01:00

Let's go to line two. line two hit line two. Hello.

01:05

Oh, to get away from my radio. Oh, I was just gonna tell you guys how to make that call. Do you want to say on the air? I can. A good radio. Anyway, if you want me to hear you, you have to mix minus on this. And if you just call them on on one of the lines, and then when you get on then press the button. And I can't hear you guys answer.

Scott Lewis 01:30

And he's okay. He was saying that. He couldn't hear us when he said he couldn't hear us because we needed to hit mix minus on the board. We did. Well, you know we have quality equipment here. KPFT so we have to call how's that? Oh, great. So now what do I know?

01:52

Well, I know he said we can't do this and you have to do it on another line. And we can't put them on the air until after they answer.

Scott Lewis 02:02

Scott Lewis 02:23

Okay, so now we gotta get serious here. Yeah, we are do what should we do?

02:30

Well are you gonna do six? Are you gonna like turning off their radios in droves?

S

Scott Lewis 02:38

Hey, you know what? I think we should take some phone calls and like talk to people and see what's on their mind what's going on

o

02:42

I'll do that well you know in this is music night. And so every requests every music night I want requests require music and or Endor dedications. Five to 657385 to six KPFT.

S

Scott Lewis 02:58

This is a this will come a little later in the show. Okay, dancing and stuff. But I think we could use it now. BMG sent me this. And it's actually it's a really cute little song because it's got a reference to the Wizard of Oz in it. Oh, because it's this. It's I mean, it's real dancing and stuff. But the video the thing the neat thing about this, I play that little radio edit thing there. Because this is radio we're big time with my pizza. Anyway, but the video to this thing is huge. In Europe. The song is like the biggest song of the summer in Europe. And the video it's so successful over there that they're just not they're releasing it in America. And this is probably the first time you can you. You the first time you'll hear it, it may end up going on radio. And it's a combination of an old Jackson Five song from the early 80s. And in this dance here a few years ago about a woman who finds out her boyfriend's cheating with another woman. Oh,

o

03:50

thank you, Scott Smith.

S

Scott Lewis 03:51

No, not that one. Or she says What's she going to look like with a chimney on her and in the video? They're dropping the house like in The Wizard of Oz. But in the video for this verse. Yeah. This guy is on a boat this these two women are on this yacht with this really just gorgeous, you know the captain of the boat to just drop dead gorgeous and they're flirt with him and they're licking their lips and everything and everything. They're on this little day trip. And they want him so they get them and they're walking off the boat with this gorgeous guy and he has one of the women on either side of him. And all of a sudden as they're walking off the boat onto the out into the parking lot and everything. This guy comes up this really good looking like Puerto Rican guy in this convertible comes up and he starts smiling over at the three of them and nods his head back. Like come on, jump in. Well, that guy drops the two women it goes and jumps in the car with the other guy. It's hysterical. So I'm gonna go order a pizza and Scott, and this is

o

04:51

you know what the Scarecrow says? What? Some people go both ways.

04:55

I see. Dust say that I love it. I love it. Some people go. Okay, so you're gonna go under a pizza. Very good. Well, we played this

s Scott Lewis 05:08

tamper featuring, listen to song I'm wondering, what is it? It's the tamper featuring maya called feel it

05:16

okay

05:23

well back ends kind of quickly, doesn't it?

s Scott Lewis 05:25

Kind of like you in bed? Yeah, well,

05:29

that was nice follow up for

s Scott Lewis 05:34

y'all don't expect that again for about six months.

05:36

Anyway you are listening, you are listening to after hours. We're radio with attitude to s College Station on September 6. And that's just like, what next week we will be celebrating 11 years.

s Scott Lewis 05:56

You know, it's the second and third level celebrated 11 years

06:00

now. Now that started in September last year was 10. Yeah, September 6 1987. To show that just won't die. Ah, there you go. Well, you know, because it changes. It does change your changes. It started out your hairpiece, right. That's right. It started out as kind of a show for primarily gay man.

Scott Lewis 06:25

And it was very political in the beginning. You know, I remember listening to I mean, this is on next week's show the anniversary show, but it was very political when he did it.

06:36

But he was very political. Buddy. And he is in San Francisco having a good old time. Huh? He lives there now. Yes. Has a lover.

Scott Lewis 06:45

Oh, wow. Really? Yeah, he's cheese. Um,

06:50

he's changed jobs for that guy tremendously. And just living life.

Scott Lewis 06:57

I love Mary. Remember,

06:59

I was married? I was married.

Scott Lewis 07:01

Yeah, didn't you do it? On an anniversary shows that was so cute where you had him say and marry like don't think anybody knew your name that's for no

07:12

one ever hear my dream? I was just marry. Well marry, but things have changed. You know, we got lesbians involved. And then we thought you know hey, it's it's a big community out there

and got the transgender want to get transgenders and bisexual because they're part of the community. We've got leather folks. We've got hatch didn't

 Scott Lewis 07:32

 Scott Lewis 07:45

so I have to spot for a span I know you type 265738

 07:51

No, I really do because there's a whole there's a whole culture out there that that we're missing

 Scott Lewis 07:57

well and it's a black community to there's a whole kind of in the show since that you know that community is not represented right so yeah, we're not the pride committee here folks. We

 08:06

want to every we do we do it you know, I'm just trying to find room to put everybody you know because I know that it's an unusual person that's going to come here every Saturday night week after

 Scott Lewis 08:20

we are freaks you know who would be great though.

 08:23

You know once a month is cool. Oh yeah. I

 Scott Lewis 08:26

love it. Sanchez would be really good doing it you know Francisco he's very political would be really good. Well, I did brought me a burger once in the middle of the night always love him. Remember that time we just said we said somebody bring me food and he was on his way home down 45 South Yes. And he they pulled over and they pulled over and they drove through something in the middle of the night for me and you know you bring me food you're in my heart forever and now

08:51

he's gonna be on city council before you know it.

s Scott Lewis 08:54

Oh yeah. No yeah yes, do you don't own a house?

09:00

Yeah, well, you know

s Scott Lewis 09:06

Oh wow, that is really oh my god he spent some coins on this Are those real diamonds? And emeralds? Yeah, it's kind of like a god how would you describe that? It's a little hook. It's kind of like a little hook that that comes back behind the ear. It's not a complete hoop and then it's, it's in baguette form. It's got a an emerald than a diamond and an emerald and a diamond. And wow, that is Yeah, isn't that pretty?

10:29

Over it's over last and I know I know they sell singles over there. Because you just got one Yeah, yeah, let's do it. Well, it's one of those so am I one of the very few places you can buy good quality here. Single really

s Scott Lewis 10:43

they you know these like the ones I'm wearing are pretty heavy Sterling Yeah, and I think there were 22 bucks for the pair with the it's got the little bands on it i love i silver listed as the greatest and in fact I think I took in something little lobster club sterling silver bracelet in there. And the lobster claw clasp had broken and he took it back and did something to it and came out and I said how much do I owe you? And he said oh no don't worry about it and I said no at least them you fixed it give me just a few dollars you know \$5 Or something Herschel is great and he said next time you want some silver jewelry just come by it here very good. I thought well then I didn't I went in and bought these earrings. You got it.

11:21

Did they make other kinds of rings?

s Scott Lewis 11:24

Like your earring is gold? No.

11:28

I don't mean no.

11:31

No, I know it says silver less but they have a large selection of

s Scott Lewis 11:34

gold because that's all I wear. Jimmy just went there because it was named lust was in the well now.

11:39

I mean rings for other parts of the anatomy. No, I haven't seen those

11:43

there. Those are over at leather by boots. Yeah. Wait, we're still making server list because I ran into

s Scott Lewis 11:54

we go from Joe wants to come.

11:59

Damn. Well, I don't know does Joe maybe Joe Watts has one

s Scott Lewis 12:04

well, you know you don't know you

12:06

want to get a good seller. Cochrane. Okay. Hey, can you set clock on the radio? No. Okay. Okay.

s Scott Lewis 12:14

Joe Watts has always put on the best small theater production got I have always got I've never been to a Joe watch production. I didn't enjoy yes theater nut.

12:24

Yes. And I wish he would be you know, I don't know Maybe he likes being the wandering minstrel. But I wish there was like a place that was the Joe Watts theater or something. You know, he could use like a spare bedroom or so I don't know. Anyway, they're putting on sorted lives. It says the group which is the name of his his group, the group theater, courageously present. Sorted ly.

12:55

Anyway, anyway, it's playing at the paradox theater. That's 3722. Washington. That's right off of wall drive.

s Scott Lewis 13:06

Take some courage to drive over there.

13:07

That's it. started August the 14th running through September the 26th. Friday and Saturday nights at eight o'clock. Is that Sunday matinees at four? Is that the Little Theater that's

s Scott Lewis 13:21

right there were a Rockefellers is I've never been there. It's just it's I think it's right over there. nation's bank. Okay. It's a real nice little theater and they have little wine. You can get in there stuff. Mr. Lewis always gets tossed in there.

13:33

I see. What have you been to the Little Theater? The little room got into that little room downstairs.

s Scott Lewis 13:39

I went to that when it very first opened. What was the first production they did? Some guy ran around naked the whole time. Wow.

13:45

That's, that's why he was there.

Scott Lewis 13:48

That's a neat little theater also in a rough neighborhood. No, they moved there over on Bissonnette now. Oh, see now haven't been over there. So they must be doing well, if they can afford real estate on Bissonnette. Well, it's

13:58

It's got about 30 seats in there. Well, that's not they're doing some stuff over there. You're gonna hear that with big Ryan Michelle, in about 10 minutes. We

Scott Lewis 14:06

always I always find that there's real good small theater here in Houston, especially for the gay community. Speaking of which, I was talking to Ray hill a couple days day before yesterday, I think and I think his play is running again. Yes. No, I have not read a bad word about this play. Every review I read about this thing is glowing.

14:28

It is because it's good. It's entertaining it Yes. You saw that the little room downstairs, okay. And they did it when they were doing the bar thing. And he was it was wonderful because it showed right now I don't even know if he told me. Oh, I forget and he's gonna kill me. Right? If you're

Scott Lewis 14:45

listening, calling and pump, you know, plug your show or if anybody knows we're Raiders rainhill to prison years. It's

14:51

a person here. See? I'm gonna go see it. It's wonderful. It's wonderful. I've heard it's just great. And the reason is they were doing Every Wednesday night at the law room downstairs, but they had to move it because they couldn't accommodate all the people. Yeah, it's just getting

Scott Lewis 15:07

rave reviews. Right? It's funny Ray was telling me he just got his first rejection. I don't know if I should tell this story. He just got his first rejection letter in his entire life. And the key word I think was a letter because I didn't want to bring up more stores. Okay. But from Columbia

Pictures, I think it was about the I guess they're trying to and they record Columbia Pictures recommended. He did a book and I said, Well, that may be one avenue do a book. And in the book,

15:33

he was he had written a screenplay. He wants to go straight to film. He had written the screenplay. And so we got he got turned down. You know,

s Scott Lewis 15:39

he did but just by color is first one. And certainly his. His life story. Certainly probably, I think would make an interesting movie.

15:48

Okay, I've got big Roy came in here. Boy, all the phone lines.

s Scott Lewis 15:53

2657385 to six KPFT try to get through. It's

15:57

incredible. Rock big rock came in here with a list of things that people have said let's see Bill from for West Houston. As a music requested set up by the airport. I don't think so. Which airport you're talking about. Houston airport. I don't

s Scott Lewis 16:16

have the Alamo bill. If you can see the Alamo. You're in Far West Houston. If you can see the Alamo. There's a little Mexican restaurant over there. Could you go over there and get me a cup of sour cream enchiladas. Those are fabulous. You run right over here to the station.

16:32

Yeah, that'd be great on your pizza. Let's see. And he has a musical request that will we'll do later. The Spock sodomy party. That's a favorite of a lot of folks. Sodomy party

s Scott Lewis 16:47

I used to have those in my house every time. I remember

16:50

that. Number two, so it's glad we that we're on every Saturday night and wish you were on six hours every Saturday. Oh, Bill. And number three if you have a cookie I see. And number three,

17:07

Scott Lewis 18:38

happy to have silly I do want to tell people that raise bring this way. Yeah, the actors workshop.

18:45

Yes. That's where it is. Have you just thought of

s

Scott Lewis 18:48

that? No. Somebody whispered in my ear about five minutes ago. Gosh.

o

18:50

Okay, and what's that request for a transgendered song if I can't you know if I can't figure Janis Joplin. Oh, great. I love Janis Joplin. It's gonna be a story, Teresa, who's supposed to be here like right now.

s

Scott Lewis 19:15

I tell you what, five to 657385 to six KPFT be part of the insanity. Speaking of insanity,

o

19:24

yes. How do you like that pizza?

s

Scott Lewis 19:26

I'm loving it so much. I wish you'd play that song so I could go eat it. Oh, I see. Okay, so is this the song really for the transgendered? Or is this something different? Sure.

o

19:33

Why not? I can't think of a reason well, because I love Janis Joplin. I'll play Janis Joplin whenever somebody asked for her, which this is off of her brand new album, and he's looking to me, like what?

s

Scott Lewis 19:50

Dead 24 Janis Joplin has been so defamed here tonight. We've got some lesbian I'm accused of digging her up and having sex with a call are in the first hour in the second hour. She's got a new album he does from the grave.

o

20:06

Well that will you say very Phyllis Hyman. It just came out. It's Janis Joplin with big brother in the holding company. It's their live concert at Winterland 1968. Francisco, after they had done a tour of the United States, they came back and did this big concert. And there's some songs on

it that I had not heard of. And they've got three songs, three versions of my favorite songs that I really, really like and listen to all three. No, just just just the big one. Just the big two that

20:45

we always like the big one.

**Scott Lewis 20:49**

There it is. All night long music madness and mayhem. Give us a call five to 65738526 KPFT. If you have a music request, if you're home alone, if you're high, don't call dude. And

21:03

Chris is out there. Give us a call.

21:06

From the Wizard of Oz. Come out come out wherever you are.

21:10

Janis Joplin with a great, great song. She does a little intro to this two piece of my heart and you're hearing it on after hours queer radio with attitude on KPFT Houston and ke O 's College Station

**Jimmy Carper 21:31**

Oh, Janis Joplin. And that's for all those transgendered folks out there. And, and that's, that's not all. We've got lots of more music for everyone out there, because we all enjoy it. You are listening to after hours, queer radio with attitude on KPFT Houston and ke O 's College Station. And it's about time for the news, I think, isn't it? Oh, yeah. Oh, yeah. That's news music.

22:15

There you go. News with big Roy and Michelle.

22:19

Good evening, Michelle.

M

Michelle Meyers 22:21

Hi, Roy. How are you?

o

22:22

I'm hearing I'm queer. Hello, all you out there in radio land. Welcome to this week's edition of after hours news with Michelle and dig Roy. And we want to start the news of this week with the gay Democrats. Gay people who are Democrats are beginning to organize formally here in Houston. And the Democratic Party has been the natural home for many people in the gay community. And they're going to be calling themselves the Stonewall Democrats in honor of the Stonewall riots. And they're going to hold their first meeting in a couple of days here. Believe it's Monday on August 31, at 7pm at the Democratic Party headquarters at 2404. The branch near MC Bill Binney. And that's, again, that's the Democratic Party headquarters. And the meeting is going to be at 7pm. It's the Stonewall Democrats, and the Stonewall Democrats has been formed to answer growing attacks from conservative and right wing Republicans. The meeting plans to focus on voter registration and education for the November elections. Now forming a group for gay Democrats comes at a time when gay Republicans in Houston and across the state have been at the forefront of national political debate on gays and lesbians. In June, the State Chapter of the Log Cabin Republicans supported by several Houston members protested in Fort Worth near the convention of the Texas Republican Party, which refused booth space before the group. The protest and the states parties reaction attested to the national spotlight during a summer when the religious right and conservatives attacked gays and lesbians. So again, if you consider yourself a Democrat and would like to become part of the Stonewall Democrats come to the Denver the Harris County Democratic Party headquarters at 2404. Law branch at Nikhil Benny. For more information, you can contact them at area code 713-521-4539. That's five to 14539

M

Michelle Meyers 24:51

Yeah, their big push is is for voter registration right now because I mean, it's August and it's hot out there. there. And we think about the election coming when it's nice and cool. Like in November, this year, it's going to be November 3, it's always the first Tuesday after the first Monday in November, right. However, we have only like one more like, one more month to get ready to register. This is the end of August. So you can register from now until about the end of September. So you go, and then after you register, you've got to be a, you know, you've got to be registered for 30 days in order to vote. And so if you count that back, you've got to be registered by the fourth of October. And you better do it sooner that that's only like five weeks away.

o

25:54

Right? And after you've registered to vote, get out there and vote.

M

Michelle Meyers 25:59

Oh, yes, the first first step is to register and you may register to vote at any time. In order to register, you have to be at least 17 years and 10 months old. Once you know you can you can your voter registration becomes effective, either 30 days after you register, or when you reach your 18th birthday, whichever is later. So if you're if you're going to be 18 before

26:42

election day before election

Michelle Meyers 26:43

day, you can register. And you can vote in order to vote, you must be a citizen. And that's it. Oh, you so you've got to be the right age, and you've got to be a citizen.

27:02

You've got to reside within Harris County, in order to register as a

Michelle Meyers 27:06

well in order to register in Harris County, you've got to be a resident parish. Excuse me. Now, if anybody wants to pick up a voter registration card, they can actually just go to the community center, because the Stonewall Democrats, one of them came by today and left a packet of registration cards. How about that. So come by the Community Center at 803. Hawthorne, you can pick one of those up.

27:38

And we also have them here at the station. Oh, we do where we have a big pile of we have some in our mail drop, we have trim all over

Michelle Meyers 27:49

our lobby, okay, so you can come by the station, but you can come by the community center. And once you get your voter registration card, if you're want to fill it out, and you have some problems or some questions, there's a number that you can call for assistance, and call the Secretary of State's office our toll free number. And that number is one 800 252 vote. That's 1-800-252-8683. Remember, it's very, very important to vote, it is your right and your responsibility.

28:32

I believe I believe in a person's duty because as a gay man, I can honestly say that there are

there have been many people in the community who have shared blood for gay rights. And as an American citizen, there are many people who have died so that we could have that right to vote. There are many people all over the country. I mean, all over the world, who are who may have the right to vote but are afraid to vote, because of different paramilitary groups hiding out in jungles and everything else. And there are still communist countries in which people don't get a chance to vote. So are you know, we have a very unique, unique opportunity. Now.

Michelle Meyers 29:24

Remember, in order to vote, you have to register and you have to be registered before the fourth of October to get out there, get your registration and get prepared to participate. Okay, what's your name?

29:39

Okay. Coming up on September 13, at Mary's, you can get your flu shots, and that's being sponsored by the Montrose clinic. So and that's very important because we got all kinds of crazy strains of flu. And if you don't get your flu shot you could get catch the flu. and it could develop into pneumonia. Now, this year, I'm going to make sure that I get my flu shot. I did not get a flu shot last year. And I wound up missing a show.

Michelle Meyers 30:11

Oh, yeah. That's the 13th. That's a Sunday. And that's two weeks from, like today. All right. Oh, so give us give us give us the address.

30:26

Mary's address is that 1022 Westheimer. And he can call them at 5279669. Area code 713. Also on September 13, we're going to have Mary's annual dog show. And if you've never attended this, this is this is a fun event and it's free. And you get to see no all the gay lesbian, bisexual transgender people who have their real poachers, and they get them in little bows, and they walk them and they have such

Michelle Meyers 31:06

real dogs, like a real dog show. And stuff like that. Oh, cool.

Roy 31:11
