 J Jimmy Carper 00:01

Oh yeah, Pansy division. That's some queer punk music. They've got four or five albums have really good stuff if you like that kind of genre. Now Charlie into Toledo band tells us the show is coming in loud and clear. He likes the show, because all he ever gets out there as country. Well, Charlie, we just happen to have some country to because there is queer country. Now there's a couple of bands, Doug Stevens in the out band is like one of the first and I've got one by Sid Spencer. He's an openly gay cowboy singer. He's got a couple of albums out. His latest one is called out in about again. Sid Spencer, remember that name? And here's the song. It's called. All I can handle-. Whoo. Yeah. Yes, it's Spencer. Gay cowboy with cowboy song for Charlie and Toledo band. And we were having a discussion here in in the control room. Shannon, worse Toledo Bend.

 S Speaker 2 01:16

Toledo Bend is up north it's actually very close to the border. Shreveport Louisiana is awfully close. We're talking about by like Sam Rayburn by the dam.

 J Jimmy Carper 01:26

Huh? Good. Good.

 S Speaker 2 01:28

That's pretty good. That's good. There are we're talking about cowboys.

 J Jimmy Carper 01:33

I'm already well yet welcome Charlie. Yeah, we're good cowboy.

S

Speaker 2 01:36

Yeah, we've got one called Take a chance cowboy gay white male five 991 pounds brown hair blue eyes 45, nonsmoker and drug free, healthy seeking a gay white Hispanic male 21 to 41 who is nonsmoker? Masculine and drug free. I enjoy movies music theater dining out and quiet evenings at home. No barflies call me asap. Whoa.

J

Jimmy Carper 01:59

Did you help him write that?

S

Speaker 2 02:01

Actually no, I didn't. He did pretty good on his own didn't. That's just a good way to show you that we got we have all kinds. Everybody places that you can use and press Yeah. We have everybody.

J

Jimmy Carper 02:15

Danny and Sharpstown is enjoying tonight's show. And if he wants to hear something, give us a call. 5265738 You're listening to the QMZ the queer music zone right here on after hours queer radio with attitude on KPFT Houston and KEOS College Station. Dave has has requested a couple of things. But I want him to call back with that eraser because I'm not familiar with that title. I'm not want to play what you asked for. But in the meantime, I've got the flirtations. Their newest called three because there's only three left. Joe Arterton suede and Jimmy Rutland, two men and one woman. I played this last week and got some pretty good response on it because it's fun. It's fun. It's fun. That is suede. No, no, no suede as part of the flirtations now with fun, fun, fun, gay style. I wanted to talk about have you heard this new TV show? Montrose? 7706 I'm on it. You are on it?

S

Speaker 2 03:37

Oh, I can't believe I did. Of course you were.

J

Jimmy Carper 03:40

I saw this the second night. It was on July 13. and taped it and talked about last week. Because I think it's really exciting. It's a new newsmagazine. Right? Where Matt, Matt, Matt dog.

S

Speaker 2 03:57

Matt Lockwood, who is a nut. And he made me go out and Bill Park and sweat my you know

what?

J

Jimmy Carper 04:06

I noticed that. Well, I liked the idea that they're using outside Montrose backdrops. Yes. To show that I can okay to show the rest of the town that this This isn't like some dark big alleyway. This is this is a real town, small town. And all those other features that he's got, but he is crazy.

S

Speaker 2 04:33

Oh, yes. Yes, he is. He's a crazy man. The best thing about the show is that he encompasses the whole area because the the zip code isn't only just for Montrose. It's for River Oaks. It's for several locations, and it's not just you know, what they would deem the gay ghetto. Because that's not really what we're about.

J

Jimmy Carper 04:50

That's true. That's true. And there's there's a lot of, well, it's it's kind of like there's a lot of gay people who live outside exactly 7068 cuz I just I always thought of Montrose as being more like, the village of Houston, you know, very artistic, very eclectic crowd. Yeah. All kinds of different people living together. It just that there's a high percentage of gay, there's always been a high percentage of days. But I remember the days when all along Westheimer was antique shops before the gay bars opened up.

S

Speaker 2 05:26

So I mean, well, they're coming back.

J

Jimmy Carper 05:31

No sign of the times, but I really liked the show. And I wanted to give the times again, because I gave it last week. And let's see what is today. Anyway, today is the 2020 yet, so I probably shouldn't give those dates. You know? No, we'll start on July 23, which is Tuesday. It's on at 1:30pm. And Friday, July 26, Sunday at 12:30am. Monday, July 29. At 3:30pm. Tuesday, July 30, at 1:30pm. Sunday, August 4, at 1:30am and also at 8:30am. And then Monday, August 5 at 1:30am. That is Montreux. 7706 With your host Mad Dog, Matt Lachlan, it's on Warner cable chain, channel number 17. TCI number 41. FOMO. Scope 72 and up till seven.

S

Speaker 2 06:42

Yeah. And we will have the times listed in the men seeking men and the women seeking women's section of the press. Oh, yes. Just scan through there. And you can find-.

J

Jimmy Carper 06:50

Oh, that's that's good. That's good. Because, you know, I've got this little sheet that I picked up in the Montrose and so I don't know how this stuff gets advertised. Right?

S

Speaker 2 07:01

Well, I'm on it. That's how it gets advertised.

J

Jimmy Carper 07:06

And Ray Hill is on there every week now to Yes. During the Ray Hill thing-.

S

Speaker 2 07:12

It's it's a good show.

J

Jimmy Carper 07:13

It really is fun. It really is. And it's something that this town has needed for a long time. Because it brings the gay community to everyone. Exactly. And it's the way we live. It's not the stereotype of, of what people may think of gay people.

S

Speaker 2 07:31

Exactly. Well, you know, we've got you know, public access and the radio has, you know, more serious shows, you know, we have gay and lesbian voices Yeah, hotline and all of that. So this is what we need something like this. You know, this is a news and information show. This is a fun show. This tells you what's actually what's happening. Yeah.

J

Jimmy Carper 07:48

I really like it. Oh, I really like it. So check out Montrose 7706. Okay, we're still doing queer music, and absolutely nothing kewda around talking.

S

Speaker 2 08:07

Well, really quickly. Let me give you those numbers again, folks to place your free 40 word romance ad you can call 64 141 for 24 hours a day.

J

Jimmy Carper 08:15

How about some new Michelle? No, just Hello. That's the one you got to keep saying that because I can't get it in my head. So not just sell it not just sell. Oh, wow. Okay. It's off of her new album peace beyond passion. Which is so good. It really is good. I played this one last week. I play a couple of things off of this video because fagot has been requested. And I want to play this one that's called stay. to Now that's that's a great song. Stay by Michelle.

S

Speaker 2 08:58

No, just Hello. Or just say hello.

J

Jimmy Carper 09:01

I'll get one of these days. You're listening to after hours. Queer radio with attitude on KPFT Houston and ke O 's College Station. I'm Jimmy Carper. And with me is Shannon. Hello. Yeah. And so what else are you doing with the romance thing?

S

Speaker 2 09:22

Really well, I've got my events pretty much planned through October but I don't want to give too much away at this point. Okay, we've got some really big things coming up this fall that we're really really really excited about. We're gonna be doing a lot more with more groups so that we can really expand our our field and really just make the events a lot a lot of fun and get bigger and better all the time. Cool.

J

Jimmy Carper 09:48

Dave called back and he requested something else by ratio that we're going to play right now. When we play Whoo, whoo by erasure. I like that. I like that version. You're listening to the QM Z, the queer music zone, and we've been going on for quite a while. Well, people have been calling in. Yeah, it's been amazing. And I want to do some other things too. But I want to at least I want to get one more out because I'll do homophobes and robes. I'll do it later on in the show. John from Johns Creek. Is that what that says near Freeport? He wants a shout out to his aunt Trisha who is a lesbian, and he wants to play some gay jazz were a hall. I just happened to have Jones. Okay, Jones Creek, sorry. Can't read big rose writing. Okay, I do happen to have some gay jazz and we're going to close out the QM Z with it. It's Steven Cowell sick. It's off of his album called moods and grooves he does mostly his own stuff. But he does a remake of an old D from the 40s called polka dots and moonbeams if you happen to like that kind of stuff. And this is about as openly gay jazz as you can get the name of the song is called. Who do you do-. For John at Jones Creek near Freeport that was Steve qual sick with Who do you do? That's engaged. Yeah, that's great. Yeah, awesome. Okay, that that's gonna close out in another segment of the QMZ. So let's make it official. And while we're doing that, why don't we do a little Lisa and Peggy, two women who form a group called dose fallopia and have an album out called my breasts are out of control. And in it, they sprinkle it with a couple of definitions like this.

S

Speaker 4 12:15

Definition pro choice oh, yeah, well, that's the best. No, no, actually prime is the best. And then your top choice and then select cuts and then utility cuts. Yeah. You want to avoid that utility cuts though because that's beaks and feet and entrails and all that stuff. They put in winners. Yeah. So Prime is your best cut of beef, but choices right there. So I'm definitely pro choice.

J

Jimmy Carper 12:52

You want to hear another one? Yeah.

S

Speaker 4 12:55

Definition. Lesbian? Oh, some of the gals in the culdesac are less materion. It's one of your, you know, good Protestant faiths. Of course. I'm a Lutheran. So I don't know. You know what actually goes on inside the church, but I think it's pretty much like mine.

J

Jimmy Carper 13:14

There we go. We'll be bringing you more Lisa and Peggy. Yeah, a little later on. But right now I want to do a couple of things. Little things that are going on in the neighborhood. I was just filming that's for you. You're on.
