03:17

Peter 03:19

And it was so good. I wish I wasn't here now because we are a bit late. Oh, well. Maybe later. We did tell this particular person Yes. That we would be done by a regular hour of which we could meet him at a certain particular place. I see if that happened. I hope it's a restaurant so at least you can get some food if he doesn't show up. No. We're going to the bad if it is. Okay thing anyway. It could be fat boo but otherwise, it's gotta be like, yeah, well guess what? What? Heater got a fabulous Christmas present. What

04:04

did you get for Christmas?

Peter 04:06

Now somebody must be listening to the show. Yeah. We we often wonder however. Peter got Yes. A 15 year old bottle. Yes. have doubled dimple. Pinch scotch. Ciao. Wow, somebody knows my taste. Yeah. Yes,

04:30

they have deep pockets.

Peter 04:33

Evidently, it was fabulous. Huh? Yeah.

04:38

Is there any law?

Peter 04:39

Oh? Hey, it's only the day after Christmas. Give me a break.

04:44

Now that I got a full blown out. That's the kind of stuff you sit back and you said

Peter 04:48

yes. We have any job did as a matter of fact. Oh, really? Yes. Oh, double dimple? I thought that was cute. Yeah,

04:56

I don't I've never heard of that. But well,

Peter 04:57

somebody knows him well. 15 year old pay inch scar from a admire well, you'll even know who it is. No. Wow, what a terrific gift. It's a fabulous gift. I think I know who it is. And it's but isn't that pleasant, but they found me, which I thought was unique because I thought I was rather. incognito. Yeah, well, but anyway, they found me and they gave me this fabulous. That's great. That's great. That's your beats the secret admirer gift I got what was your speaking American? Oh, half pounds of coffee. I mean, I can do a lot more with Scott coffee. I could give you five well Putin's you could do the same thing.

05:48

I can't you know stage and check the mailbox and there was you know, like this half a pound of ground roast French Grand roast coffee,

Peter 05:56

though. That's love. I don't know who from well, that's love. I am enjoying it. Thank you very much. Whoever did it. That's lovely. But believe me, I would have long hours of wonderful wonderful times with pinch 15 year old double dimpled scotch. I think if I'm not mistaken. A

little card came with it. Ah cute. Yeah. Curly hair. Yeah. Dark Oh, handsome.

♀ 06:28

Just your type

P Peter 06:29

large. I can I say no. Large

♀ 06:35

personality

P Peter 06:37

large and all I need is a Viagra and I'm your that's what the guy that just to funny hearts. That is you, buddy. Darling. Curly hair. Beautiful eyes. Fabulous body and all I need is I went I'll find yours. I'm you're so in that. Cave for word. That's great. Did you have a nice Christmas? We had a lovely Christmas. We worked very hard. Cooking, cooking, cooking, Cooking Cooking. Ah, yes. For your boys. Oh, for my baby is Yeah, yeah. Okay, that's fabulous. We loved it. Well made a wonderful time.

♀ 07:35

A couple of people that I know and myself included have found that they have lost the traditions of how they celebrated Christmas because either people have moved away important people in your life or people have died. And so a lot of us have been talking about what it means to have a tradition and what it takes to create new ones because that's where many new ones Yeah, I think when we grow up when we're when we're children we kind of celebrate Christmas the same way for many many years and we don't think about it it's just this is the way we do it and this is the way we've always done it and and it's a big revelation yeah and it's big revelation when things change and you don't do it anymore and it's there's kind of this empty feeling plus this excitement about doing something new and different

P Peter 08:25

as after Evers has after Evers given after hours yeah ever gone for a spiritual knows gay

♀ 08:34

spiritual knows gay

08:36

yes

Peter 08:37

I don't think so. Because I'm not sure I know what that means. I know what the knows gay is that's a little that's a tiny bunch of flowers yes I'm a little spiritual knows gay would be like a little something precious yes little spiritual knows gay something you can smell and must throw away

08:55

okay.

Peter 08:58

There was some interesting people I was with and we were talking about much the same things that you were talking about. About some of them are in twos and some of them are into this and that Oh yeah. And Christmas is about I mean, it is like this birth of this person 2000 years ago where I want to call it Jesus or whatever you want to call him but I mean, made it rather large impact on the civilization sure No, it I mean I was I was struck a zillion churches on every corner named something after him so anyway, it was coming in she thought they were talking about memories that's how it all got started. I'm sure a lot like your conversation got started Yeah, you know when Christmas of old and blah blah blah. So if we can have a moment of reality. Sure. So they were talking about going down memory lane. Oh boy. And they went down memory lane and they went down memory lane we talked about everywhere and how we got the memory lane and then some But he interjected this interesting little thought about this person who's had this great impact, and whatever, whatever. And so I thought it was really interesting because it was a group of us all kind of just sitting around talking about things and life and politics and where we are and what we're doing. And where are we as a gay community? And where are we is when people in all this, and we found ourselves at the corner of memory lane, and mercy road? Oh, boy. Yeah. And we found this wonderful. I don't know what you want to call it, it was something different for everybody in the room, whether it was their Creator, their god or this to that their guideline was what it was. But anyway, because a lot of people were in recovery. And so there was a bunch of people there. And but there we found ourselves at the corner. And I was the one who like coined this little wonderful thing about being at the corner of memory lane. And Mercy road. Yeah. Isn't that just too fabulous?

11:08

I do like that.

Peter 11:09

I do. I guess here we are standing there looking like so where are we going now? You know, and you just have to like, pick up your pick yourself up by the bootstraps and say, okay, yeah, that's not available anymore. Now, let's go into something. But if people I mean, if these people who believed that this guy was really something special, from the good Christian realm of whatever they were doing, and they found that they were whole, and healed, and okay, with all of the gayness and all of their everything, and that it wasn't about anything, you know, this Christian write crap out, right. Yeah. And it was all about wonderful thing. And we found ours and everybody realized that the corner of memory lane and mercy road meant that it was about going down. Mercy Road, from here on out, and bringing this message of healing and hope and peace. And he and healing in the sense of not only healing for your psyche, but healing for your body, because many of them were were HIV positive. Related people Yeah. That they you know, that it's about, hey, we're living longer. And it's about we're not dying. Right now. What do we do now? We have so the bigger question is not about what do we do now? Jesus Christians Arabic, but we're here. Now what? Yeah, Holy mackerel, Jesus, we have to learn how to relive life. Yeah, about living and and they said, We are on a trip down mercy road.

12:59

And you know, it's really difficult. Because if you're HIV positive, or have AIDS or cancer or some other thing, anything that's life threat, focus your mind and all your energies into I have a certain amount of time to live. And so, you know, I probably a year and so I want to do this that mat. And that's it. Yeah, that you know how many people

Peter 13:21

I've known that celebrated their last so called Christmas with these incredible groups of presidents. And then there they were the next year. I said to so how do you tap that bitch? You know, you dislike it? You don't use me. But here you are again. Now what? I did that in 1986 98. Yeah. And it's a hard act to follow now, isn't it? Yes.

13:44

But you know, in the meantime, I did kind of go downhill and

Peter 13:49

but that mercy row, yes. Because that entity, whether I don't care what you call it for you? I mean, everybody's got something they may call it, I don't know, some people, it's about a spiritual thing. But this whole thing, it's about a holistic approach to living.

14:08

Right, I understand this.

P

Peter 14:09

And that's the key. So you're working with your doctor, you're working with the, but there's that whole spirituality, religion, that whatever you want to, but I think because I think it's every person Yeah, right. And that thing is where we all find ourselves to and I envisioned everybody went around in and talked about what, how they saw this. And I was in Times Square. Whoa, with hundreds of 1000s of people and Times Square signs had changed. And you looked up in the signposts and it said, Mercy road and memory lane. And it was, you know, the Millennium Yes, whatever. And this incredible I mean, if you've ever been to New York, I have and did the Time Square thing. I haven't done that yet. When did the Halloween festivity? I mean, you know, and you just go there were all those 1000s of people and everybody was like, pushing down memory lane. It was it's just, it's a human River. mappila Yes. I mean, it was just too fun. And then yeah, so after that wonderful thing made this fabulous gift exchange. We did all these great things, and there was my little bottle of double dim blue was fabulous. This is so and we sang the traditional Christmas carols. Yes. Changed verses of course. Okay, well, you've heard Hark the hair, lip Angel. Teeth. You know, I haven't heard that heard our deck. The halls is broad like Molly. did all that. You haven't heard Hark the Herald Angels. never never never heard that. Well, before we We Three Kings of Portage and tar. Remember to include a brief gars of Noel Noel Barney the king of the Israel? Party that Barney, Barney, Barney, and how you're a little kid you hear these things? Sure. Meanwhile, I hope you are gifted by jolly old St. Nick last because he's making a list of chicken and rice chicken. Yeah, yeah. And although Rudolph the red, no red owns rain gear. Some very shiny clothes. You can count on all of the other reindeer The only thing better is that in the meadow we can build a snowman and pretend that he is far as in brown. sparse and brown. Yeah, we then move on so from the sublime with jelly and toast proclaim to three think it is you'll go down and Listerine Yeah, you know, what's it? It's us Christmas carols that nobody ever understand. Yeah, and you hear him saying? Yeah. Crazy pressure learn? Sure. Oh, yes. You know, people know what they're saying. Sweden's wonderful thing we all just ran down memory lane and saying these crazy things that we saying and did fun things. I was just so great. That a wonderful time. I'd love one boy toy. Could you bring me? Could you bring me a coffee a day please. Big Roy is so Roy's rubbing my back. I want you to know ladies and gentlemen slider

o

17:33

Oh, we have a news release. Well,

26:42

I was going to do before. What do you think? Oh.

P Peter 26:47

turmoil rocked heaven this morning as allegations arose that God had an affair with a former worshiper. What? Yes, the scandal was begun when a 21 year old woman known only as Mary claimed that she had been given birth to Gods on the Sun last week in a barn in the hamlet of Bethlehem. Sources close to marry claim that she had of God for a long time, that she was constantly talking to her relationship with God and that she was thrilled to have a child. No kidding. This is a little preview of like Clinton and whatever. I suppose there's gonna be a trial. In the press conference this morning, God issued a vehement denial saying that no sexual relationship existed, like Clinton, not a sexual relationship, and that facts of this story will come out in time. Verily, verily, verily, I say Verily, I said time shall come. Independent Counsel Kenneth bozell, Zebub immediately filed a brief with the Justice Department to expand his investigation to cover questions of whether any comments may have been broken, or whether God had illegally funneled laundered money to his legitimate child to three foreign operatives knowingly known only as The wise man.

28:10

During along with it,

P Peter 28:13

issued subpoenas to several angels, who are rumored to have acted as go betweens in the affair. critics have pointed out that these allegations have little to do with the charges that bsods ABAB was originally appointed to investigate that God had created large scale flooding in order to cover up the evidence of a failed land deal. No, yes, and in recent months, because Al's above its investigation has already been expanded to cover questions surrounding the large number of locusts that have plagued God's politically opponent in the last election, as well as claims that the destruction of the cities of Sodom and Gomorrah was to divert attention away from the scandal involving whether the giveaway of a parcel of public land in the promise country to Jewish special interest group was a quid pro quo or a political contributions. If these allegations prove true, then this could be a huge blow to God's career, which have career much of which has been spent crusading for stricter moral standards and harsher punishments for wrongdoer. Indeed, God recently outlined a tough on crime plan, which consisted of 10 a series of 10 commandments, which has been introduced in to Congress in a bill by Rep. Moses. Critics

of the bill had been pointed out that any lack of any provisions for the rehabilitation of criminals and lawyers for the ACLU are planning to fight this name in vain commandment I see as being an unconstitutional restriction on free speech as well. They should, as well be sure. So you haven't for the news today. Gosh, I do have one question though. Yes, you can be sodomized. But what is it when you're Gomorrah? ized good. I don't know I've never been Kumari view.

30:08

I don't think so. Perhaps I have

30:12

you don't need right now.

30:13

I didn't even know

Peter 30:17

I can't remember last time I was talking about Gomorrah. It's Oh, it's big boy you were tight. Okay, I got a lot of announcement to make.

30:27

He insists that when he goes to bed, everything is dark and there is absolutely no noise. I see. Okay, that means you're not allowed to moan right? So we are two independent people and so we don't live together but you know we spend a lot of time anyway. I'm over there and I don't have a headboard.
