And welcome back to after hours a continuing tradition on KPFT. This is queer radio with attitude. Earlier this evening babassu alias or aka dawn, and I were at Bacchus to listening to a wonderful band by the name of Peggy and the dreamers. Now, some some of you, I hesitate to use that older folk kind of terminology, but some of you who are at least my age and younger or older might remember Susan Cheshire and Shannon McGuire from a group called destiny. And I believe Destiny used to play our place. They used to play the double our saloon. And I remember them from being a little less than legal age. And Ha ha, ha, gotcha, girls. I'm really teasing. I heard I heard these ladies about probably 10 years ago. Now. They are now together with Peggy Yannick, and have a group cup Peggy and the Dreamers We have some music that we recorded live this evening. Cross your fingers, everybody. By the way, Peggy, we're at 419 Love it. If you're out there, find us. We're at Taft and love it. She's come in. Well, we hope. And so let's go to some music that we recorded live cross your fingers. And that's the story of a NIDA band data. And that's a piece of original music. And we have with us tonight, Shannon Shannon McGuire, who needs to come on the St. Patty's Day parade with me. And Susan Cheshire. And the they are part of a group called Peggy and the dreamers, which is comprised of heavy Peggy Yannick, Rick Richards, Susan Cheshire and Shannon McGuire. You're listening to after hours on KPFT queer radio with attitude. And part of the criteria for music to be played upon our show or on our show is that at least one member of the band preferably the entire band needs to be out and we have two lesbians in this band. We do one lesbian.

02:35

Come out, come out. Wherever you are.

02:37

A couple of we're out. Okay. Route two,

02:40

we have we have at least one lesbian in this band.

02:43

Oh, no, we have more than that. Okay.

02:50

And, speaking of St. Patty's Day, Shannon, I would like for you since you have the McGuire name, you obviously have some some Irish somewhere, whether it was by attachment or not. And we are going to be putting together a Montrose contingency to walk into St. Patty's Day Parade 5222927. And if you would, please come out to the penthouse, you'll be able to hear this band live on St. Patrick's Eve. And Dawn is sitting in here with two members of Peggy and the dreamers.

03:30

Boy, aren't they cute? Girl? Oh, yeah, you've got to remember that. We've known each other since 1979 When I was too

03:40

evil, evil. Evil evil Lyn loves Tall women and women in hats. And I have both in here tonight.

03:50

I'd like to say hello to Shannon's Mom. Hi, mom. That the song you heard was a needed band need a band did and that was written by Susan. And how did you come up with the idea for that?

04:01

I like tequila. It's a song of kala.

04:04

Oh, wow. went over my head. We don't like to know. We don't like tequila. We used to we don't do tequila anymore.

04:12

I was living in Atlanta and I got inspired.

04:14

Inspired one. How long have y'all known each other? Because I've known you since 1979

04:21

years. 20 years almost close to 21 years. Yeah.

04:24

And how long have y'all been playing together? That's what do you want? Oh my goodness. Oh, no.

04:32

Play. What to find. Tell me about that.

04:37

Play music.

04:38

Oh, I'm sorry. Okay.

04:40

Well, we nevermind.

04:42

That was earlier. Okay, so what's different now? Since what's happening now versus back in 1979? You guys look good. You haven't aged a bit. Well,

04:54

we're older we're wiser. We're healthier. I will play the same old songs I know. Better. Well, you

05:03

Music starts. You know we did. We used to play these old songs long time ago. And we still play

KNOW WHAT, YOU KNOW WE DID. WE USED TO PLAY THESE OLD SONGS LONG TIME AGO. AND WE STILL PLAY AND WE'VE, WE FINALLY FIGURED ONE TIME WE SAID, YOU KNOW ONE OF THESE DAYS, THESE SONGS ARE GONNA COME BACK. THEY'RE GONNA BE FUN. OTHER CLASSIC ROCK AND EVERYBODY LOVES THEM. SURE,

05:20

I was not sure. We need all the groupies we can get. I'm so glad to see you back out at Bacchus because you know, we really need you play some rock and roll and I love country God knows babassu loves Canada. We play that too, but it's nice. It's nice to hear some rock and roll some Janis Joplin some? Whatever. Jefferson airship airplane airship,

05:41

there's so many you know, whatever

05:42

they were and who else showing your age by the sea?

05:47

Well, we have a good time. We try to mix it up a lot. You know, we get real bored. I don't think we could ever play just country. I think we'd freak.

05:58

Oh man. I love the blues. I grew up and do the blues. She starts playing guitar. I felt like Ray Charles up there. Oh, I love it. Yeah, you got one baby. Okay, well, we've got another cat and this time we're gonna listen to Shannon Oh boy. just swam in

06:17

and all kinds of surely girly.

06:22

Sorry, stuff. Okay, so what do you guys up to these days where you're playing?

06:28

How they were playing at the world famous Oasis club in Belleville coming up next Sunday. Next Sunday? Yeah, I love that. G we don't we don't know. We don't really have

06:40

St. Patrick's Day. I think everybody needs

06:42

to call. Day St. Patrick's Day to

06:45

demand that the band play there again. Everybody called Bacchus.

06:49

I would like call Bacchus. I don't have that phone number on me. But tell them you want us back. I'm sure we'll be back there. I just don't have a listing of the days or times right now. Okay.

07:00

Well, I'll have you guys play at my Bar Mitzvah.

07:04

Bar Mitzvah. Does or a trip. Okay. What is this stuff that they just handed us? A bulletin? Don't read it. Okay. We won't read it. Why don't you give it to us?

07:15

I was reading in your promo here. Susan. I was surprised to know that um, Elvis Presley, who is my hero, and Richard Nixon influenced you in the Beatles. And that you had played with Stevie Ray Vaughan.

07:31

I was in a band that opened two shows for me. It Fitzgerald's he was my hero, my idol. And Vince Vance in the balance was supposed to play but they were in a car wreck and their guitar player died. And that's the only reason I got to play for him with him. But it was like the high point of my life so far.

07:52

And I see that you've been doing some work with SPCA work there

07:57

for two years. I was a rescue driver. peeled up animals off the concrete. Live ones.

08:04

The lightest thing now is them getting stuck in H O UV lane. Oh,

08:08

you don't want to hear my story about that one. jumped over the concrete. landed on the freeway.

08:15

Hey, we all have to have hobbies. like raisins.

08:19

I have some chocolate covered raisins. I love animals. If I wouldn't play music, I'd be working with animals.

08:26

I'll come to our house. We have four four cans. And Shannon, you played with Mickey Gilley  
Whoa, yeah, yeah, you did. I'm Pasadena Are you an Urban Cowboy?

08:38

Yah. Yah, yeah. Yah played with Mickey when I was like 16 years old. Wow. Before I met this one over, you know, you moved up from Delhi to Cheshire right? It worked out pretty good.

08:53

All right. I like it in a season. One of the requirements is that we have to have one of the members of the band be gay or bisexual and I keep trying to convince Jimmy that Elvis was a lesbian. So they'll play Elvis because I just love Elvis Presley.

09:08

Bob is going to be doing Elvis drag. Does that count?

09:11

You'll select this

09:14

much for your private so how, how often are you playing at Bacchus?

09:21

We just played it last three weekends. We'd like to play there more often because we've been playing a lot of redneck clubs like the Grange and Belleville Oh, should we mentioned that? Played at the live of news stories are we really like ooh, when you play and again we played their New Year's Eve and Labor Day and I don't know it's the funniest thing I've ever seen in my life is great.

09:45

Especially when the lion dance. Yes. Takes off. She does but we don't do we saw

09:55

it you took your clothes off and got in the hot tub after I left.

09:58

Well that was damn well Did

10:02

Hey y'all remember we got we got mothers listening to the show

10:06

mother her mother was out there. Really?

10:09

Wow. The number the boss she was

10:11

she'll be happy you know they

10:13

said it was your mom.

10:16

Number two Bacchus is 5233396. Come on, Charles. You want here these ladies every weekend. Okay, Sara, do you have another cut for us? This one is gonna be from Peggy wherever she is wherever

10:30

he is. We don't know where she's at. She's lost.

10:33

That's what happens when breeders come to Montrose. It's Peggy in the dreamers Ibaka Saturday night, nine o'clock, and we have one more song that Susan wrote called Stop the car. That's my favorite song. And where do you get the idea for this one?

10:57

Okay, this is really funny. I was in Weimer for gig driving around before the gig sun was setting saw these thought it was tombstones on a hill with the sunset behind them on Oh, look at those tombstones. And they were cows they started walking wrote a song about since that standard car look at those tombstones. It's a pretty song.

11:22

Real special memory of this song myself. Yeah. Taking saving that like to kind of send it out to that person

11:44

as we wait for the song to come on. Don, you want to say something about it?

11:51

Because Oh, she wants us to talk. Well, we're looking at this list of things we can't say. We're gonna last

11:57

words here. It took up half my vocabulary.

12:01

It took up all of ours lists the names of the ones that we can't say. We can't say

12:09

no, you cannot say those. Now everybody who knows about George Carlin knows that he went to the Supreme Court in the late 60s Because of seven small words and that's the list that they're reading and we will not speak of those

12:20

can they sing it? This was

12:22

done in an in an Ananda now can they sing it? They

12:24

might be on some of those songs. Did you listen to those

12:28

guarantee that they will not go over the air? We cannot do that.

12:32

This is not MTV. This is not empty. Not

THIS IS NOT ME. THIS IS NOT EMPTY. INOL

12:36

Be well.

12:43

Did you say one of those words? Okay, cool. Just making sure.

12:49

Is it true Shannon that your guitar is taller than you?

12:52

Well, it's real. It's real quick. No, it weighs more what it does. It's about 40 pounds and guitar and it's really a lot. Okay, it's fun.

13:04

Well, are we out of time? I guess we're at a time

13:08

we had a tech technical difficulty with

13:12

someone that didn't want to be doing

13:14

the machine at the tape machine. Oh, no hope it enjoyed it. Is it bourbon? We say Bert. acapella Oh, Lord, won't you buy me a Mercedes Benz? My friends all Porsches must make a man's work hard. 16:29

I just need to say I coerced Jim into doing it and Jim stayed here for hours. And I only stayed because I asked him to do it. So I have to play it many a time.
