Oh yes, you've tuned into after hours queer radio with attitude right here on KPFT Houston 90.1 FM. The crew of after hours is ready to bring you news interviews, dialogue and music geared for gay, lesbian, bisexual and transgender people and their friends. Hear it after hours. We may be diverse, but we have one thing in common. We are all out of the closet and urge everyone to come out of their closets. That means standing up for yourself taking responsibility for your own life and being proud of who you are. Realistically, we know not everyone can do that because of age job or frame of mind. That's okay, we're here for you too. So sit back, relax and enjoy this week's edition of after hours.

01:59

Hello, Houston and welcome to after hours queer radio with attitude heard every Saturday night at midnight. Right here on KPFT Houston and ke O 's College Station. We are the queer sound of Texas. I'm Jimmy Carper. And with me tonight is Louis

Scott Lewis 02:19

and girl did you see what Gigi is wearing in there?

02:25

And GGC are also he? Yes, he's

 Scott Lewis 02:29
like girl you started okay. Are you doing? Oh, we're good. What are you going to do if you get pulled over in that? Do you drive?

 Gigi 02:38
Yes. Oh yeah, of course. I ride my motorcycle on it sometimes.

 02:42
Yes, she can be on a motorcycle. Is very androgynous and then she feels like wearing something that's non masculine. She'll do it

 Scott Lewis 02:50
is not a masculine because I noticed she wouldn't wear an underwear. Oh,

 Gigi 02:53
why? See? I never do that even I don't know.

 03:02
You go over to her house. And anyway. Saturday still

 Scott Lewis 03:06
charge an admission to go to your house. Gigi?

 03:08
No, no, no, I've

 Gigi 03:09
never charged admission

 Scott Lewis 03:12
of a roller coaster ride out. Well, maybe

 03:13
she charged it to you.

 Scott Lewis 03:17
You're not gonna start off at this early androgynous

 Michelle Meyers 03:19
or erogenous

 03:20
Eros. No androgynous not erotic. Thank you Michelle, for that

 Scott Lewis 03:25
for me. Anyway, I'll tell you that way. This

 03:28
is the fifth Saturday of the month. So anything goes I've invited 100 people and maybe two will show up. Hey, maybe two are listening. Hey. No, I ran into an old friend of after ours and Houston. Houston. Gay St. Teresa Monet. You may may remember her as a entertainer singer. She

 Scott Lewis 03:54
she related to the artist. What or does she did there's jewelry too?

 03:59
No, no, no, no, no, not not that kind of money at all. I'm just trying to anyway, she she really does Janis Joplin. I mean, she has that strong. She was bisexual. She's? Yeah, well, Harry. And

 -

 Scott Lewis 04:15

it is. Teresa. She has been dead for years. Put her back in the grave. No wonder people talk about us on television. Oh, Teresa, stop it. That's

 04:26

sick. Okay, folks, I asked him to start out slow and work his way out. Oh, well, so I won't be reasonable step by run into ser probably won't know. Rarely she's listening. Teresa and Barbara would be nice.

 Scott Lewis 04:43

Barbara's her partner. Yep. Yep. Does she know about Janice?

 04:46

Ah, hey, it's she does now if she's listening. I ran into some folks with the Royal Imperial royal, Royal Sovereign and Imperial Court is the single this early on and you know cuz I don't get the chance to get those folks on very often so they're so busy they're always doing a fundraiser there and they're doing one tonight tonight was the turnabout show. And so I'm hoping to see Bob bouton. Oh, I love in drag. Oh ALLAH he was he was promised he would do drag tonight. Wow. And I'd love for him to come in the studio like that. But knowing him,

 Scott Lewis 05:30

you should do one of those drag shows you can wear a suit.

 05:34

Dragging, all right.

 Gigi 05:36

I don't think

 Scott Lewis 05:39

it would happen either. But hey, it was worth it. Yeah,

 05:40

well.

...

05:42

anyway, want to say hi to Terry and Roger out there.

Scott Lewis 05:47

Terry, and Roger. Anybody else want to

05:49

say? Well, I

Scott Lewis 05:50

was just when we do our shout outs.

05:52

I'm not saying that anymore, because you give me all kinds of crap with that.

Scott Lewis 05:56

But it's trying to be hit.

05:59

I haven't I haven't heard from Perry in a while. And he's got a new hip. So it's, you know, hey, okay. Got the letter from Roger. And as a matter of fact, I'm glad you're here, Gigi, because Roger is incarcerated. But he listens to the show. And he was talking about his favorite parts. Let's see. Let's see. Let's see

Scott Lewis 06:19

the show or Gigi? No. Have you been getting conjugal visits up there in Huntsville, Gigi.

06:29

He said, I've enjoyed your show for over three years and appreciate your candid coverage of the issues that concern your community. Jewel is always a treat as our Gigi and his mate. She

sounds so sexy is she have so does he is he? I can't help but notice the spring branch exchange for BiNet. I lived there all my life. How come I never ran into them?

 Gigi 06:56
We just made that.

 07:00
So you know, it's always nice to get letters like that. Isn't it? date on there. Now? Well, actually, he's up for a pre release.

 Scott Lewis 07:10
What's that mean? pre release? I think it is that like pre nevermind. No, no,

 07:14
it's kind of semi supervised. Yeah, you get to go out and do stuff during the day or you just have to check in at certain times. I believe that I believe that's what it was.

 Scott Lewis 07:26
Says my Sally gets Newsweek. What's his Sally? Sally are so sorry. I'm not hip to the. Yeah. And what's the word scrotum doing in here?

 07:37
Well,

 Scott Lewis 07:38
well, Roger, we'll talk later. We'll talk. That's in the two o'clock hour.

 07:46
Certainly, hey, we're

 Scott Lewis 07:47
gonna be here all night.

07:48

We certainly yes, we are. As a matter of fact, we are we're till 6am.

Scott Lewis 07:54

As a matter of fact, in after hours and before hours

07:57

now we're going to do an after after hours.

Scott Lewis 08:01

Hell about fourth. Well, you see, it

08:03

seems I got a call from the music director that Big Daddy J was taken ill so he can't come in tonight. So we send

Scott Lewis 08:10

our best out to big we short and let you know that you're stuck with us for six hours. So you might want to be grabbing that stereo remote now.

08:20

I have a lot of blues. But I can you know I can do a little.

Scott Lewis 08:25

We can tell you some of our stories about our life that would kind of depress you like

08:28

blues. Wow. No kidding. Speaking of which is your life.

S Scott Lewis 08:34
Pretty good? Pretty good. Busy, busy. Ah, got some music.

i 08:38
Jj.

S Scott Lewis 08:40
Jj, what's going on

i 08:41
with you? Well,

G Gigi 08:42
we do have special guests coming next week. That's been on after hours before. Now Michelle, is coming down from San Francisco. Yes. And she's gonna tell us all about the scene and scene by scene in San Francisco. And I can tell you just from talking to her, I mean, girlfriend it is lively up there. And tonight, I was going to talk a little bit on foreskin restoration and circumcision.

S Scott Lewis 09:16
Hey, no foreskin rescue restoration, even though I know we should probably cover that in the two o'clock hour. You can get your foreskin put back on.

G Gigi 09:25
You don't get it put back on you stretch the existing skin.

S Scott Lewis 09:28
Oh, do you get Vikon and with that? Get where? Vikatan because that sounds painful.

G Gigi 09:33
No, no, no, it's it's not something you do overnight girlfriend. It takes time but it can be totally restored. You've done it. There is a surgical method to do it. But I don't know that she's done it. Oh, I've shown Jimmy before. Well,

 Scott Lewis 09:51
so what else is going on?

 09:54
There's a big movement for that.

 Scott Lewis 09:56
Really, there was a highlight for Skype or for for skin

 10:00
A lot of gay men do. Like, and I don't have it.

 Gigi 10:04
Well, there's some advantages, because for several, before I really stretch mine, and we hit the day of the condom, it's like I couldn't feel much. And since I've restored mine, and it stays a moist membrane, like was meant to be, becomes more sensitive, and you can feel things through condoms.

 10:28
We'll be talking about that later

 Scott Lewis 10:30
to look at the ratings at two o'clock, just

 10:34
Yeah, yeah, right. At about 1118, we'll be doing his live sex show that we're gonna be doing a lot of what you're hearing right now mixed with a whole lot of music, because

 Scott Lewis 10:47
because we can't keep this up for six.

10:49

No it and that 120 We'll be bringing your yours who's with big Roy in the shell? For 20, we'll bring you the after after hours. I'm telling you. They'll be some news by then.

Gigi 11:04

We can make some news.

11:07

In the meantime, I've got something a little bit on the serious side about it say, Okay. Many of you out there may remember the Bubba's, who have been on the show before because they have created a life for themselves way out in the country, number one. Number two, they were gay men in the military. In fact, the above is Doug and Tom. Tom was in the Navy, and was actually kicked out of the Navy for it. Well, I went over to the twit office Friday afternoon and ran into Brian Kever, who's a good friend of the bubbles. These are really nice guys. Really, really nice guys. And he's telling me that Tom was in the hospital. And it's pretty serious. Pretty serious. In fact, it's so serious that Brian has canceled his trip to southern decadence. So our love and our wishes and our prayers go out to Doug and Tom the Bubba's. And what else can we say?

Scott Lewis 12:21

You have a little something to look

12:24

for sure. Do. My favorite Michael Callen piece.

Scott Lewis 12:28

And we send this with our love. We do.

12:37

Yes, Marcia Stevens, who is a lead out lesbian Christian singer. I

Scott Lewis 12:43

guarantee you she didn't have a show on TV and

12:45

probably not. And but she is doing a tour all over the place. She was at MCC our last week.

Scott Lewis 12:53

Did you see that? MCC er has put its building up for sale? Yes.

12:57

Well, they've outgrown it. I mean, it's a beautiful building. And you know, I you know, it's just I wish a smaller group. Gay group could get it because it's just a magnificent building thing last

Scott Lewis 13:11

night. \$150,000. But some coins. You know,

Jimmy Carper 13:15

when people are standing outside your church every week. Good thing. Yeah, it's it's time to get a bigger building. And I'm really really glad for them.

Scott Lewis 13:26

In MCC are the second largest gay Church, the largest,

13:30

the largest gay Church

Scott Lewis 13:34

in Houston.

13:35

Oh and Houston.

Scott Lewis 13:36

 Scott Lewis 13:36

Know that it's the it's the it's I think it's the second largest gay church in the country or the world. No, first. No. Yesterday cathedral of hope. 2000 every Sunday. That is MCC. Er now. That's MCC MCC Rs in Dallas. I mean, it's in Houston. It's all the same. MCC it's all the same. MCC Oh, you're talking about each little individual. The denomination is MCC? Yes and MCC er is the Houston branch of the denomination. The resurrection that last little part is yeah, sorry. I went there. Okay. 10 min through the doors. Wow.

 14:15

Yeah, Dallas is bigger. You know, they got some \$9 million

 Scott Lewis 14:20

place the 20 20 million building a \$20 million church and they Johnson is designed JOHNSON I was just gonna bring him up. You know, he came out. He's a famous architect designed a bunch of buildings here downtown. Very famous buildings all over did he did like the Sears Tower, I think and all of these great big buildings all over the world. Were the most famous architects in the world. I think he's about 95 Now 89th birthday, he came out of the closet. Oh, right. And last project that he's gonna do and he was gonna retire until a cathedral of hope the MCC church up in Dallas, approached him and he's designed their church for them. And it will be the last thing he said he he'll never do anything after that. And he wouldn't have even done this if it hadn't been a gay church. That's

 15:03

that's pretty close to be an incredible

 Scott Lewis 15:05

facility. Yeah.

 15:08

I'll bet I'll bet

 Scott Lewis 15:09

those Dallas Queens they'll get into anything bigger and better

 15:17

so

 S

Scott Lewis 15:18

nothing else people listening in Dallas right across West time right I'm gonna make it a 45 So anyway, hey, you know we have those cassettes to give away. We do. Yeah, but we should talk about that later because you know, we'd probably have to play a song but we do have 30 cassettes to give away later so listening I'll get one word or the

15:39

slapper

 S

Scott Lewis 15:42

perfect if we have 30 Everybody listening will get seven hey you know BMG, which is a huge record company, they they're actually distribution company that owns think about 12 record labels, they own arysta that has like Whitney Houston and Tony Brown. They own logic that has, like Martha wash, and they have you know, they have some other ones anyway, but they're like, the, I think the largest record company in the world. And every year they put together a cassette that they don't even sell. They give to the gay community and it's put together specifically for the gay community, and then they just send 1000s of them into all the cities and just give them away through nightclubs and through pride parades and through charity organizations and stuff. And so this year's cassette pride 98 is out and it's got like brand new, it's all brand new stuff. It's got Backstreet Boys and Aretha Franklin and Martha wash and love Bhushan. It's a great you know, if you like Poppy crap that I'm into

16:46

that bar trash.

 S

Scott Lewis 16:48

Speaking of bar trashes, don't get me started. But anyway, so we have like, 30 of those to give away, which I guess we can give away a little later when we play one of the songs or something that would be nice. Yeah, well, I shouldn't have brought it up. I'm a little off. I'm kind of devastated. I have to be here till 6am I think I'm a little more devastated by that slip she she's wearing.

 G

Gigi 17:08

And I'd like to do a real quick promo for next week's after hours that we do have a guest coming. That is Oh, yeah, working on starting a gay and lesbian, bisexual and transgendered. Credit Union.

 Scott Lewis 17:27
All right, I read about that in the paper. Yes,

 17:29
she's gonna be here next week.

 Gigi 17:31
Yeah. So we'll be doing an inner

 17:34
merit or some Maryland card.

 Michelle Meyers 17:37
Carol Merritt.

 17:38
Thank you. That's it. Sorry, Cheryl.

 Scott Lewis 17:41
Hey, Cheryl. I want to credit card Sign me up. Any sort of credit check or anything?

 17:47
Sure. I'll take my word on not this point. Or I don't put money in a

 Michelle Meyers 17:53
yard sale today. You don't have

 Scott Lewis 17:55
credit limits. Do you share?

17:56

Yes. And how did it do?

Michelle Meyers 17:58

Oh, it went pretty good.

17:59

Were you there? Yeah. What was it like Michelle?

Michelle Meyers 18:03

It was very early in the morning and I was very tired. Oh.

Scott Lewis 18:08

What the hell happened?

18:09

So you don't remember? Okay. Gotcha. But no, not a problem.

Michelle Meyers 18:12

We went till about. About to 230 Yeah, don't remember what time you left. Everything. What's the

18:19

sweet business? Were you in on it?

Michelle Meyers 18:21

Oh, yeah.

18:23

Wow.

 Michelle Meyers 18:24

Well, the caucus is the first founding member Yes, that's right. The credit union project. Yes. The treasurer. I was watching out for the caucuses interest okay.

 18:35

Good, good, good, good. But anybody had

 Michelle Meyers 18:39

keys to the I had keys to the community center so I was the one who could get in Ah, gotcha. I had to rush out because I had obviously

 Gigi 18:53

but anybody interested in debt making donations they are nonprofit corporation. can contact them. They've got a P.O. box 541358 Houston, Texas 77254. Or you can call 523451

 19:14

You're getting ready to put your life savings and

 Gigi 19:16

yeah, are part

 Scott Lewis 19:18

 Gigi 19:22

and buying it's going to be a BiNet Houston's going to be a founding member of good credit.

 19:28

Good, good, good, good. See what's so so there doesn't you know so, you know, go ahead and kick us out of the Pride Parade video. We'll see if we care we're gonna do wanted to start a

kick us out of the Pride parade video. We'll see if we care we're gonna go wanted to start a controversy

S

Scott Lewis 19:55

Hey, and I'm hungry so maybe bring me food because I'm getting ready to bitch and so I'm going to need some Renner Fishman What is this crap that they cut y'all out of the video last year the bisexual group? The parade committee did this? Yeah, well inclusive nondescript. You know, I'm so sick of fags let me get on my on my soapbox. 30 seconds. I am so sick of facts who think that they are better than another fag. You know if a Baba is going to take some people out in the woods and shoot them and they're gonna take an African American and Asian American and a queen, and a woman and whatever the fact is the first one going down we are at the bottom of the totem pole and above us mindset. And for any fact that think they're better than another one is disgusting and despicable to me. And I think it's egregious that they will cut you out of that video. And then they scratch you off the judges sheet in this year's parade. I think it's outrageous. I think it's disgusting. And I think they're not representing the community. They're representing their own interests, the 12 little people that sit in that room. And that's my rant. Wow. And I just want the word allegedly in there to somewhere Oh,

M

Michelle Meyers 21:03

girl, what?

S

Scott Lewis 21:06

It may have been for editing reasons or whatever, but I allegedly am pissed off about it. So anyway, what I got the phone lines ring and Didn't it look like 265738526 KPFT

i

21:19

it wasn't the first time we can we did happen the year before also.

S

Scott Lewis 21:24

So there is a pattern of deliberate discrimination.

i

21:29

I'm gonna say Mac

S

Scott Lewis 21:31

allegedly. Well, he gets on allegedly. No, I'm teasing. I'm teasing. But yeah, no, I that is very unsettling. And it and if it is deliberate I know you're not cheesv. It's very unsettling if it is if it is

upsetting. And it and if it is deliberate, I know you're not cheesy. It's very upsetting if it is, if it is on purpose. That's very upsetting. Yes, it is. On that I want to have fun tonight because we're here for five and a half more I

 Gigi 21:55

would like to throw in one more thing on that. Okay. And that is that, you know, to me, we need a unified community. And I don't want to be bitching about anybody or getting down anyway so but you know, I do want to see things come together not

 22:12

fall apart. Absolutely.

 Scott Lewis 22:14

There are bigger fish to fry than each other go after Pat Robertson. Not the bisexuals. For Christ's sake. Why God? No, how about that Janet Reno.

 22:24

Hell they're going after the transgenders.

 Scott Lewis 22:29

afford the surgery, that's all that they go. Oh god, I could spend that money on Versace. God, does this remind you of made 10 years ago? Yes, it does. Okay, well, enough of that.

 22:43

Oh, I'm telling you.

 Scott Lewis 22:45

What a wild night. Hey, you know what, I need somebody to bring me some to eat. I'm hungry. I need a date. And we're gonna be here five and a half more hours. So we can just get this all rollin. 526-573-8526 KPFT. If there's anybody on the parade committee listening, maybe they could call in and kind of explain that, that situation. And you know, they maybe they could also explain why Jimmy wrote his check for his tape. When did you write that? Oh,

 23:10

listen. No, no, no, we're not going there. Because I know they deposit that check five months

listen. No, no, no, we're not going there. Because I know they deposit that check five months ago. I know that it takes time to do editing on tapes. And so the pride this year is pride tape is not out yet.

S

Scott Lewis 23:25

They're all going to hate me. They're all it does it videos very difficult. Very difficult. They seem to be able to get the news on every night. But

23:36

of course, TV shows that there's out the week after

S

Scott Lewis 23:40

we're not pointing fingers allegedly No, no. Anyway, so anyway, we are on community login. 526738526 KPFT calling give Roy some recipes because I'm hungry and he could make something up to eat and there.

23:55

And in the meantime, we've got a stage three album, and this is men singing about men, women singing about women. And you've heard this before on after hours, but it's just my favorite off of it. Because it's just so sultry. The boy or the Girl from Ipanema. I know and you're hearing it on after hours queer radio with attitude on KPFT Houston, n k e o s College Station

24:31

Houston zone, Kelly gray. And that is from her. Her album standards with these. Oh, she's

S

Scott Lewis 24:41

incredible.

24:42

Isn't that incredible music. And well, there's an interesting story about Kelly Graham and tell us real quick to longer, okay. Several years. Many years ago, a couple of lesbians were in here and said, Oh, why don't you play Kelly gray? And I said well, you know, I only play openly gay music and I said she openly gay and they said They looked at each other and said, Well no. Well I went out and bought the album anyway. And this this version of Since I fell, I think is the primary standard for the jazz version there since I fell I can't I can't imagine anyone doing it

better. However now, fruit cocktail is out. It's a compilation of out gay and lesbian artists and guess who is on it? Not Kelly Gray, our own Kelly gray singing small day tomorrow, which will we will be playing later. She

 Scott Lewis 25:31
must have seen that episode of Ellen.

 25:32
I don't know what it was, but I'm glad she's out. This is wonderful stuff. Now, we want to do something different.

 Scott Lewis 25:41
Well, I'm hungry. Nobody brought me any food. So let's order a pizza. Okay. Do you how do I use this phone? I'm gonna speak. I gotta tell her how to use a phone. Phone but don't you have to run it through the board over there? You just don't even care Do you know I don't see how do you work the hair? Hey, what

 26:01
is actually no no no, do it this way. Oh, I'm trying to think about I don't know if we can do this but we'll try

 Scott Lewis 26:08
let's try it but let's hurry up because they close in 15 minutes. Oh, wait, wait, hold on. Let me I gotta get it off there. Okay, Did I do okay, there Okay, now what do I do now?

 26:21
I guess I guess call let's let's try this because usually it's for incoming calls. I didn't know if we can do this for outgoing calls.

 Scott Lewis 26:28
The hell was that? Kind of phone system. Do they have gone up here before Yeah, you know you get what you pay for here folks. Okay all right.

 26:47
