R

Ray Hill 16:33

So excellent idea. Yeah. I was explaining earlier before actually caught a mic that gay bars have been an institution of the gay community for as long as I can remember. And that's been a hell of a long time. And this show

J

Jimmy Carper 16:47

has been on for 16

R

Ray Hill 16:48

years show's been on for 16 years. I

J Jimmy Carper 16:50

was telling Jay that just because we're on and they're open on Saturday nights is no reason that we should be mutually exclusive. lewdly

R Ray Hill 16:57

the only other time that I think KPFT microphones were in a gay bar was way back when Fred pious was alive. He called someone called from the old locker and said the place is being raided and we hooked up some microphones that we ran down there and hooked him up to the telephone. And we're alive on the old Wildenstein show and I stepped up to the officer with a microphone in my hand. I said, obviously, we're broadcasting live on KPFT. What is going on here? And he looked at the microphone looked at me and said, Well, we were just leaving.

J Jimmy Carper 17:32

And those days are over. Thank God. Now when we do live remotes, it's a celebration.

R Ray Hill 17:38

Actually. It was an honor that helped me up the stairs out So Ron, he recognized a crippled old man when he saw the advantage of giving the assurance up the stairs. If I'd have fallen I would have fallen into blue arms.

J Jewel Gray 17:52

It wouldn't be the first time I'm sure

J Jimmy Carper 17:57

to I'm glad to see you go sorry.

J Jewel Gray 17:59

I'm late. I'm so sorry. Man. There was no parking for like mile around. Why No, I had my \$5 out the window waving it but there was no way Oh \$5 spot nose places the place to be tonight.

J Jimmy Carper 18:10

SURE IS IT SURE IS THIS CHAIR OUT THERE. MICHAEL'S DOWNSTAIRS. HE'S GETTING READY TO DO SOME giveaways. All right. Oh, here when he's ready to do that.

∅

18:19

J

Jimmy Carper 18:21

something in my ear.

R

Ray Hill 18:24

All of this is being engineered by none other than KPFT generous and wonderful. music program. Program Director number two in charge. Oh, does? McClay Yeah, it's also on the side of that spear. Yes. Now nobody can understand what he says. So they think he says lesbian.

J

Jimmy Carper 19:00

Jimmy Carper 34:37

Actually, I'm doing something different this year. What are you doing? Space city Empire the other court system is getting together a group and we're gonna serve dinner George R brown on Christmas Eve for the homeless. Yeah. Yeah, I've never gotten that. I've never done that and I thought drop it. You know I can do that. I mean able to do that. So, you know, I just thought that that would be a great thing to do. It is less us every congratulation, maybe start a new tradition.

35:11

That's a nice way to do it. Well,

Jimmy Carper 35:12

you know, we are as a community, we are now so much more open. And we're out there. And I don't think we should isolate ourselves. I think we need to help our entire community and for our weekend. That reminds me Are there any games looks from the community center, center and outsmart Yeah, no. But you know, as I've often said, we are such a large community that is that not one media can cover it all. Tim covers are there any gay for I was gonna ask you any gay floats in the Thanksgiving Day Parade here in us? Not that I'm aware of. But I think that's something we need. Well, you know, I look at my raincoat something to do. Rainbow is gonna be in it. So. Yeah, that's, that's it right. Exactly. Next Thanksgiving. I'll be at my high school reunion back in Ohio. What? Oh, Lord, I know in November. Thanks,

36:21

y'all. You had a sec shake.

Jimmy Carper 36:28

It's not till November. There's still time.

36:31

I haven't been back to my hometown for the holidays in six years. The last time I was there was for my dad's funeral. The one time that that I even think about missing this. My hometown is that Christmas? Because I remember what snow is. And I remember what it was like to have a quarter of snow on Christmas Day. I believe on the

J Jimmy Carper 37:00

club's the 80s You know what snow is?

R Ray Hill 37:05

I have I've never been in a gay bar and until 1990

J Jewel Gray 37:07

Did you hear one of the radio stations in town? \$25,000. To somebody? Yeah. If it snows Christmas Day at Busch international airport I heard about. So you know, I was thinking the other day. The last time it snowed, you know, last time it snowed in Houston. I was here for two times is the last time it snowed in Houston proper.

J Jimmy Carper 37:31

It was in the seventh 1970 8383 Terrible

⌚ 37:35

wreck in the snow. I wasn't driving. But let me tell you hurricane

J Jimmy Carper 37:40

Alicia.

J Jewel Gray 37:43

Yes, that's right. And there was a promise us \$25,000 And I thought excuse me brought to mind the last time I saw snow. Oh, wow. I was in Elmira, New York. And I was up there with some friends and they took me from XYZ Rochester. Lots of lesbians in Rochester.

J Jimmy Carper 38:04

Lots of snow taken years tonight please come to Eau de Rochester lesbian.

J Jewel Gray 38:13

But I went with her friends that I was met in Rochester to a house in Elmira a little bit here. We're here. And while we were there, there was a blizzard. They were not prepared to be

snowed in for three weeks while I do ever. Not in Rochester. They should be in Elmira, which is real close to Buffalo. Yeah. And they were not prepared to be snowed in for three weeks and they weren't prepared to have for many people. They're either bad and prepared. So let me tell you by the time I left, my time I left New York and that's so I didn't ever want to see snow again. And I've made an effort not to see snow. Yes, Snow

J Jimmy Carper 38:47

was great on Christmas day and then you don't want anymore. You know that's it.

J Jewel Gray 38:53

And you know it can snow and Houston because people do not know how to drive in snow.

J Jimmy Carper 38:57

Oh, hell, they don't know how to drive and brain

∅ 39:01

freezes are slick roads are slow. They're a nightmare. It'll never

J Jimmy Carper 39:05

∅ 39:07

J Jewel Gray 39:18

gear. That's right. That's right. So you're going up there where they do know how to die.

J Jimmy Carper 39:22

Yes. A tire change on the tires and a song in their heart. You're just gonna be great. You know something? I'm sitting here and I'm looking at it Brandon. And I'm thinking that guy is slender. Why does he look so big on TV, television and radio puts 80 pounds? I don't know. I'm actually

only 121 pounds. I see that it appears on radio. A little bit more. I don't know what it is. It's the magic of media. I know they're they're looking at me a gas Okay, all right and find the ladies are oh, so y'all have seen normally we were playing the song and you could do that,

J Jewel Gray 40:06

and I can't do that. So there's no proper segue. There's gotta go pee.

J Jimmy Carper 40:10

R Ray Hill 40:15

some of those strippers they look No no, no, no, no, no, no, you're a stripper. The other thing he's got that's more important than that. He's got access to the strippers. I've got access to the full access fast. Wrong with this. We're sitting here and he's got access to the strip. Yeah, but this was a sandwich.

R Ray Hill 41:41
