Yeah, little little, a little wizard of oz thing. Go in there.

 B Bobby 02:26

Hello,

 J Jimmy Carper 02:27

you stand and Galveston in the world. And welcome to the July 3 edition of after hours. I'm Jimmy Carper. I'll be your co executive producer for the evening.

C

Chris Harrison 02:41

And I'm Chris Harrison. The other co executive producer ads,

J

Jimmy Carper 02:44

right. And we've got a free form show going tonight. It seems to kind of read it's nice after last week. Yes. That was sure a lot of fun,

C

Chris Harrison 03:00

but whoo hoo, exhausting. And you know, I mean, and we're

J

Jimmy Carper 03:04

gonna talk about that in a little bit. We've We've got part of our crew here in the talk studio. But before we get to them, I want to tell you about the music that you heard at the beginning of the show. That first one was

C

Chris Harrison 03:17

the Zachary zakour has a carry sorry, ham like I got that much. I remember. singing Glory, Glory. Yeah,

J

Jimmy Carper 03:25

that's, that's an old old anthem that's been around for quite a few years now. And I followed that up by something that's new and new anthem from a group called Emma's revolution from their CD called one that was called bound for freedom. This is lesbians doing protests, music. None of it is really out now. But that bound for freedom really hit me.

C

Chris Harrison 03:55

And they're all kind of topical. I mean, there's one in there that says Peace in English, Arabic and Hebrew. Yes. And another one called Code Pink, which is new organizations kind of sprouted up the past couple of years. No, that's, that's not know the women's organization Code Pink. No,

J

Jimmy Carper 04:15

I don't think so This is hash on hash Yeah that's code Oh okay

 Chris Harrison 04:19

Yeah, Code Pink. It's a it's an organization of women that have formed up that doing an anti Bush anti war really rallies around the world. Wow. And the women, it's women who are taking the lead of it. They the fears inside they, they bring life into the world, they should help protect life. Yes. And that's Code Pink that's coming out around there. Wow. That's what happens when you're up during daylight hours and you listen to KPFT.

 Jimmy Carper 04:50

See, okay, okay. I want to say hello out there to Blue Wolf, because I know he's listening. He's not here tonight. He was here last week. We had a lot of people here last week. And I want to say hello to all my MBBS out there too. Especially David and smiley, who wrote in this week, we'll be talking about your letters in the roundtable. And everyone who didn't write, I mean, we've got we've got a lot of, of MBB friends out there just because they don't write every week. I mean, we don't write it all.

 Chris Harrison 05:28

Let's face it, and and I'd say we can't criticize them for not writing us one. That's right,

 Jimmy Carper 05:32

because I'm a lousy letter writer and if I don't want to write to one and not write to everybody, so I just can't do it. He has

 Chris Harrison 05:40

a hard time hitting the Reply button on his email so I ever you

 Jimmy Carper 05:43

know, I can manage postcards from Hawaii and Christmas cards maybe and that's about it.

 Chris Harrison 05:51

I'll start sending a dirty picture with my emails I'll get your reply is at least at least it arrives in your attention Well, or something to rise to attention.

 Jimmy Carper 06:01

Perhaps nothing is a given these days. Anyway, it is the Fourth of July weekend and for last weekend, I really want to personally thank Charles Armstrong investments Charles Armstrong in particular for the use of his parking lot at South Beach. So we could broadcast live and he is course is having a July 4 Freedom Party. Over at South Beach guests desti J Monte que returns from Miami Beach to rock the dance floor until the early hours of Monday morning. Oh, this is this Yeah, Monday morning. So they're gonna go all night. Whoo. 18 and up. There's tickets will be at the door because you can't buy advance tickets anymore. Maybe tonight, if you go over to Jr's maybe you can get some advanced tickets right now. But who knows? Oh, well, maybe you can get some. No, no, no, no, you can't get an empty empty on fashions because they're not going to be open tomorrow.

 C Chris Harrison 07:13

And oh, just show up and buy your tickets there. Yeah,

 J Jimmy Carper 07:15

just do that. Okay, I'll shut up. Enough of that one. However, we do have a court report. Yay. We do have a court report. Yes. I just came back from a lively show at EJ tonight. No, it wasn't that one.

 C Chris Harrison 07:36

I know because that one didn't start till 11. Actually, before that

 J Jimmy Carper 07:40

when started Yes, yes. The male strip contests that they have DJs every Friday and Saturday night and

 C Chris Harrison 07:45

Monday and Wednesday, Wednesday at 11. You can't find a half naked boy. They're

 J Jimmy Carper 07:50

mean to tell you. And they were half naked before I left. I'll tell you anyway, no, this was Pegasus Pegasus production show. It was show show your hankies. So show your hanky Yes, it was Hankey code night. Oh, I conveniently forgot mine because I didn't want to.

 C Chris Harrison 08:16

I don't think your pockets are big enough for all the Hankies. That too

I DON'T THINK YOUR POCKETS ARE BIG ENOUGH FOR ALL THE DARK. THAT TOO.

J Jimmy Carper 08:19

Or someone said just wear orange. Anything anytime? Orange is anything anytime. Okay.

C Chris Harrison 08:32

If you saw an apricot one, would you did you see an apricot one? I might have a camera on.

J Jimmy Carper 08:41

Would you be wearing a green one?

C Chris Harrison 08:45

I don't know. i All I know is apricot because that's the one that works for me. Okay, gotcha. Oh, I know apricot. And I know when people ask about the the red one and I and the black one. When it's when asked what the red one stands for? I say well, depending on the pocket you put it in depends whether or not you're the puppet or the puppeteer. I see.

J Jimmy Carper 09:09

The red there. Somewhat subtly, but he went there.

C Chris Harrison 09:15

My dictionary on

J Jimmy Carper 09:18

next Friday. The nine at EJ is at 830 is candidate announcement. The this is the formal announcement of candidates for the new IC o h Empress and emperor. It's a formal affair for IC O H members. But it's also a lot of fun for folks just dropping by to watch. So I don't know what that is. So

C Chris Harrison 09:48

I have a feeling

J Jimmy Carper 09:50

in my ear. I kind of busy. No, no one's there. Keep Looking Up.

C Chris Harrison 09:56

I know that I'll take care of them.

J Jimmy Carper 09:57

Oh Well right, you're right Chris is gonna take care of something. Imagine that anyway candidate announcements next Friday night that's gonna be a lot of fun. I will be there. And on the tents Pegasus Productions Presents The third Coast Americana contests that is a non SEO ah. But say what do I have here on this? The yes benefiting bearing Omega dental clinic. And folks that is a good place to put some money into Yeah, no kidding. And that's a great really great place to put your money. Barry has been serving the Houston community for many years offering quality dental and child daycare, daycare, and adult daycare for HIV people. For individuals with disabilities in serious illnesses. It's at EJBs on the 10th. Preliminary festivities are from eight, six until eight with the contest commencing at nine there'll be entertainment delicious food and cool raffle baskets.

C Chris Harrison 11:15

Ooh, basket it

J Jimmy Carper 11:18

were a raffle.

B Bobby 11:22

A lot of baskets Yeah,

C Chris Harrison 11:24

I don't know they're all for sale.

J Jimmy Carper 11:27

Well, maybe maybe one of them will won't be raffled off. Who knows. As always, part of my E JS offers out happy hour until nine so that's going to be another fun event. Then something very good coming up and this is we're going to be talking about this every week because it's very important. A bare bones benefit for the Colt 40 fives aids trouble fund that is Sunday Sunday Sunday August the eighth 2000 For six o'clock pm at the Brazos River bottom 2400 process

their trouble fund is in need of community support as we are down to the bare bones in emergency rental and utility assistance we've had to cut our assistance levels in order to compensate for the increase in client load and decreases in charitable donations due to budget cuts with other agencies now the reason we're calling it bare bones This has got to be such a sick show performers are permitted one prop now if you're a drag queen that means you can either you can choose between hair makeup or dress but not all three only one so

B Bobby 12:49

I'm hoping they choose makeup because

C Chris Harrison 12:52

it's I mean you know we we found that out this past weekend there what happens when you see a drag queen in and out of makeup sometimes they're with me wasn't miski Montrose recently came yeah came up to us during our remote and introduce yourself and then we saw him it wasn't much but some get Miss Gay I forget what okay well the title was but then we met met same person the following day in drab instead of drag Yes. And it was like I saw the sash and I go I was gonna go up and some of that well why didn't you show up with your with your with the Miss version? That was at our show last night she came to me later says I was there last night and it was just completely a night and day effect

J Jimmy Carper 13:33

we see dragged is dressed as a girl and drab is dressed as a boy. Yeah, so one prof if you're not a drag queen. You're only allowed one prop. Only one prop. There's got to be a light buffet, raffles, live auction and fun while we raised money for the trouble fund clients scene on drag queens. You're going to be there. Yeah.

B Bobby 14:01

We don't want to talk about drag queens. I saw something tonight at Hollywood that just should not. Shouldn't have happened shouldn't have happened. I just

C Chris Harrison 14:08

saw something that shouldn't have happened either. Here comes big ROI

J Jimmy Carper 14:13

out well, he's got an evil child. Yes. The berry Petrie community commitment award. I see a wage the space city Empire is seeking nominations from the community for the berry Petrie community commitment award. The recipient is of the honor is awarded by an open community vote and announced at the annual IC O H. enthronement ball in October. The award was

created by proclamation of mercury and for 12 Jerel McNeal to recognize a member of our community who represents the ideals of charitable commitment and community service that the late Barry Petrie embodied. Two Jerel, McNeal, J N c cn E I L two to eight@aol.com, or mail to his attention at 1739. Commonwealth, Kingston 7706.

 B Bobby 17:04

Yeah, the other night, Dave, I saw somebody who discovered the hard way that Commonwealth is a one way street. Yeah. If you see headlights coming toward you from across the entire road, that guy's is a one way street. Yeah.

 J Jimmy Carper 17:21

I was. I felt very honored last year because I was nominated for that award. Yeah, yeah, that just being nominated for that award is a great honor. And I felt very honored to be nominated. Now. Going on most Fridays and Saturday nights. The Gulf Coast archive and museum fundraiser at keys west on Fridays, and most Saturdays, nine till whenever it's blackjack with Jackie Thorne. It's a \$5 buy in, and it's very player friendly. At the end of the night, the remaining chips are recorded on a card the next time you play buy in and get your chips back. Also. All buy in money goes to G cam. So that is a very nice thing that Jackie has done. He's he that he's been doing this for years, doing blackjack and giving it to charity. And Jackie has decided to donate all of those monies for this year. To gkm. Very cool. I'm telling you, Jake cam could use the money cam can use dama. That's right. It's your only gay Museum. The only one and

 B Bobby 18:42

I know this is gonna sound horrible. Yeah, I've been there. A

 J Jimmy Carper 18:46

lot of people have done that. Right. Actually, there have been very few people there. What we've done lately is invite groups to have their monthly meetings there. And that way we save

WE'VE DONE LATELY IS INVITE GROUPS TO HAVE THEIR MONTHLY MEETINGS THERE. AND THAT WAY WE SAVE
on employee or employee we don't have any volunteer time. Because a couple of summers
ago, we we kept it open all day on Saturday, all during the summer. And we have very few
people so we had to regroup and say hey, let's try that. Let's try this again. Yeah, so we've had
quite a few groups that have had their monthly meetings they are with or without food. It's
turned out very well. And more people get to see the museum or whatever exhibit we've got
going right there's big right now it's artwork, but we're going to be changing that up very soon.
We got

C Chris Harrison 19:39

the bill. One thing I wanted to add in here. I've I've been promising since empowered to
mention this and I keep forgetting the cards at home. So July 15 at the Houston GLBT
community center. There's a benefit screening of I can't marry you. It's a an acclaimed 2004
documentary about the legalization of same gender marriage Reg, the film's director Katherine
gray will appear at the event co hosted by the group equality knocks. The Betty DeGeneres
Mother of the talk show host Ellen, and the first non gay spokesperson for HRC is narrating the
one hour film, which explores the lives of 20 gay and lesbian couples in committed
relationships. They also interview attorney Evan Wilson, leader of the freedom to marry
organization, as well as members of the Christian Coalition who present what they call the
extreme position. Proceeds from ticket sales will benefit both the center and equality Knox,
which is a voter identification and education project dealing with marriage rights. Tickets range
from \$25 to \$100. With benefits that include either a video or DVD copy of the film, and a
cocktail reception, for reservations, call 713-524-3818. If you just want to go to the movie, it's
\$10. Everything

B Bobby 21:01

for that kind of pricing just makes me think of Do you want to? Do you see up the nostrils of the
people in the movie? Or do you want to be in the nosebleed seats?

C Chris Harrison 21:11

Well, now the community center has fairly decent seating for all that stuff. But I mean, \$25 gets
you into the reception prior to the event. \$10 just get you into the movie. And the further you
go up, what happens is you get a copy of the tape, and actually got to see that on channel
eight broadcast that movie last week. And it's a very interesting program that deals with gay
marriage, gay adoption, all sorts of these issues that we really see in the community here a lot
lately. And

B Bobby 21:42

the only place and one of the few places you it's amazing how much stuff we actually do get to
see on PBS this time of year.

C

Chris Harrison 21:51

But then again, it was on vampire hours. Yeah, yeah.

B

Bobby 21:55

I mean, that's the life of Harry Hey, was on at a decent hour, relatively speaking before

J

Jimmy Carper 22:00

we go any further in this because I do want to talk about the parade and stuff. Yay. Everyone knows that. I'm Jimmy. And sitting next to me is Chris, but no one knows who's in the talk studio. Oh, God, if they don't know who Bobby is by now. Well, they should know his name. Yes. But you know, people don't tune in every week. So

B

Bobby 22:20

this is papa Merlin Papa Merlin, otherwise known as Bobby but

C

Chris Harrison 22:24

yeah, well, that's the name is going by this week.

B

Bobby 22:26

I prefer Merlin's. Okay. Hey, it was given to me. I like my name. Okay.

J

Jimmy Carper 22:33

And next to you is I'm Will I'm Matt. Yep. We're here. We've got David and the big Roy and Roberts here.

C

Chris Harrison 22:47

Which we don't let him talk and they

∅

22:51

just walked in.

B

Bobby 22:53

We can tell big walked in. From the lobby. Yes,

J Jimmy Carper 22:57

yes. He is guarding the front door. And then some guarded

B Bobby 23:01

with your life once.

J Jimmy Carper 23:03

He knows he's doing that.

B Bobby 23:08

It's like if you're not, boy, if things start flying, guess what? You're supposed to be guarding the door. You are the barbarian at our front gate. Goddess knows Yeah, have

C Chris Harrison 23:23

somebody find my tongue? I just bet it all Melanie calls she says she's listening to our insanity tonight mail.

J Jimmy Carper 23:37

It isn't anymore. Well.

B Bobby 23:41

Oh my god. I have a funny.

J Jimmy Carper 23:44

I went there. Yeah, she, she Yeah, she'll never let me live that when I have a funny story, voice. Well, we were all through a lot of funny stories about we

B Bobby 23:54

were all sitting at Hollywood. And there was this one guy there. Who's a straight guy. And at

Hollywood. Yes. Go fan. And he kept hitting on her. What had absolute the whole time he has absolutely no clue. Not a clue for those who we weren't letting him off the hook either. She's just sitting there going smiling at me and I'm smiling back at her and this guy is just busy. Digging him digging a grave. I'm sitting there laughing my butt off. For those you don't

C Chris Harrison 24:27

know what the straight guys problem was. The fact is, he has a penis and Melanie used to she is she is an MTF transgender, lesbian lesbian.

B Bobby 24:42

Like he wasn't gonna be here last year. We just sat there looking at each other like, Oh, he is so getting himself in do

C Chris Harrison 24:57

you want your popcorn for that?

B Bobby 25:00

right I did. It was hysterical.

J Jimmy Carper 25:04

No, she was egging it on. Oh,

B Bobby 25:05

she she just she was lovely. She was she was like, a big bucket. Because she wasn't she wasn't letting on either. She at no point did she explain the details to this young man? It was too funny.

J Jimmy Carper 25:20

Okay about that parade. It was a blast. Did I see any of it?

B Bobby 25:27

I got I didn't get to see. Well, I got to see it while it was standing still and in all parked in spots.

c

Chris Harrison 25:35

Oh, come on. Jimmy. You had that lovely chair. You were riding down the Pride Parade Float.

J

Jimmy Carper 25:42

My own personal sedan chair.

o

25:49

Yeah, it crapped out. I know. I know.

J

Jimmy Carper 25:51

It was it was it was funny because we have an art car. The first gorgeous it's in a parade. It's an old old station wagon that is

c

Chris Harrison 26:00

doing Jimmy call something old. Ya know, it's

J

Jimmy Carper 26:03

painted lavender it with a yellow. Kind of stripes. No, it's not stripes. It's kind of radio waves. That's what it's supposed to look like.

c

Chris Harrison 26:11

And each one of the program names are written inside the waves. Yeah, if you really really really, really close, really

J

Jimmy Carper 26:18

gorgeous, what eight foot tall and radio tower sitting on the top of it. That's

B

Bobby 26:24

beauties in the eye of the beholder. radio tower. It's already

c

Chris Harrison 26:32

that's eight foot tall, maybe in AOL inches.

B Bobby 26:37

Well, he was counting from the tires up to the top.

J Jimmy Carper 26:43

It was a blast. It was when we were setting up. I got there late Of course. Like always, like always. So the general manager, Dwayne Bradley, was there and his son, Sean. Oh, Donna, and you know, a whole bunch of people. But Shawn was sitting on top of the car. And so I said, Oh, that's, that's cool. Can I do that? And Dwayne said, Sure, go ahead. And I forgotten that Shawn was going to be driving the car. So Shawn got down. I stayed. I mean, why not? A Little Princess was just the queen of the may read here.

C Chris Harrison 27:31

Let me let me explain something to you.

J Jimmy Carper 27:33

It's a general manager, son. Hello. And he straight

C Chris Harrison 27:37

and he just got his license. And that's never

B Bobby 27:41

stopped any of us from talking about Pete Well, anyway.

C Chris Harrison 27:47

pursue that route. Remember the address so that you can become someone you become an MBB you'll be a

J Jimmy Carper 27:56

shirt on. But you know, JD Doyle sent me some pictures of the parade and with Megan that shirt, I had no idea was that sparkly. Didn't look that sparkly in sunlight. But wow, we did show up in blinding anyway, once

 B Bobby 28:15

again, somewhere in America. There's a there's a gay satellite dish missing its outer cover.

 J Jimmy Carper 28:22

turned it off, burned it right. Anyway, halfway through the parade. The car breaks down. The carrier, the carriers. They pushed it gently pushed the car. Right and I'm sitting you want

 B Bobby 28:37

this one pushing a car. Bad idea. I'm

 J Jimmy Carper 28:41

20 pounds soaking wet.

 B Bobby 28:43

So I'm up there like in Bristol hearing wheel weighs more than eight itself like

 J Jimmy Carper 28:47

I was in a sedan chair.

 28:51

really huge. So there.

 B Bobby 28:55

We had was part of the GLBT pagans and they didn't turn out nearly as enforced as we usually do. But then everybody got all bent out about the possibility of rain. And everybody who was going to show up for any of the groups named in the entire parade showed up during the last like hour, just because they were all afraid the rain was going to go and it didn't do it. At least not here and mom just

 J Jimmy Carper 29:22

didn't know it stayed away when you

 C Chris Harrison 29:25

get when you go to bed on Friday night and the newscast is saying 110 And you know, I mean, that's your lot of people and yeah, standing out there getting everything set up and the red one of the parade marshals came by. And there's a little bit of thunder issues here that I heard it and another one came I didn't hear that one either.

 B Bobby 29:50

One of our group before the parade heard that little thunder thing and she looked up at the sky and she goes okay, Thor, we talked about this well have none of that. But

 C Chris Harrison 30:02

like, like I said last week, I think what we need to do is we need to send a radar loop of the Houston area for the past week, the week before the Pride Parade in the week after the Pride Parade and show on that on Saturday, the skies cleared. And you know, that's the day the gay pride parade went, and we need to send that to Pat Robertson.

 J Jimmy Carper 30:21

26 years. And it has never rained on the bridge where it sprinkled on the last several part of one but never rained us out. Down

 B Bobby 30:32

for the very first sprinkle I felt was after our group got done and was headed back toward where we were going to dismantle. And and then and all of a sudden, I felt one, two sprinkles. And I was like, that was all I felt the whole day. Yeah, I was like, Yeah, okay, that rocks. You

 30:54

lucky the only struggle I felt was when I stepped into Whole

 31:03

Foods.

 J Jimmy Carper 31:05

I mean, that was when you were watching the break. Oh, yeah. I was there. So you got to see it

I mean, that was when you were watching the streak on, yeah, I was there. So you got to see it all. I was

♂

31:10

just in front of Mary's a little bit to the left. Oh my god. How

J

Jimmy Carper 31:13

did you see anything? Well, I'm tall.

B

Bobby 31:17

The boys six foot plus there. Yeah.

♂

31:22

Yeah, I was talking to my friend, one of my friends from the geboren Conroe. And he said, Well, I was there too. But there was the Spider Woman in front of me. I mean, if it came within 15 feet of her she got it. Please.

B

Bobby 31:38

So lots of people were yelling to us as we were going through and I didn't I did see Bruce, you know. It's kind of hard to miss a man who's five, six foot five. And, you know, with the lungs to match you know, where was he was in there somewhere. I know. He was

J

Jimmy Carper 32:00

there with his lover and four other guys and they had rainbow T shirts. Each guy had a different color. And each one had a rainbow stripe running right under the pictorials

C

Chris Harrison 32:17

I'm trying to remember because I do remember there was a couple I was with the Houston big men's club contingency. I remember there was a tall guy over there the one right at the bend catty corner to the rain club rainbow and was big sniff there that

B

Bobby 32:46

for somebody somebody somebody did somebody did that earlier while I was at Hollywood I said nice coke habit you got going there I was like

C Chris Harrison 32:56
because what we're doing he's

B Bobby 32:57
to me he's not he doesn't do that.

C Chris Harrison 33:01
Seeing another big guy out there on the the parade route it's like hey, no, I had to go for an embrace my brother in arms as I was handing out lays was that before or after you laid me lead you towards the end.

O 33:16
Robber got laid. So I also laid

C Chris Harrison 33:19
Joseph up it

B Bobby 33:23
was his boyfriend jealous?

J Jimmy Carper 33:25
You better not jealous boy. Well,

B Bobby 33:27
I saw I saw I saw him I saw Joseph on the wet when we were going from over there to take it back to here actually Joseph rent and I just when me and Stacy were waiting for the for well to come get us. Joseph was zipped by with his boyfriend and said hey, interesting

J Jimmy Carper 33:50
job to Joseph and his boyfriend over the remote. The remote. There were there for for quite a while.

B Bobby 34:00

I I'm sure I Well, okay. It's I'm sure I saw him but I didn't see his boyfriend.

J Jimmy Carper 34:06

His horse and boyfriend's a little shorter than him Asian really?

W 34:11

spiky hair. Yeah. Yeah. He's

J Jimmy Carper 34:13

cute. He's adorable. Yeah. And a singer.

B Bobby 34:15

Of course. The but yeah, all in all, it

J Jimmy Carper 34:21

makes Joseph sing. Hello. Yeah, I'm

B Bobby 34:23

sure. The and by the way, yes. A little shout out to Ryan if he's led by and benefi if by chance you happen to be listening. I hear you're not feeling well this week. Oh, really? At least that's what I was told. Oh, but he didn't make it. Yeah, he didn't make it here last week. No, that was a whole nother thing. I don't know. He had something going on at home. From what I hear. But, but hi if you're feeling bad, sorry. Come see us again sometime soon. We know you live out in the other side of creation when and come visit once in a while get Wilson? Yeah,

J Jimmy Carper 35:02

all that very Yeah. Speaking of people who are not here, I don't think Stacy's gonna be here this week because they're having some

B Bobby 35:09

big shindig is going on. Yeah, Scott said something.

J Jimmy Carper 35:13

Yes, yeah, shindig

♂ 35:14

sounds painful.

C Chris Harrison 35:17

The shindig was last month. Trying to catch that guy. Yeah.

♂ 35:22

Watch out for those pointy shoes.

B Bobby 35:27

Yeah, Shin is one of the places that anyhow, yeah. But yeah, so that Scott again, that's also why Scott will probably not be here next week, because he's got some big to do to be at this weekend. To then if he and have he's getting up at seven in the morning. He's not going to be here at this hour. Oh, so.

J Jimmy Carper 35:46

Yeah, there's a seven and there is. Yeah,

C Chris Harrison 35:49

I've just had to discover that too.

B Bobby 35:51

Usually. Usually the only way I find out there's a seven in the morning is if I've been awake all night. The sun rather than the sunrise. Yeah. Like oh boy, did I just do a double entendre with it?

I Jimmy Carper 36:14

Jimmy Carper 36:14

Yes, yes. Yes. Yes. Sorry.

B

Bobby 36:17

I had to go there. Okay, so

W

36:19

Lisa didn't pull a spike. So for

W

36:24

me that was a mistake. Somebody slapped

J

Jimmy Carper 36:33

me Don't say that along.

B

Bobby 36:37

This thing reaches you know.

J

Jimmy Carper 36:40

He's got this very long pole. He can tell

B

Bobby 36:47

you see, we can't win. Okay,

J

Jimmy Carper 36:50

so we have one person in here who's watched the whole parade. I watched it. Okay. I was over by I was like, Oh, okay. Okay, McDonald's. Okay, well

B

Bobby 37:07

let's okay. Sorry. Okay. Just just for the general

J Jimmy Carper 37:19
that was real.

B Bobby 37:22
I didn't hit him that hard.

∅ 37:25
Yes, I do. Actually. It was just

J Jimmy Carper 37:29
a kid is so she just got sick everything. Anyhow,

B Bobby 37:36
I warn you now he is an incorrigible and an encourage trouble. punster. Yes. That's all I'm saying.

∅ 37:44
I do try. I do try but I am but the humble student at the art. Yeah, you are trying.

∅ 37:50
Yeah, he's trying. Anyway.

∅ 37:52
I'm loved.

∅ 37:55
Okay, okay. Okay. Okay.

∅ 37:59
I'll leave it at that. Yeah.

J Jimmy Carper 38:01

What are you worried? Give us the highlights. I mean, you know, there

C Chris Harrison 38:07

were you could use some highlights hey

J Jimmy Carper 38:12

they're just silvery he's

B Bobby 38:13

got lots of highlights they just happen they're platinum

C Chris Harrison 38:15

blonde very very platinum

∅ 38:20

well listening to listen coffee and then make comments saying who wears the parade it's gonna be somebody better go get her bucket and chicken that's gone and I saw everybody but nobody saw me I was like I know you know what

J Jimmy Carper 38:43

when you stand for this Mary's you know

∅ 38:48

everything in front of Mercy everything in front of us and everybody's looking at the top of the building

B Bobby 38:53

that see everything and because

J Jimmy Carper 38:54

they pack so many people on that building we're all waiting for the roof to cave in. And

B Bobby 38:59

then on top of that building that's not

J Jimmy Carper 39:04

Yeah, one of the reasons I wouldn't went beyond the roof or in the bar

B Bobby 39:07

during Pride. No, no, no. Well,

♀ 39:11

I was waiting under the awning waiting for one of them defaults.

J Jimmy Carper 39:16

I saw well, you must have seen a lot of floats and tree is Yeah, groups. And what was your favorite what? Which one stood out?

♀ 39:24

It was all it was all great. Um, the ones that stood out were what was the 70s theme? I can't remember any of the names. Yeah, hair there. I like that one. I thought I went to school and there was a there was a Tommy just float, which I thought was cool. Yeah, I thought that was I thought that was great.

J Jimmy Carper 39:52

What did they have on it? Man?

C Chris Harrison 39:57

How about the float do Do you have to ask? How about the Holiday Inn Galleria float that featured a mock up of a hotel room with a bed to men? That was I thought, you know The hell with a complimentary mint on my pillow. Pillow would have been like, can we have that on our

pillow. They were to two guys at a wedding cake and in bed. And now the chance were obviously you couldn't see if they were in. They were probably at least wearing shorts and pants or pants or that but they were shirtless in bed.

J Jimmy Carper 40:32

So don't take away my fantasy.

C Chris Harrison 40:35

That was a winner of Best social commentary. The pride awards and that was I mean, getting five was only able to get to see it with when I went to the awards show and watched the raw footage of the parade.

J Jimmy Carper 40:52

On edited this just means got to see under the sheets. No, we said raw.

C Chris Harrison 40:57

Unfortunately, Troy was didn't get off his perch there to get us a close up.

41:01

Did you see an apricot Scott? No.

B Bobby 41:06

Troy, I saw remarkably little nakedness from

C Chris Harrison 41:09

the Pride Parade. Oh,

41:12

actually, well, I think people were kind of,

B Bobby 41:14

I saw remarkably little at almost nakedness this year. But then you know I didn't see a lot of

I saw remarkably little, at almost nakedness this year. But then, you know, I didn't see a lot of the floats and stuff except beforehand. did see Steven and his chef Steven Yeah. And his family and his parents and the nose and all them said hi to them as we were running through and taking a look at stuff. And, and again this year, I was struck by the number of people who brought their kids Oh, yes. And their little kids. I mean, like 345

J Jimmy Carper 41:49

kids, and everyone who was throwing beads were aiming them at the kids. You know, it was at night for kids. It was unbeatable

B Bobby 41:55

when one of our group decided to dance with one. While we were stopped she danced with one of the little kids. He was just Boogie and his little five year old six year old kid and they would they would just buggy in together. It was so cute.

J Jimmy Carper 42:09

You know, I've been in the beginning of the float for several years now. And so this year I was riding kind of in the middle and we were number 59 I believe it was only

∅ 42:21

to be 10 more up Darn it

J Jimmy Carper 42:30

Are you alright? Jimmy? No.

∅ 42:31

You must breathe. Yes.

B Bobby 42:35

We were number 74 Yeah,

J Jimmy Carper 42:37

there must have been a lot of of entries throwing beads because right you know, as we're going down I'm noticing like beads Frisbees, little plastic Why am I going to these people are covered in beads. You don't need any.

in beads. You don't need any

C

Chris Harrison 42:56

downtime. What you need to do is towards the end of the parade, you need to hold you really back until the end of the parade carry those

J

Jimmy Carper 43:02

2 million strands of beads. You'll be good on before you will be you'll be done before you hit Mary's

B

Bobby 43:08

actually, I had glitter last year and it literally stopped it I literally ran out as we were turning off the route. I mean, you know, yeah,

♂

43:21

some of those beats I noticed there were beat sellers up and down the route. Yeah, so most people probably

J

Jimmy Carper 43:26

bought Okay, and who knew Queens because Adler's who's gonna buy beats when they're throwing them at you when you're the regular beats but these were like thicker ones that are the big the big honkin beads glue we wrote those because that you know

B

Bobby 43:43

somebody concussion but it concussion

♂

43:47

they were selling them like two for five bucks or so. Yes. Who

B

Bobby 43:51

knew that? Who knew that cleans could throw so hard though. Every time after the parade you find those things in tree you find them? Why is you find them?

J

Jimmy Carper 44:01

Oh my god, I did that I was throwing them to somebody on the balcony toward the beginning of the parade. And that landed up on the Boyer

o

44:10

oops. Well, that'd be a very powerful experience or

J

Jimmy Carper 44:14

at times I throw four or five times I throw like a girl but that that wasn't it

c

Chris Harrison 44:18

to your inner lesbian 90 miles per hour. Roger, thank you. There was one guy on the parade right? We had to throw it to because he was doing the traditional New Orleans version of the show. Sure.

J

Jimmy Carper 44:35

No kidding. I

c

Chris Harrison 44:36

didn't see here's one guy there sitting there. He had a shirt open. He was rubbing his nipples and the you know, three or four of the guys in our slope there threw beads at him.

J

Jimmy Carper 44:46

I don't know how many times I said show me something and nobody would

c

Chris Harrison 44:54

I had fun hanging out having

B

Bobby 44:56

HPD has no sense.

C

Chris Harrison 44:59

I hadn't Out of fun there because we had a whole bunch of lace that we're gonna that we're handing out and you really can't throw them that well from from the back of a truck. So the wheel monitor and I were handing those out to people. I don't know what he did, but I just found the cue guys, you can lay I still love that reaction for that woman when I walked up towards her with walked over to the side there with a license. She was like she was laying I go do you want to get laid by a big man? And she looked at me she said, No, that's why he's gonna get the left. And just gave him gave the cute guy next early and locked off.

B

Bobby 45:40

My favorite Audrey at a funny reaction was not during the parade. It was beforehand at Barnabas. Yes. When when I was when me and some of our group walked in to the Barnaby is on shepherd. And I was in cost. I was already you know, you saw me earlier today. So I was already in costume and I went as a unicorn this year. Yeah, I had further legs. I had fur on my arms and a horn coming out of my head big. The

C

Chris Harrison 46:10

last part was actual costume. A Yes.

B

Bobby 46:14

And well, you know, since I was since the I love you too, Chris. The the since since I was of course shirtless. In this, I had to wear the I was going to a restaurant I had to put a shirt on so they let me borrow a shirt. Instead of having to go back to my apartment. You know, my friend. Let me borrow a t shirt and it was a t shirt. Here I am horns costume to work and a T shirt that says I love lesbians and I walk into Barnum

J

Jimmy Carper 46:59

on Shepherd, Shepherd Yes,

B

Bobby 47:01

with with you know with a healthy contingent given Pride Day of family and and one, but it

J

Jimmy Carper 47:10

is the straightest sport, it is the straightest part

B

Bobby 47:13

of the of the bunch. And there and one of the ways there are at least two waiters who can't get enough of me, they're just staring at, we sat outside on the patio, and they're just staring like and one of them as we're leaving as we're paid and leaving is going. Suddenly, I'm all warm as he's staring at my horn, and I'm like, that's not the one you should be worried about.

J Jimmy Carper 47:43

Yes, daddy, Papa Merlin is the top. Yeah,

B Bobby 47:49

not that it doesn't mean it differentiates

47:51

from Sunday. I'm actually about the primary there was something that happened there that I thought was really nice. The people from the Houston boys gave out fans. They were paper fans on what district one sided said marry me on the other side. It said I do.

J Jimmy Carper 48:06

Yes. I saw plenty

48:08

of them. So my god, they were wonderful. Yeah. Yes.

B Bobby 48:13

Having said that, you know, this year, temperature wise was an humidity wise wasn't nearly as bad as it could have been. It was comfortable. You know, for once.

J Jimmy Carper 48:22

Well, if you're an Aries, it's not comfortable. Yeah, this is true. The because that's where the 1000s of people are. God.

48:32

Yeah. Yep.

B Bobby 48:35

And then, of course, the obligatory five protesters were there. Oh,

J Jimmy Carper 48:39

yeah. Yes, this year, actually, you know, there were a lot more last year. Last year, a little contingent.

B Bobby 48:47

And well, you know, I keep telling you. The reason there's such a title that they that they go away. Eventually, they realize that whether or not we're a bunch of fags we still outnumber them 100 to one at some point during that parade.

J Jimmy Carper 49:04

A lot more than 100 to one Okay, yeah, that's all I'm saying. I just got to figure they threw the signs down and joined in well, I'm

C Chris Harrison 49:13

having a sometimes the ones that are used like you know, they leave early because they got their floats towards the end. Oh, right. actually thinking of really there's a couple of them that are confused right now.

B Bobby 49:24

Well, I'm sure at least two of those five you know, there's

o 49:29

the Baptist women's group put on a really nice show this year.

B Bobby 49:31

Speaking of religion, the Baptist

o 49:40

Are you okay Jim?

C Chris Harrison 49:42

Fix It and Forget it.

J Jimmy Carper 49:50

So Matt, let me turn off their mics

B Bobby 49:59

What was your face You're the one who wanted to have a round table at the beginning of this was

C Chris Harrison 50:03

kind of a half round table actually. Yeah, for those who have been trying who are trying to hear GG, GG is away at a conference or an event.

J Jimmy Carper 50:12

No. One's vacationing in

C Chris Harrison 50:14

Morocco, or is vacation. I thought that's

O 50:16

going to be a snowcone spouse.

J Jimmy Carper 50:20

With his spouse and her family. Yes, Gigi is married to a woman. Yes. That makes him no less bisexual or no less androgynous this is true. In fact, that's why they're together because his only got there by the by his spouse.

C Chris Harrison 50:41

Likes family Amory, feminine

J Jimmy Carper 50:43

man. Yes. And Polly. Mo he definitely

B Bobby 50:47

qualifies. Yes, I

♀ 50:50

am always on one. They had a wonderful,

J Jimmy Carper 50:51

wonderful commitment ceremony several years ago at her parents house and all of her family was there. Of course, none of his you know, it's one of those deals like me, you know, they kind of

B Bobby 51:11

it's, it's, for me, it's that whole distinction between relatives and family. All of us all of my family I see on a daily basis. My relatives I never see.

J Jimmy Carper 51:23

There you go.

♀ 51:24

So when I relatively speak,

J Jimmy Carper 51:27

every year I'm Stacy's here for a month. A stay say they rent a a place in Colorado, in the mountains and Stacey stays there the whole month. And different relatives come for as long as they can. I

♀ 51:42

don't say anywhere in Colorado. Gigi.

J Jimmy Carper 51:45

What did I say? Is that Stacy? Oh, I'm sorry. I'm sorry.

C Chris Harrison 51:49

You got Stacy and Gigi confused?

∅ 51:53

The cold shoulder you fill in all right Jimmy.

C Chris Harrison 51:57

Just because both of them are willing to drop drawers on air for you doesn't make them the same as

J Jimmy Carper 52:02

really no Stacy drops drawers Stacy lifts his ag Oh, no. Oh Stacy dress GG loves. Oh, yeah.

C Chris Harrison 52:12

Looks like an elephant. Hey, nice trunk.

∅ 52:19

Is it packed? No.

J Jimmy Carper 52:20

Stacy has some new piercings know the difference between the big difference between Stacey and Gigi is Stacey drops his pants and Gigi lifts his skirt.

B Bobby 52:34

Yeah, cuz you know, I've rarely ever seen her in a pair I've rarely ever seen Gigi and a pair of pants and when I have there wasn't enough material there to really call it

52:44

boys skirts that subject

J

Jimmy Carper 52:48

really to music now. Yes, we are. Yes we are. We're taking a little break here. You're listening to

C

Chris Harrison 52:57

after hours queer radio with attitude here on

J

Jimmy Carper 53:02

it right here on good old Pacifica station.

C

Chris Harrison 53:04

KPFT 90.1 FM Houston. And 89.5 Galveston that's it.

1

Jimmy Carter 53:10

We've got a little something in your ear that ID Doyle have to get for us. So here we go.

53:23

guy

53:30

the guy say

53:41

you're listening to after hours with Jimmy carpet. I'm Tom Robinson. This is queer radio with attitude.

6

Chris Harrison 53:57

Yes, that was we started off with boy girls by Tom Robinson. And that last one was from Billy and Ruth. And the next one is the last. He didn't write it. It was a poem written with

and Paddy. And the song was Love is the key. He listened to after hours queer radio with attitude here on KPFT as we wait for everybody to return from their cigarette adventures and adventures in tobacco in essence we're kind of free forming stuff here. Once they get on to their microphones headphones on I got a topic to throw out to the group here. Bobby Can you hear me? Yeah, I

B **Bobby 54:41**

can hear you Okay,

C **Chris Harrison 54:42**

can you hear me now? Yes, I can hear you I'm sorry call me for weird but I find that guy cute. Know accounting for taste on my part. But, you know this past week I was spending a lot of time with my father and so that means that it will be in the vehicle. So it means a lot of concern. ergative talk radio that I've had to put up with that I've had to listen to this past week. And last Tuesday, I was listening to one of these shows for hours. Locally produced. I heard the angels come in for our locally produced show here in Houston. The host has the same first name as I do. He's over there on K prep radio. And here's the interesting thing. Last Tuesday, he spent the whole four hours, the only topic he wanted to talk about was this 23 year old female teacher who was caught having sex with a 14 year old male student. And he was talking about the fact that, you know, he, he's bothered by the fact that he's not really bothered by it. Because he basically this, this 23 year old female teacher was hot. She was hot, hot, hot, hot, hot, wants to hurt. I mean, the weatherman doesn't say hot that often. You know, she was hot summer. And the one thing I appreciated is the first caller that got in because he was basically saying, you know, 14 year old boy, you know, he's presented with the opportunity for sex, you know, I can't blame him for taking the chance. So he said, you know, if it was a 14 year old girl, he'd have issues with it. But if it was a 14 year old

B **Bobby 56:27**

boy, you know, to deal with standards. Yeah. But

C **Chris Harrison 56:31**

the first caller said, what if for that 14 year old boy, it was a 23 year old male teacher.

56:39

They would crucify him. And his

C **Chris Harrison 56:42**

response is, he would have a problem with that. And some people occasionally brought that up during the show. And then what got me was this caller towards the end, who called in and said

During the show. And then what got me was this came towards the end, who came in and said, You know, I mean, you know, I agree with you, though. I mean, if it was my 14 year old son, with a hot teacher, you know, then you know, I wouldn't have a problem with it. It was my 14 year old daughter, with a male teacher, I'd have a problem with it. And it was my 14 year old son with a male teacher, I'd have a problem with it. But you know, I wouldn't have that much of a problem if it was my 14 year old daughter with a third with a 23 year old female teacher. And it was like, hmm, did I hear this guy correctly?

 **Bobby 57:25**

These people

 57:28

interestingly, kids house needs a visit from CPS. Yeah. Hello.

 **Chris Harrison 57:32**

I mean, the fact is this, this 23 year old hot teacher, you know, was it that's every 14 year olds dream is just to go after the hot looking teacher, you know, and it's so done in in television and the media. Yeah, that that is cool. And I was disappointed with the guy I thought you have enough class to at least play Van Halen is hot for teacher.

 **Bobby 57:57**

But I had a teacher I had one teacher in high school who was on

 **Chris Harrison 58:04**

okay, we can hear you in the lobby. Okay, let's keep talking noise. I don't know why he's, anyhow. I'll close the doors even keep the Banshees from screeching at the gate. Where's our barbarians at the gate.

 **Bobby 58:19**

There was a way to to I had a teacher who was only about five years older than his students when I was in high school. And I have to admit that geek though he was and I have a thing about geeky looking guys. I mean, the glasses the works, you know that just really do.

 **Chris Harrison 58:38**

Oh, yeah. Show me your slide rule show with a slide rule. And

B

Bobby 58:42

yeah, he was our cars teacher. Yeah, I'd love like to make him saying. So I you know, I can understand the whole teacher. fantasy thing and the whole, but I'm sorry. If I was a father. I don't care who if my kids 14 years old. I don't want I don't want to think about them having sex with anybody. No less a

C

Chris Harrison 59:10

meme even a 14 fellow 14 year old? Yeah.

B

Bobby 59:13

Hello. I'm just like, ooh, please. No.

♂

59:21

But I mean, like I say that and in my rational mind, I say ooh, gross. But I realized like I was 14 years old, sexually active. And in my first relationship with someone who I should say was slightly older than I mean, like I was, I was 14 years old, and I was dating a 2021 year old and I still stand by to this day, like I dated that same man for off and on for three years. And I almost married him at 17 Wow, and decided that I didn't want to move and leave Houston and go to Austin. And that's the only reason why I didn't accept the rain. And like I still to this day think that I was as mature at 14 as he was at 21. And nowadays,

C

Chris Harrison 1:00:14

that sort of thing happens is the fact that you know, sex, I mean, sexually mature, we're not talking about emotional, emotional, psychologically, sexually mature,

👤

1:00:23

well, hormones are still playing a big part in at that particular. Yeah, so

C

Chris Harrison 1:00:27

but I just struck me funny that hearing this guy talk and all of his shows during the week it was so I mean, Friday, he spent a lot of the time discussing the fact that there was a protest for in support of breastfeeding. That occurred down at the Galleria, and with all the topics I listened to him on the show, I wanted to call in and say, I want to discuss 23 year old hot teachers get impregnated by their 14 year old kid who liked to breastfeed, breastfeed their children while talking, while using the N word and speaking about Hillary Clinton, because that was the topics of his week that he covered. And it was like, you know, I'm getting a headache, just hearing the

next on, I'm listening to this show, and just all the attention of the fact of, you know, basically, he spent four hours going over the fact that, you know, I really should feel guilty about not feeling bad about this, because, you know, 14 year old boys, four out of the 23 year old teacher, you know, he's getting high fives around the school. It's we got to the double standard. I didn't have any, unfortunately, in the suburbs, or they didn't hire the good looking teachers for at least, at least for me, it is way

1:01:45

out in the sticks. No, no, I

c

Chris Harrison 1:01:46

mean, you know, there was a couple of I mean, I knew what the list of the the hot female teachers were that the guys were always interested in. And, you know, the top two, you know, one of them was dating one of the football coaches, so she was off limits. The other one just happen to have the same last name as the justice of the peace for

b

Bobby 1:02:06

just happened to Yeah,

c

Chris Harrison 1:02:08

he kind of gave it to her at birth. So you know, people kind of stood back on that one,

b

Bobby 1:02:14

her name Jimmy, her name. The look on his face all of a sudden, all

o

1:02:19

I heard was peace. Ya

c

Chris Harrison 1:02:21

know, just justice as the chief justice of the Peace. I want to bang the gavel

o

1:02:25

the peace justice. I wanted to know but

C

Chris Harrison 1:02:29

oh, you're doing this already be just as a pieces. Were discussing hot teachers I had to me okay. Because I was telling him what I've done a couple. I was

B

Bobby 1:02:42

taught him a few things.

J

Jimmy Carper 1:02:45

Again, you're 140 half of your 140 has arrived. Oh, good. Okay. Tara is here. Yes. You know, we haven't seen her in a long time. Now, huh? I was thinking why don't we bring her in here and find out what she's been up to. Okay, because when you know, as long as she doesn't

C

Chris Harrison 1:03:00

cover what we're doing at 140 Because you know, we're stretching it is.

B

Bobby 1:03:07

High get all I have to say about it here. We

C

Chris Harrison 1:03:11

need women's touch. She heard we don't want to know

o

And I've been with the Chamber since November and working in school. I pulled up 4.0 In school this semester, which I just wanted to say thank you to PFLAG because they're sponsoring all my school with the scholarships. So Wow. Nice.

J

Jimmy Carper 1:04:24

Yay. What are you gonna do? Oh,

o

1:04:28

o

1:04:44

So that's a little teaser of what's coming out with and hopefully done we're having other guests coming out right right there.

1:05:11

Oh my segment Yeah.

1:05:15

You brought an entourage good. Who

1:05:18

else do you need but me

1:05:27

know we might have one more person

Bobby 1:05:32

I saw you earlier over at Hollywood. Me

Chris Harrison 1:05:35

Who don't you see in Hollywood.

1:05:37

We saw you too. You were just heading out

Bobby 1:05:39

I tried to sit and you know. saying goodbye to 500 people and I just

...and you know, saying goodbye to lots of people and I just

1:05:45

is the same way coming in. Coming in after not being in for about a month. You've got a whole slew of people to say hello to and people you haven't run into in years and so absolutely. We tried to say hi though. Sarah saw you.

Bobby 1:06:00

There is your friend. Your friend. I am now your friend. She struggles for names

Jimmy Carper 1:06:12

this seems to be a night for X hatchers

1:06:14

Yeah, I brought a bunch with me yeah, there's one behind

Jimmy Carper 1:06:17

you. Is that some exciting news Ghazi Yes. And he's going to tell us about it. Oh

Bobby 1:06:30

yeah. Gonna go

1:06:36

boy, but I'm gonna go for computer engineering and philosophy.

1:06:40

Are you going to be one of those little odds like Cadet guys? No,

1:06:43

but I hope to meet many

c

Chris Harrison 1:06:48

Yes, yes. Either a little maneuvering.

b

Bobby 1:06:49

You know what they you know what they say? The difference between a straight core boy and a gay one six pack in a joint

c

Chris Harrison 1:07:01

and we wonder why College Station didn't pick us up.

o

1:07:06

FCC you

c

Chris Harrison 1:07:07

left you left you left bro.

o

1:07:12

Reminds me of the joke about how you separate the men from the boys in the Italian navy with a crowbar?

c

Chris Harrison 1:07:29

Whatever the complaint line is one 800. was awesome. See what happens when we get the hatchlings in here when they're able to grow facial hair now.

j

Jimmy Carper 1:07:51

Smacking lost some weight and he's grown some facial hair and so

c

Chris Harrison 1:07:56

cute. Really does wonders for some people.

o

1:08:02

Dig his own hole?

 Chris Harrison 1:08:08

No, no, I want to go deeper into this hole digging event.

 Jimmy Carper 1:08:13

No, it's really masquerading

 1:08:15

as it

 1:08:18

is I ran. I ran into quite a few tonight that have aged out and are all in college and doing their own thing. And that's what I'm doing. What's the

 Chris Harrison 1:08:28

problem is there's not many I don't know if the organization still around that is for you know, once you get out of hatch, that next social

 1:08:35

group, there isn't. But I tell you what, they did a great job Springboarding me into a lot of different things.

 Jimmy Carper 1:08:44

So what does it mean to be an intern for the for the chamber? Well, I'm

 1:08:48

an intern on their board. And basically, I know we're talking about which chamber the Houston Gay and Lesbian Chamber of Commerce and I attend their board meetings. And I sit in and listen and act as a board member, but I don't vote as a board member and

 1:09:01

1:09:04

I didn't vote as an active member. And a weak member I'm sorry.

1:09:06

Well, I don't vote. I basically just sit in on the meetings and if they need help with things or committees and volunteering like this, two weekends ago, I guess was the expo and I probably did between turned up volume and the Chamber about 24 hours of volunteering role that my lovely assistant girlfriend got assists me when I'm asleep some time. Like, that's what the weekdays are for.

Chris Harrison 1:09:33

She's, she's an intern, you know, one of the definitions is you don't sleep. It's the other one involves a blue dress from the gap I

1:09:41

love. I love being with the chamber. They're great. They're really nice. And they're really accepting of everything. And Sarah and I like to volunteer at all the events and everyone knows us and they're all very friendly and they keep up with what we're doing and where we are. And

Jimmy Carper 1:09:56

not only that, but the chamber can kind of keep tabs on what you He is interested.

1:10:01

Right? Exactly. The chamber is great on that. I think they've been very open and receiving to having a young intern and I hope that they have many more to follow. And I think some of the other organizations like the community center are starting to adapt the same kind of programs. So it's been great though. I've really enjoyed it. And I'm going to be sad to see November come around. Oh, that's gonna be that's, that's my year. That's my year of being an intern. And koi Tao is the executive director over there. And he's just great. And he's fun to work with. And so is the entire chamber. They've been real fun and great and very educational.

Jimmy Carper 1:10:39

So are you the only intern? Um,

1:10:42

I think technically I am. I think they're originally two but I've consistently shown up to

everything. Well, you're

1:10:51

gonna have to tell us how being an intern turns out well

c Chris Harrison 1:10:59

123 There

1:11:07

gasp I think cut off.

B Bobby 1:11:10

David, David seems to have shrank to Hobbit sized all of a sudden.

c Chris Harrison 1:11:14

My knees Yes, David got on his knees. Looking Wow. Sounds he got the auto kneepads installed, you know, life has just made a whole lot change. Ron Popeil sales and you have to stay up really late to see that infomercial.

J Jimmy Carper 1:11:36

New by 130 Dean Becker will be calling in with this week's edition of cultural baggage. What's going on with medical marijuana? And I you know about all the things that we did last week doing the live remote, I forgot entirely that Dean would be calling in and wouldn't be able to do his segment. So he probably set that alarm clock for nothing. He did. I am in his debt. He

1:12:10

did last week to say yeah, we did call in last week to say you are calling in call in this week to do his report.

c Chris Harrison 1:12:19

And Speak of the devil we possibly Well, yeah. Jerry. Between that and the leather line. I asked that they were going to beat you for it and I don't think they took you up on the they took you up on that. A little bit. Leather on line. So let's say we're waiting for him to answer the phone

and we'll see here. It was Dean Becker. Let's do this just in case it is him. Let's put a little promo in your ear and we'll be back in a second.

from when we're on. Yes, it is Dean Becker. Dean, are you there? I'm here. Can you hear me? Hello, Dean. Good evening. Hello,

J Jimmy Carper 1:14:04

Dean Becker.

1:14:06

There, Jimmy.

J

Jimmy Carper 1:14:07

How you doing? I'm

Ω

1:14:08

good. I'm good. I, you know, I miss y'all last week due to the parade. And then I wanted to report the week before. I had not called in well, I did call in to say I couldn't call in. My son had just broken his ankle. Oh, no. Yeah. So it was a frantic moment there and how bad didn't serve too well for the call in for cultural baggage. But some good news is happening. You know, it's all incremental. It's stuff that should motivate us. And and I hope folks are beginning to realize this drug war is going to end as soon as they dare to ask that it'd be done. And I think last I talked to you I just interviewed our district attorney, Charles Rosenthal. And I talked about the fact that you know, he doesn't know the bay Since this war, he doesn't know if there's any racial bias involved. He, he doesn't know too much about it. He's clueless. He said that when the only tool you have to work with is a hammer, everything begins to look like a nail. You know, that was his, my

C

Chris Harrison 1:15:14

how Bushi of him?

Ω

1:15:17

Yes. And, and then I, my friend George great said, Well, here's a question you should ask him. So I did. A question was Have we had any success in the last five years in ending the harms of the drug war? He had about a five second delay? Well, I don't keep statistics.

J

Jimmy Carper 1:15:35

You know what that means?

Ω

1:15:39

And then the second part of the question judge gray proffered was, do you think we have any reasonable expectation that we'll have any success in the next five years? And again, about a five second delay? Well, I don't know if I'm qualified to talk about you know, so they have no defense, no, other than ignorance, because superstition just looks too bad in this day and age. So, you know, that kind of showed, you know, the frailties of their policy. They no one can defend it. There is no one can defend it. Yeah, they all love the money. As I say, just last week, I had something I wanted to report on, was the fact that now many churches are getting on the bandwagon, if you will, for legalized medical marijuana. And I'll really I want to lead read the list

of churches. Lutheran, Episcopal alien, Methodist, Baptist, Judaism, and church of Christ. Wow. So, you know, this is starting? Again, my one of my favorite phrases, what the hell is it gonna take you know, and my guest this coming Tuesday on cultural baggage, will be the senior warden at the holiday prison unit here in Texas, Mr. Richard Watkins, and he is for ending drug prohibition. He's, you know, on the job, he says, I can't speak for the prison system. But I can certainly speak from my experience of decades, working in these prisons. And knowing as I asked him, I said, Well, what percentage of people are in prison for drug charges, you know, for possession or supporting a drug habit or whatever he says, somewhere between 80 and 90%. Oh, and I don't know if you caught the headlines, maybe about Monday or so. And the Houston Chronicle said, we are running out of prison beds in 2005. We have to start building again again. Now, we Texas, two weeks ago was found to be the most, you know, prevalent drug war your state that we arrest more people than any other state in the union. And that our country arrest more people than Red China, Russia, North Korea. By far, we represent 5% of the world's population arrest 25% of the world's prisoners. Wow. And yet they think we need to do more. 80 90% of these people are in prison. It costs us 10s of billions. We waste millions of man hours and destroy millions of families. Yeah, for little baggies. Yeah. And why? Because of fear that was ingrained somehow into our psyche back 50 and 100 years ago, that has no basis in reality whatsoever. And people have been hypnotized and, you know, stuffed under the beds and hidden in their closets. They can't talk about it for fear of being demonized by their neighbors or their boss. Right. And the point is, I'm saying people arm yourselves with this ammunition. There to stand up there is no one can defend this. Now with anything except, you know, you shoot up the marijuana, you'll be in trouble. You know, they don't have a clue. I don't know. I just want to alert people to the fact that it's ours. This battle is over the other side will not even come on the battlefield. Take that ground hold it. Dare to stand against these superstition and ignorant posturings these drug warriors put forward they cannot defend it? I don't know. I think that's about it for tonight. I either hate preaching that you guys because you know what I'm talking about. Yeah,

J

Jimmy Carper 1:19:39

but you know, it's, I mean, just just think of, are you gonna put a little old lady in jail because she eats a brownie with a little marijuana in it to help her glaucoma.

♂

1:19:53

Right, you know, help her get through her cancer treatment.

J

Jimmy Carper 1:19:57

It's senseless, it's just senseless. And nobody is listening. But some, like you said, some people are listening that well, we're starting to get the churches on our side. Right. That's a leap forward a great leap forward.

♂

1:20:12

And that word, always rings a bell with me lead Law Enforcement Against Prohibition started two years ago with five people. And last I heard and this has been some months ago, they were

two years ago with five people. And last I heard and this has been some months ago, they were up to 7000 people worldwide, you know, police officers, judges, wardens like Richard Watkins, who's going to be our guest on Tuesday. People that, that see the emperor has no clothes, and they're not afraid to say so good. And with, you know, voices of stature cops. That's, that's the bottom line. Yeah. That also,

J Jimmy Carper 1:20:47

you know, is very important for people to hear that police. Yes, police officers, and don't believe in this either. Sure.

1:20:57

And the treatment providers are the going to be the last to change their stance because they got to fill those beds. And we're sure he needs some help, but let's keep him until your insurance runs out. Yeah, no kidding. Jimmy, thank you for this opportunity.

J Jimmy Carper 1:21:16

I'd like you to hold on Yes, for a little bit. And then, of course, remind folks that cultural baggage can be heard on KPFT 90.1. Every Tuesday night at 630 to seven indeed. And six nights, six days a week at 420 in the afternoon.

1:21:36

Right. And, you know, I wanted to announce I got 11 stations. I picked up one just a couple of weeks back plus your syndicated Yes, it is called ch I y. It's a apparently a cold place up in Canada. I can't think of the name of the town but I probably couldn't pronounce it if I was looking at it. But, you know, they found me and I'm wanting to get to 2530 stations before election day because this drug war impacts every aspect of our lives is

J Jimmy Carper 1:22:07

very important. Yes, sir. It is. Thank you.

1:22:10

Thank you. Hold on. All right.
