C

You gotta be kidding. I swear. It looks like wood. Yeah, it feels like what you see the separations here. But honey, that is the most incredible thing. It's got a little ladder on the outside. It's got little birdhouse. I don't know where

C Connie 21:31

C

Connie 23:02

how fabulous it was. Me. It

P

Peter 23:04

was so fabulous. I could hardly stand it. My first I'm just like a verge that this is the only thing I've ever done. Anyway, that must be

C

Connie 23:11

a new feeling for you. But anyways, what did you bring?

P

Peter 23:15

I brought this. You know, do you remember that time that I told that joke about the guy that went to hell?

C

Connie 23:21

I have told that joke so many times to so many people in case

P

Peter 23:26

anybody hasn't heard it again. I'm going to tell it again. Because it's so fast. Okay, this guy dies and goes to hell. Right? And so he meets Satan and Satan says So hey, you know, welcome and the guy said, Mike, I like it here. Saying goes well, you worked hard enough to get here. You probably will. Okay, so what happens? He goes, it goes well. On Monday, Satan says we smoke. You smoke. guy goes, yeah, the smoke goes great. On Monday we smoke and smoke and smoke. It's marvelous, marvelous, marvelous, marvelous moment, smoke and smoke and smoke and smoke and smoke and smoke till we can't stand anymore. Oh, all right. Since as you drink, guy says, Yeah, you know, I do. He goes to pay. Tuesday. We drink and we drink and we pass out wake. Throw up Drink, drink, drink drink. We drink the weekend standard anymore, but do they drink? Oh, they drink. The guy goes, Satan says hey, the guy says hey, you are you homosexual? guy goes No. Say you're gonna eight Wednesdays live it. Anyways, so the guy this friend of mine, who's listening to this show from God only knows where this note says Sunny, Southern California. Now how does radio show gifts to sunny Southern California. God only knows they got some weird stuff that they do. And I don't know how we made it that far. But we did. Oh, and so he sent me this joke. So here's the joke. There was a conversation Shouldn't about the differences between heaven and hell? Uh huh. Okay, so in heaven all the cooks are French. Their cooks are French cooks a friend okay? And all the police are English Bobby's, okay. The mechanical work on your car is all done by the Germans. Absolutely. And the lovers are all Italian Yes Lord, and this is wonderful stuff is all coordinated by the Swiss okay, but in hell all the cooks are English Okay. Boiled Potatoes don't go far all the police are German all the French mess with your cars all the lovers are Swiss. Oh damn mess was read by the Italian somebody sent me

C Connie 25:52

P Peter 25:58

C Connie 26:22

So this way it is that your address I see on the front

P Peter 26:24

MMA for I mean, they have all it's just loaded with all these things and whatever some whatever's and it's this newsletter for rather largely endowed people. Does it have any doubt people just large people obviously.

C Connie 27:08

Did they have any people who are looking for these individuals? Or is it

P Peter 27:11

just? Yeah, I guess it's it's women must strive to touch their uniqueness and sexuality on their own. They can't take their cues from advertisers or self imposed role models. Our world is about making money, not health care quality of life. Ladies, it's not about your happiness, so don't pursue a body to die for. Does it make sense to torture yourself through starvation? God knows me you don't want to do that. For amusement or for tormentors sending it and so it's all about these big big big people. So it's this support network for loving you large

C Connie 28:29

What did they say? It's not the size of the wave. It's the motion of the ocean. Oh, you

P Peter 28:34

couldn't I couldn't have said it better myself. Is this lovely? away you can give it to your love interest in yourself and may be confined to three. I'm not gonna I'm not gonna go there.
