.

**S** Scott Lewis 02:29  
And she gets undressed. You're listening to Miss Scott Lewis my new cohort and crime Shannon Jacobs. Jimmy This is my hair I paid for it. Carper.

**S** Shannon Jacob 02:42  
Was supposed to be about Romain

**S** Scott Lewis 02:44  
Glen yes my parents did believe in circumcision hope and and my new friend Mario who has just been in town for a couple of days and is probably about to leave. Okay, so the songs on here. Cajun mints when they're playing on the radio all the time on on on magic. Give me the night the Luther Vandross song glow of love. Purple Rain from France forget me nots, I'll be around joy inside my tears. It's just kind of cute. Come into my life, which is cute. What a difference a day makes holding back the years to simply read song on the keyboard like that one.

**J** Jimmy Carper 03:21  
I like that one. Then I also like the other Pepe one. There are no Pepe ones on here. This is Randy Crawford. Well, I know. But Alex, the other one purple rain would be good too. Which one? For him, okay, Ken.

**S** Scott Lewis 03:38  
Wears it out. That's it. A friend of ours always said. We're just reminiscing about a friend. We don't support or condone the use of illegal narcotics.

**J** Jimmy Carper 03:50  
What do we do with it?

**S** Scott Lewis 03:53  
I don't know. I really have no clue where to put them. Um, so anyway, this is Randy Crawford. If you don't know who Randy Crawford is, if you're gay, you should. She's absolutely she's done wonderful, mellow, kind of great stuff. And she has a new CD out called naked and true. And it's all remakes. And this is simply reds holding back two years redone by Randy Crawford. So

anyway, this kid is on the phone. He's desperate to meet me. They tell me but he's Hispanic and 19 So probably already met him. He just doesn't remember. Do you think? Color Are you there? Yes, I am. Who says Mark? Yeah. Yay. What are you doing?

 Speaker 2 04:50

 Speaker 2 05:29

Oh, well. Well, I got home from the party just a while ago. And why don't you decide to call over here. I've really got home and usually hear y'all. Especially Jimmy and I haven't heard Jimmy all tonight since I got home.

S

Scott Lewis 05:44

Well, that's because he went and got new dentures and the poly grip that he got he got I don't know if you've heard there was a whole thing on the news about it. And there was like a bad lot. And he didn't check the lot number and he had bought they were having a sale at Walgreens is like three for the price of one. And it's right. It's not gripping his teeth correctly. And earlier. As a matter of fact, he was he was to get a grip around. He was he was laughing about something and his top plate just shot right across the room. We had he got the guy got stitches. It was you know, Hermann Hospital. As a matter of fact, I think Jimmy you'll be getting a bill for that. Right? You have insurance, right? His policy number with Prudential is too. And so anyway, but But you didn't ask.

S

Speaker 2 06:33

Well, you know something? I've heard that people have ventured you better.

S

Scott Lewis 06:35

So anyway, oh, I might slip it to yo Mark. You never know. You'll just feel a little prick. But anyway. Remember that that was the best line. Did you remember that movie with Lily Tomlin and Bette Midler and they both played twins, oh, big business. And at the very beginning, the doctor brings out this needle, he's gonna put them women out, give her some anesthesia or something. And he says, Don't worry. Now you'll just feel a little prick. And she said, that's what got me into this mass. I guess you had to be there, Mark. So Mark, what's the deal? What was this party all about? Oh, and why was I not invited?

S

Speaker 2 07:33

Oh, it was a kiddie party. It was a friend of mine. Pittsburgh.

S

Scott Lewis 07:38

Oh, okay. That's right. Because you are out there in the out there in the out there in the world now. Kids are having kids. You probably have 19 year olds with three year olds. That's it. You know what Mario that's here was saying his mother's 32 Mario's 19.

S

Scott Lewis 08:10

We all do stay please. The rent free don't bitch God. Yes. Please. Let me tell you as somebody who every month just it's like pulling teeth to get my rent. You call the landlord? You know, not Jimmy's. Please. I can't handle anything that big. He's got a big mouth to fill. But anyway, speaking of big mouth, what's Roy eatin? So Mark, what are you so what's the dirt? What's the grease? What's going on? What do you do?

S

Speaker 2 08:56

I play with a little bit of this. And of course you know in bed?

S

Scott Lewis 09:04

We know this keeps degenerating. Mark you just have you are absolutely obsessed. And you will not you will not. Life will not be complete for you until you sleep with me. Will it?

S

Speaker 2 09:16

S

Scott Lewis 09:18

See. I knew that's what this was all about. Yeah.

S

Speaker 2 09:20

Got you figured me out.

S

Scott Lewis 09:21

I've seen right through it. What is that? What's your beef? I thought it said where's your beef? Or one of the other? We know where it is Mark and we know where it could be if you play your cards right? in mind, but anyway. So Well, Mark, we're getting to that point of the show where I'm just so bored. I'm gonna leave. Don't go Yeah, no, it's it's, it's been just absolutely fabulous for me. But it's like getting closer and closer to last call and I'm sober. Which is a bad thing, Mark. So what are you going to do for the rest of the night?

S

Speaker 2 09:59

Well I myself I'm probably gonna get my health drunk and I'll sleep.

S

Scott Lewis 10:05

I think that hey, read she read me. Hey, I said what are you going to do tonight? Oh heart. I said what are you going to do tonight? He said probably probably just get drunk and fall asleep that sound familiar that was Jimmy making that diarrhea noise you know diarrhea is real when he gets when you get older. The remember that case of Maalox is right over there. Jimmy? Right. Bad for you. You know, that is bad for you Maalox?

S

Speaker 2 10:39

Why don't kill you. You shouldn't drink it in large amounts.

S

Scott Lewis 10:43

Please. Jimmy drinks Maalox martinis. You should see he has he dunks cookies in it? Yeah. Yeah. Now don't start talking Spanish mark, because then you'll really be in trouble. I tell you what, if you play your cards right call back up here in a bit and they might give you my home number. See, see what can happen. That's better than those k.d. lang tickets. Because k.d. lang wouldn't want to go to bed with you. We have to go mark. Bye by so anyway, You're

listening to Scott Lewis and Shannon Jacobs on 90.1 KPFT Houston and 89.1k E. O. 's College Station. And Brian. What kind of song do we want to play to leave with? Something fun? Something fun. That'd be signing something.

S

Speaker 2 11:33

So rainbow to clown is in the house. And I just have a couple of questions. Rambo. What's your favorite porno movie of all time? I don't know. She taped over a Disney film. It says Bambi on the frail we-.

R

Rainbow de Clown 12:17

Were my old boyfriend. So I was still at Bambi. Bambi. I don't know what's on it. It's just a couple of combinations.

S

Scott Lewis 12:26

So it says Bambi it says she's finally here says Bambi. But as James has finally arrived, it is about time. Look at her. Look at her. It is about time we've been waiting. There just Oh, don't get me started. But anyway. So it says Bambi on the cover. Steal it, you know, because and it's really good. And it's one of those 70s ones in it where they don't use condoms. Those are kind of the best kind.

R

Rainbow de Clown 12:54

You can ever. Wow. Yeah. To make sure.

S

There's one there's one. You know, because lesbians have turned me on to Melissa and that's really really good music.
