As for Barbie needing a bendable arms so she can push me away. I need bendable knees so I can catch that kick that bitch to the curb. I bet he needs some bendable knees would also be helpful for me in other situations. Say I knew it. I know it comes out. We've talked about this issue before. Oh, I see. In closing, I would like to point out that any further concession to the blonde bimbo from Hell will result in actions being taken by myself and others. And Barbie can forget about having Joe He's mine. At least that's what he said last night that

01:29

I knew it. I knew all these years I knew it. I knew it. I knew it. Yeah, have

05:49

Oh, I know it, you know made

Peter 05:53

way too many feathers. We are going to do the politically correct. Okay. Okay. On the 12th The day of the Eurocentric imposed midwinter festival. My potentially acquaintance rape survivor gave me Oh 12 males reclaiming their inner warrior through ritual drumming 11 pipers piping plus eight team members of a pit orchestra made up of members in good standing of the musicians equity union as called for in their union contract even though they will not be asked to play a note.

06:34

Love those years 10 Millenium

Peter 06:35

deprive testosterone zone poisons. Keaton's of the patriarch ruling class system leaping Wow, whatever that fell is nine persons engaged in rhythmic self expression. I see eight economically disadvantaged female persons stealing milk products from enslaved bovine Americans. I love that seven endangered swans swimming on a federally protected wetland. Six enslaved fowl Americans producing stolen non human animal products. Wait a minute now. Five golden symbols of culturally sanctioned enforced domestic incarcerations note are members of the animal liberation Liberation Front threatened to throw paint on the calling birds French hands and partridges have been reintroduced into their native habitat to avoid further animal American enslavement. The RE maining gift package has been revised four hours of recorded whale songs, three instructional poets to Sierra Club calendars printed on recycled process tree carcasses and bought it all activist chained to an old growth bear tree and there you have it that politically correct 12 days of kids needs isn't that

08:08

I do have a question for you. You're more politically correct. And you're listening to all of this on KPFT Houston and ke O 's College Station this after hours call where radio with attitude I'm craving it tonight because he got some ah yeah, and Peter's here with me. Now need are in the political correct vague yes, that you're talking about? I have the question. What should you do if you see an endangered animal eating an endangered plant

P Peter 08:51

let it happen. I don't know why.

08:54

I don't know either. I mean it just that question

P Peter 08:55

that's just the internal question. That's it. What how many angels on the head of a pin? You got it? What do you do? What was it 18? I don't know No many more than that. Oh yes, yes. We have some things on on the guide to political philosophy. Oh, okay. Just because this seems like an intellectual show because probably nobody's listening anyway. Well, because we're all out at the bars. I mean, it's let's face it, it's Christmas. Right all the visitors to Houston they came to see their friends and your family have had enough of their family. Oh by now by now they have done all the turkey ham and or whatever they had to eat. They are over there's their sister their over their ugly brother in law they're over her mother to be sure. And they are

09:42

out. They may be are they may be

P Peter 09:45

bars are jam. Oh are they are so crowded. Walk through. Every queen in town is over family. Well, very over.

09:54

Trust me.

P Peter 09:55

Because I have never seen any of these people in my life. You're kidding. No went there. Ready to do a walkthrough to see if I can find any hot gossip for this show? And let me tell you I did

not recognize this so I've just been stuck by boy. Literally he stuck a piece of paper in my forehead boy toilet paper stick me calling me rolling. My Word to Oh, it was honey bunnies. Precious Krithi Why are old men like Santa Claus?

10:24

I don't know. Why are old men like Santa Claus?

Peter 10:28

This must be a joke for me Jays. Oh. Oh my or maybe the wrinkle room. actually known as the briar patch. With heaven. Wire. Oh man like Santa Claus. They only come once a year. Oh, you take that home to your honey.

10:44

I see. Well, I guess I shot my wad tonight.

Peter 10:47

Oh, yeah, you did it tonight. So we'll look forward to you next.

10:50

Okay. Anyway, here we go. Yeah,

Peter 10:53

this is a sort of a little take off on like the politically correct things. Well, kind of Christmas. Yeah. But it's like socialism and fascism and Nazism capitalism, since we're into this political stuff now, ya know, each and 1000 other things happening or Asian war in Iraq. We know what we're doing. Anyway, the guy did political philosophy socialism. You have two cows. You get one your neighbor. That's socialism. Yes. Okay. Communism. Yeah, you have two cows. The government takes one gives you the milk. Fascism. You have two cows the government takes both of them and sells you the milk. Well, how sweet Nazism You have two cows the government takes both of them and shoot you. Capitalism You have two cows. You sell one to buy a bowl. And Israel You have two cows. The bank takes both of them shoots one milk one throws the milk and shoots you. Time over there. That time? Yeah.

12:00

Like, that's incredible. So

P

Peter 12:03

our little political animals have obviously been just they've just been caught. Yeah, well, most of them are Senator in Washington. Oh, so that's why this that's why this politically correct stuff has came out because most of them are centered in at the hub

o

12:16

Well, you know and credible what's going on in Washington these days? Well,

P

Peter 12:21

honey in it, and all these Republicans are like was that I'm not gonna harvest them little vote because they I mean, why are we doing this? So partisan vote to impeach? I mean, if Hillary doesn't care,

o

12:34

yeah, she's we and now all these Republicans are looking at their background and thinking oops, what if this comes out that I did so and so?

P

Peter 12:41

They take the great joke about Monica Lewinsky took her dress to the cleaners? Yeah, I told her that maintain. Remember that. Monica Lewinsky takes her dress to the cleaner. Yeah. And she says, Listen, I've got the spot on my dress. Could you suppose you could get this out? Of course guy behind the counters deficit. doorknob. He can Here he goes. Come again. She says no. It's mastered

o

13:09

No, you did not tell them?

P

Peter 13:10

Why. Yeah, it's down for life. Oh, is it they're just like what? Boy I can't say later. Oh, yes. That's down for life to go boy. Oh, the man the what is it? The market the know? There's a play coming up at the masquerade theater.

o

13:28

Is that at the masquerade theater? Is that the masquerade theater? I thought it was theater

is trial at the masquerade theater? Is trial the masquerade theater? I thought it was theater lab? Oh, it is

P Peter 13:33  
theater lab.

♂ 13:35  
That's what I thought. What?

P Peter 13:36  
Will you know everything so I'm gonna agree with you. It's theater lab. I don't know where well that's what I recall. When I read it. Read you read a thing called shopping? Yes. And that's not the whole title. That's not the whole title. But everybody around here in the world is afraid to say the whole title.

♂ 13:51  
Well, there are FCC regulations about certain words.

P Peter 13:55  
So everybody out there and raid Didio land. Yeah, there's a fab boo play coming up at theater lab. Yes. And it's called shopping and everything. And I didn't say it. Aren't you proud of me precious? Because she was so worried that Mr. Edmund was gonna throw me off the air for saying that word. Yep. I told him Monday we could cut my salary. Or I could fire me Give me a free weekend. Hey, what do I hear? New term?

♂ 14:22  
Yes.

P Peter 14:24  
When an elevator goes from a higher floor to a lower floor. It's called

♂ 14:31  
descend descending

P

Peter 14:32

in Monica Lewinsky. Ron is an account people are out there listening. To that my Barbie thing I liked. I did. I like Kim's response even better, though. Kim doesn't want to be he does not want to deal with that woman anymore.

♂

14:53

And I don't blame him.

P

Peter 14:54

I really don't blame we all know he's been gay. Yeah. Coming out on this show. I thought was really special. He's told the world on this show. That's fabulous. Just fabulous. No. And we are quit radio with an attitude and Ken has chosen to take this radio show to declare to the world that he doesn't want anything more to do with that blond haired Bufo Well, whatever though. Can I have another cup of coffee? A blonde haired what? Whatever she

♂

15:24

bring the whole party. Okay.

P

Peter 15:26

♂

15:32

well, you know, it's what I want for Christmas is I I've have a lot of material things already. And there are very few material things that I really need. Or maybe a color printer. So I can printer cheap

P

Peter 15:49

right now.

♂

15:49

Oh, yeah. And it's cheap. Yeah, you can print those pictures.

...

P

Peter 15:54

Don't go there. You naughty, tacky thing. Don't tell me you're pulling that shit up on the internet.

o

16:02

And like no one else is Hello.

P

Peter 16:06

You know, they've all been they've all been computer enhanced. Well, so

o

16:11

obviously computer enhanced but still.

P

Peter 16:15

The lines don't fit right. The veins going the wrong way.

o

16:22

But it's nice. You know in when you're surfing and finding other things. It's nice to when you're surfing. Yes. Is that what we call it?

P

Peter 16:31

Oh, God. Yes.

o

16:33

Another question for for a rhetorical question. Here we

P

Peter 16:37

go. I have several. Oh, let's go for a couple of them. Maybe

o

16:40

if you're born again? Yes. Do you have two belly buttons?

16:51

Boy that caught you off guard.

Peter 16:55

I was just looking at Jerry Falwell and whatever. A lot. No, the other one. Oh. That's just been

17:05

Oh, yeah. What's his tips over there? Yeah, I

Peter 17:08

can't think of his name either. But I'd love to see him with you

17:10

know, Jesse Helms, Jesse Helms.

Peter 17:14

It could be it could be for debts. Speaking of old, Oh, yes. There was a 94 year old widow who could couldn't stand it anymore living without her husband. Were a thing. Yeah. So she decided to end it on to join her husband. And she remember that her husband, Albert, that was his name, and left again. So she made up her mind that she would commit suicide using a loaded gun that she had in her possession. Oh, so wanting to be certain that she would not make a mistake and linger on. She called her physician to ask him exactly where was the heart. So he told her that the heart was located just below the left breast. Okay, okay. Later that night, a telephone call was made to the widows physician informing him that the paramedics were arriving at the hospital in 94 your woman who had just shot herself in the left kneecap boy Oh, Oh, cute. I knew I get you.

18:28

That was good. That was good. I was trying to figure out what that what could it be? What where's he going with

Peter 18:33

that? Give me another rhetorical Oh, let's see. Let's see still imagining Jesse Helms do Neville

do navelis nearing apples, navel why? why

18:42

do they put Braille on the drive thru bank machines

Peter 18:50

couldn't get their money? I don't know. They drive. They walk up with their wife and their dogs. I don't know. cute though. You're right. That's an interesting question. I love this. Tell me more.

19:05

If let's see if do infants enjoy infancy? As much as adults enjoy adultery?

Peter 19:17

You an angel philosophical question. I say I told you these are all rhetorical. Oh, do fun. Yeah, but something to think about why you got nothing else?

19:26

Why that's right. Attach

Peter 19:28

yourself. Oh, don't touch me. You've already had set up on the left to target the bar. Oh.

19:37

Do pediatricians play miniature golf on Wednesdays

Peter 19:46

You are crazy. You're absolutely insane.

19:50

Thank you. Thank you. I love me more. If a parsley farmer or is

P Peter 20:00

Sue she's. Yeah, go ahead.

∅ 20:03

Do they garnish his wages?

P Peter 20:06

Oh, god, that was really bad. I'm

∅ 20:09

sorry. I'm sorry.

P Peter 20:10

No, but good. That was clever because there are people out there who love those kinds of Oh, yes, those little I don't know what they're call but

∅ 20:17

really, I'm gonna get shot here.

P Peter 20:20

But we like him anyway you stick another message in my head. I'm gonna beat you.

∅ 20:24

Chris is here with a kind of a dark gun. You're kind of the robber?

P Peter 20:28

Yes. Okay, no, I'm gonna face him

∅ 20:31

here we got what a wingless a wing list fi or a wingless flop why he called a walk. What would a

wingless try a try with no wings be called a walk. instead of a try

P Peter 20:51

you are really pressing the envelope shoot yourself in the head. Okay, try the next day. Here's gonna get one more here's one I know you have a million of these isn't it's your listing. What have you been getting these? Oh, we had the best in the world. Okay,

∅ 21:11

isn't that scary? That doctors call what they do practice. Oh, that's really scary. You're right. That's pretty scary. It is. Yep. Oh, that's that is true. Oh no. If the number two pencil is it's the most popular. Why is it still number two

P Peter 21:39

you've ever deemed yourself the last one to practice? Yeah, when will practice make perfect  
Yeah, here's here's

∅ 21:47

one that'll piss some people off. Oh good. If God dropped acid What do you see people

P Peter 22:05

good Yeah, good. You're redeeming yourself. This is lovely.

∅ 22:08

Now I already used one. I think last week know what rainbow was here. Oh rainbow declare  
rainbow declare

P Peter 22:15

doing flamingos for I'm

∅ 22:16

sure. God only knows and it was. Where is that? Is it true that cannibals won't eat clowns  
because they taste funny.

P

Peter 22:29

I'm not even gonna go there. Three more lines after that and I'm not even gonna use Edmundo would cut myself

♀

22:38

that's about all I can stand. That's about

P

Peter 22:41

all you can handle that Yeah. Oh, was that another word? We're not supposed to say kinda kinda did it say Mundo Keisha, listen to the tape. So you have nothing better to do our program manager so tight, tight, tight. I don't know. I mean, either. And then some kind of his propensity for spending man who Yeah, oh, yes. You're gonna do music. I can see you're No, I'm just. I'm just the ones we give away. The ones he touches and rubs on his body.

♀

23:18

Yes. And no special places. And those

P

Peter 23:22

special places though. God didn't want to go there. What are you queuing up

♀

23:28

big boy? Oh, music for the news. Oh, you're

P

Peter 23:31

killing it? Well, I thought you had one more little thing before we went crazy.

♀

23:36

Well, no, no, you must have some stuff. Well,

P

Peter 23:40

I do. Okay. Well,

23:42

it's a shame Leslie isn't here. Well, I want to give a plug for the court because Lexi's a member of well, Royal, Salford and star. Oh, is there?

Peter 23:53

Yeah. Why? They have thrown out the reigning Empress? What? Yes. Are you serious? That meaning in the fourth to decide the fate? As Jennifer, what's the deal has pissed off too many people who rumor has it? Don't you know? I don't know anything about it because I'm not a member. However, rumor has it.

24:21

I think that would be the first time.

Peter 24:24

You're right. I believe you're just about correct on that one.

24:28

But there are wonderful people. Rumor has it two wonderful people running for Empress this year. Yeah. JACKIE Thorne, and this is terrible because I don't know her last name. Renee. has been with the court many many years and done some wonderful things. It's just that Jackie is more well known. Well, and of course

Peter 24:51

River City from what I hear oh, I my eyes have seen a letter. Oh, yes.

24:59

And what was in there? That letter

Peter 25:00

was well in you are done all rights, privileges, talents, crowns and etc are now removed. You're done. What the hell did she do? All lots of things. Rumor has it whoa. Rumor allegedly speaking and

25:20

allegedly speaking. Yes. That only get people interested in the court.

P Peter 25:24

Never before like never before. Oh, it must Lexi. Yes. I couldn't find her anywhere. Rumor has it? Yes. After I sent out my spies. Yeah, did she is with Connie. Lingus chowing on the good ship lollipop. Well, another one of those costumes again, honey

25:45

between the two of them that good ship lollipop

P Peter 25:49

thing. Yeah, what's gonna happen if they have another midnight buffet for those two cows? Either that, or,

25:58

Yes,

P Peter 26:00

she's working overtime. But I'm not even there, man. Oh, hey, I'm not believing that for a minute. Because everybody knows when the fourth Saturday the show was and she knows and I tried yelling and got nowhere. And then I sent out my FBI agent. Yes. Again, they said they saw her Oh, hand in hand with a bag of burgers. And Connie Lingus in one hand and the burgers in the other. I think the two of them are heading for the Port of Houston and heading for a short trip around the god and the good ship lollipop. Does this mean

26:41

they'll end up being partly?

P Peter 26:45

Very good. Yes, I think it does. I think they're already poor. But I think it's gonna make them more importantly or whatever that word might be. More portly. So anyway, when we see that federal HoH next, let me see Miss thang next month. We'll all man

27:05

Well, next month, January is a big month for the court because that is when well

P Peter 27:09

and you know, don't be over that because the coronation is That's right after Yeah, this week. This month, this year, this whatever. It's the week after the crew of Olympus ball.

27:19

Oh, by. Yes. I have my ticket.

P Peter 27:23

Do you already? Yes. Aren't you proud? And whose table? Are you with? Bruce

27:29

raves?

P Peter 27:29

Oh, okay. Well, I was gonna say if you need a really neat one, I have one for you. Well, thank you.

27:36

Thank you, thank you. I love it. I love it. I love it. And, and all of the all of the people who well the the good thing about this is that this year, what they're doing is you have to have a bar beforehand. And tip jars and all of that kind of stuff allows you to get a little crazy, there you go, you know, to your favorite bartender and things like that. And usually there there's a quite a bit taken in and tips. Now the bar tenders for this affair are members of the organizations that receive that might save money. So that's a little extra bonus for them. Indeed it is. So I think that is incredibly nice of the court to be doing that. Because I know the

P Peter 28:17

court I'm sorry, crew. Yeah, that's great. Yes. As a member of the Augusta group, yes, you

28:24

are a member as a matter of fact, and

P

Peter 28:28

we're going to be well I back Yes, everything's back in turn. Oh,

♀

28:35

yes, certainly will respect fucking spectacular. Yes.

P

Peter 28:40

It's after one I see live with him and do live with it.

♀

28:43

Oh, yeah. No, but I know of. I don't know all of the groups that are bait. They're gonna benefit I believe there were four. And I know the game was the switchboard.

P

Peter 28:55

They would might tell I wish I could remember all of them. There's a housing facility in Dallas. There is oh, there's let's see there's a housing facility in Dallas Stevens house. Oh, good. Switch for somebody else. A b2b Khalid charities maybe probably I'm not sure. I know. There's I don't have that information really fine. Oh, okay. So there's, there's it's a quarter, quarter quarter and in two halves. So there's five Yeah, I don't Yeah, it's great. It's gonna be big fun this year Trove. Yeah. Yeah. When I have all known radio favorites is going to be a showgirl.

♀

29:39

Oh, yes, yes. You're going to be Oh, my, my, my. You're going to have a tableau as they might call it. Remind him

P

Peter 29:51

sure breasts.

♀

29:52

Oh, boy. That's a lot of showing

30:00

I had to say, just say it has to say couldn't couldn't catch it by

Peter 30:05

then there had to go one more place. Got anything else? Oh, well, we have a little we could do another little thingy which we have found just more things than we'd ever want to do on the 12 days of Christmas, but we can let that ride okay. And if it's entirely up to WGU, we have Boutros 12 Days of Christmas, which probably the case in theory Yes, I saw that and we have ways to annoy your roommate at Christmas by wearing a Santa suit and denying you're wearing it and or laying the mistletoe on the door and kissing on the lips every time he walks by. If you have a roommate, you know, all I want for Christmas is my roommates two front teeth, and you made screaming national dance or making an anatomically correct gingerbread people and eating their best parts first. Jingle Bells manically saying that every time a bell rings an angel gets its wings. Or still lifesize activity seen displayed in your room and when you made ask tell him that I hadn't let them stay here. There's no room in the end. Things like that. You know, when your roommate goes to the bathroom he arranges possessions and time centers else must have done just in case you're trying to drive. You know little things like that. We could have done all those fun things. But gosh, so much so much. There is so much it has been so little Christmas. A Christmas thing I just had so much. It's been fun. We've got wonderful things I do outside of our double women. Let me get this right. It's double double, double dimpled Scott from a wonderful radio listener. How Much to my surprise. Was fabuleux and shirts and money's money. Yeah. And we got fragrances. Ah, eternity. Wow, that's nice. What else does? And obsession? Yes. And all these wonderful things to make us smell wonderful. I blew him away on that one. Ladies and gentlemen. And I had off off the air off there. Anyway, we have all those sorts of things. So we did that. And we gotta have a wonderful Christmas.

32:28

Do you have any new year's resolutions?

Peter 32:31

Oh, you had to ask? Well,

32:32

I'm gonna like I have made one new year's resolution. What are you gonna do? Because I'm so perfect anyway. No. I'm gonna spend more time at the Lobo. Tyria. That's just a fun place to hang out.

Peter 32:44

Really? Yes. Once you call me and you go then I'll meet you for sandwich. Okay. Yeah, that

would be big fun, because we never do anything that's like outside of work. I know. I know. And you know, I love you want to let my luggage? Boy, that's a lot of love. Well, I'm going to quit smoking. Really? Yes. It

33:03

that's a tough thing to do.

Peter 33:04

I know. It's really tough. Did it like five months means more sex or something? I hope

33:10

I did it about five or six years ago. You're good. I can't even remember how long it's been. But I've lived for 27 years smoking and now all of a sudden, I can't imagine myself holding a cigarette. It's bizarre.

Peter 33:22

Bizarre. Yeah, I'd like to get there.

33:25

Something in your head has to click.

Peter 33:31

By hits click, click, click my address. Click Click. I wish me anyway, then we were gonna go on this massive diet and talk about something in your head clicking.

33:48

I can't do two things. Oh, well, no, we

Peter 33:50

have to do both of these at once. Because the last time that I quit, quit smoking for many years. Like we've already done this once for like a lot of years. So why am I so stupid to start this again? Yeah. We also went on a massive diet and same time. Yeah, we lost over 70

pounds. Wow. And quit smoking for a number of years. So we were suave and a billionaire at the same time. And cute and smoke free. So we have to do these things simultaneous,

34:18

I say okay, okay, that'll work. So we're going to try that.

P Peter 34:21

Good. And beyond that, maybe we're going to give up saying the F word after 12 o'clock

34:33

Well, thank you Peter.

P Peter 34:35

35:02

36:14

No, no. I am so effing proud of you. And it is standard. Thank you.

We got everybody there if somebody pointed the finger but didn't use the finger. Gotcha. Oh, okay. like to welcome everyone to this week's edition of after hours news with myself and Chris was sitting in for Michelle who's away on a family outing in San Antonio. Are the brothers even worse there? I think I believe so. Anyways, we got a interesting little lineup here an update on the men who are arrested back in September on 2106. Charge. attorney for these two men argued on state and federal constitutional grounds of privacy and equal protection. As county criminal court judge Sherman rush to quash that the complaints against the two men. The judge dismissed the motions that were filed on December 16 and found the two men guilty after each pleaded no contest to the charge. The two defendants names are Garner and Lawrence and they were both fined \$200 Each and fingerprinted immediately after the ruling attorney for the two men said they will appeal the ruling put up with this. Peter is in here trying to sabotage our news segment sexual harassment can I get an attorney to call us here please.

38:35

Lord, the tickle business from Peter. Oh my goodness how it is when you're Peter gets tickled or

Anyways, the state sodomy law makes gain makes gay anal or oral sex a Class C misdemeanor with a fine punishable by up to 500 bucks. And we're having a lovely demonstration of it here in the studio. Sorry, Peter, but she doesn't have it. Oh. Anyways, on November 28, Governor and Lauren's pleaded no contest. During a brief arraigned before Justice of the Peace Mike Pirot. who find the Meech \$125 The men posted an appeals bond \$332.50 Each, which moved the case to a county Criminal Court. And the next step on their agenda here will be a state appeal in one of two different state appellate courts here in

Houston. And if that appeal falls short, the case will then go to the Texas Court of Criminal Appeals which is in Austin and If it's denied there, the attorney said that they will take the case to the US Supreme Court. Personally, I do not hold out too much hope for the courts here in Texas seeing as, as of the last election. All the judges are you
