- G** Gigi 00:01  
Watching this for the first time. Wow. And she just, you know, the baby was thrashing she was afraid it was gonna break its back thrashing about on this board. And I know I would be, you know, it's just a horrible practice and that's just for male circumcision which is done in this case.
- J** Jimmy Carper 00:23  
Let's not even start on female circumcision. Now that just makes me crazy.
- G** Gigi 00:30  
Well there's two things and females there's female circumcision, where they just removed the foreskin. And then there's clutter activates right? I remade the whole clitoris.
- J** Jimmy Carper 00:39  
It's like removing your deck Hello? Well,
- G** Gigi 00:43  
in ancient times, not only did they do clutter activities on females, to try to control sexuality and keep people monogamous. But they also practice what's called flagellation on males. Which is basically removing all the skin off the penis.
- J** Jimmy Carper 01:03

Oh, boy. They were singing so high. Yeah.

G

Gigi 01:11

I bring this app. I mean, because, you know, it's something we don't talk about a whole lot. And it's something that, you know, when I went first started searching for a way to restore mine, I went to several doctors. And I had one doctor even turn and look at me and say, Why do you want to do something so unnatural?

J

Jimmy Carper 01:39

That's incredible. cutting it off in the first place is a natural thing. Right? Right, right. Oh, that's incredible. I've, I've known a couple of two adults that went through circumcision. And I tried to talk them out of it. Oh, I

G

Gigi 01:56

knew one that went through it. And I tried to talk him out of it. A year later, he came back to me and he said I wish you had

J

Jimmy Carper 02:04

now. The other side of the coin is recently I know of a man who had it done. Yeah, because of medical reasons. Because it was so tight that it became tight and the head could not come out anymore. And so he had to have it done.

G

Gigi 02:23

That's not necessarily true. Oh

J

Jimmy Carper 02:27

yeah. I came in here with a big ol cup of coffee. I thought it was for me. And it's hers. Oh well,

G

Gigi 02:36

but um, basically there you know even in that situation it can be really stretched out takes time and it takes a lot of patience believe well take me about two years to stretch man. And I'm still wanting to go a little further I'd like to get a little longer but but it's pretty good coverage. Okay. Basically to if anybody is interested to restore the foreskin the it's basically a pretty easy

thing. What you do is pull what skin you have over the tip when you're soft. That's the tricky part. And typing it off and leaving it that way for long periods of time new tax rates or anything you can there are some other methods but I've never tried those so

J Jimmy Carper 03:26

I can't imagine you know with this weight hanging down your trouser like

S Scott Lewis 03:31

that. I found that last night testing as it was@peanuts.com Though penis city.com Disgusting.

G Gigi 03:39

But basically just typing off the skin and leaving it that way will over time stretch the skin and it starts growing new layers actually grows longer.

J Jimmy Carper 03:54

What do you know? Was that white medical tape or?

G Gigi 03:56

Well yeah, I use that because if you use some types of the fabric rather than the paper so that the edge of the tape doesn't cut the skin

J Jimmy Carper 04:09

I can imagine after why there might get kind of irritating

G Gigi 04:12

Yeah, can and even wearing it for days and days on end. It gets a little tender from stretching. What about when you get an erection? While that's part of what helps stretch it?

J Jimmy Carper 04:26

Oh,

G Gigi 04:27

-  
you don't untape it you just leave it there.

J Jimmy Carper 04:29

Oh my gosh.

G Gigi 04:31

Well, it's not as bad as you might think. I mean skin is very elastic.

J Jimmy Carper 04:37

Not mine.

G Gigi 04:38

Oh, you'd be surprised. The thing is that you leave it that way, a long period of time and it's granted the first few two months was probably the most painful but after that it started getting longer and longer.

J Jimmy Carper 04:56

How long did it take total? All in all,

G Gigi 04:59

I'm It took me about two years, but I wasn't doing it in one

J Jimmy Carper 05:04

damn stretch I took so this is a lengthy process. I mean, you're you can't you know, like start and

G Gigi 05:14

shorten it if you do it religiously every day every night. Never take it off.

J Jimmy Carper 05:20

Yeah, but a half what?

G Gigi 05:24

Not be about eight to 10 months. Still Still Still along? Wow. I mean, you take it off that so actually take it off for Well, I would think so. The shower. Now you don't have to

J Jimmy Carper 05:39

take it off to be. I don't want to think about this. Now. How has it changed your sex life? When I ask you this? Yeah, that's kind of the big thing, isn't it? Yes.

G Gigi 05:51

One thing about the gland of the penis. The reason we have four skins, it's supposed to be a moist membrane. Yes. And when you cut the foreskin off, it dries it out, and it starts rubbing on clothing and all kinds of things, right? When that starts happening, you start growing added layers of skin, and it gets thicker, and the nerve endings recede. Okay. And what happens is that you lose some sensitivity during sex, which wasn't a problem for me until aids came along. And all of a sudden, we had to wear condoms, right. And I can barely feel anything through it. So what I, you know, I really became intrigued with this, I had some friends that showed me some real offbeat magazines. And then someone turned me on to this book. And I thought, Well, I'm gonna give this a try. So I started working on it. And immediately, you know, within the first three weeks, I started gaining more sensitivity because the gland was being protected, and staying moist all the time. And I noticed the first few weeks, I was shedding skin, layers of skin. And all of a sudden, I started gaining so much sensitivity that I could feel everything through a condom. And it just made the whole difference. I mean, I don't think I could have practice safe sex without this.

J Jimmy Carper 07:29

So it has made a big difference in your sex life.

G Gigi 07:32

Because like I say, I couldn't feel anything to a condom. And now I can feel everything. And, you know, if you can't feel something, why do

J Jimmy Carper 07:45

I want to be on that?

G Gigi 07:47

So, you know, that was the biggest benefit but the other benefit number is kind of like the way it looks being covered. And the way up to

**J** Jimmy Carper 07:59

Scott Lewis is just sitting here like in a daze. Oh, yes. I've never seen some something shut her up.

**G** Gigi 08:08

The nice thing is that Jerry Springer. The nice thing about it is that it does keep you from being irritated by all kinds of things just in day to day life. And you know, because the tip of the penis is very sensitive material. And it's meant to be you know,

**J** Jimmy Carper 08:35

yes, but Well, we've got a couple of phone lines lit up. So I don't know if these are people calling in kind of cringing about what you're talking about or focusing still are calling in for that cassette.

**G** Gigi 08:48

And we have 31 before. Yeah, we're

**J** Jimmy Carper 08:51

not closing it off yet. Yeah. Okay, I just want to mention that you can call in for that cassette of pride. 98. We're giving them away

**S** Scott Lewis 09:00

we have 30. So everybody listening gets one.

**J** Jimmy Carper 09:04

That's 526-573-8526 KPFT. We're talking where this is after hours, we're talking to JG about foreskin restoration. And what's the name of the book.

**G** Gigi 09:17

The name of the book is called D circumcision, circumcision practices and foreskin restoration methods. And it's by Gary M. Griffin MBA. And I don't know if you can even get it through

bookstores. I haven't seen it in bookstore. Where did you get it? Like I said a friend gave it Oh, okay. But I've got an address. It's published by added dimensions publishing 4216 Beverly Boulevard Suite 262 Los Angeles, California 904. So imagine right to them. You could get some information now but if You

 10:00

another pun added dimensions, added dimensions.

 Jimmy Carper 10:04

But you know, I've seen recently like at crossroads and Lobo other books on foreskin restoration and D circumcision. Now on this back

 Gigi 10:15

they do go through a surgical restaurant. But they don't you know, they kind of warn against everything I've heard is that it really backfired, okay? The skin of the penis is very unique skin, and there's no other by far So has that kind of skin. And when you start doing grass and stuff, it just didn't work out.

 Jimmy Carper 10:43

But Jim looks kind of amazed also. I was like, Ooh, ouch. Like we're all kind of cringing. And Michelle,

 Michelle Meyers 10:54

is there any campaign to like, cut back on the amount of circumcision? Yeah, children. Yes.

 Jimmy Carper 11:01

Yes. As a matter

 Gigi 11:02

of fact, there's several groups one is called no circ Hang on. There's no Cirque NSCI our see national organization, circumcision information and resource centers. And that's in and Selma, California. Telephone Area code 415-488-9883. It's a non profit organization. And then there's a group called the intact Educational Foundation. Box five, Wilber am Ma, Massachusetts. Yes. And it's Oh, 1095.

**M** Michelle Meyers 11:50  
I wonder if they're working with and then HMOs and insurance companies? I don't know. I mean, I mean, you cut that you cut that out shaver 14

**G** Gigi 12:08  
There's also a group called informed consent. And it sends out a newsletter and has a videotape on infant circumcision. And it's P.O. box 493 fourths needles, California 94933.

**M** Michelle Meyers 12:26  
Of course, there's the AML AML, anti moil leads.

**G** Gigi 12:33  
Then there's a couple of other anti

**M** Michelle Meyers 12:35  
oil the Morial is a fellow who's Jewish job is to do circumstantial oil.

**S** Scott Lewis 12:45  
He performs the circumcision. It's not that he's called an oil. Oh,

**J** Jimmy Carper 12:52  
I never do that.

**S** Scott Lewis 12:53  
Don't you watch Matt about you?

**J** Jimmy Carper 12:55  
Know, hell, I've got a Jewish husband. Why don't I know that? He was running from from, I guess, I don't know.

**G** Gaii 13:06

There's also a group called Green new Resource Exchange for non surgical circumcision.

**S** Scott Lewis 13:13

These acronyms

**G** Gigi 13:16

not quite. See Jim Bigelow, Ph. D. 315. Congress Avenue Pacific Grove, California. 9395. There's recap. Recover apenas are Wayne Griffis? Ms. M Ed. And it's 3205, Northwood Drive Suite. 209. Concord, California. 9452. Yeah, okay. So I've got two resources out there. I just divide are interested. Okay.

**J** Jimmy Carper 13:53

Cool stuff to know. Let's get back to some music. And some festive some. Yeah, something festive. In fact, this is for Merlin. And I thought Merlin would be here tonight actually the magician. Well, he's

**G** Gigi 14:09

worked mismatching.

**J** Jimmy Carper 14:10

He pretty magical. I'll tell ya. We were

**G** Gigi 14:13

all naked. The 90 was up here. Yeah.

**J** Jimmy Carper 14:18

Radio seriously, they were naked.

**S** Scott Lewis 14:21

I know. I know how she is. I've seen her bring her toys in here. I say okay. Hey, get out again. There's still a couple more of those cassettes. Oh, okay.

 Jimmy Carper 14:30  
Almost all of them away right now.

 Scott Lewis 14:32  
That's my story and I'm sticking to it. That's

 Jimmy Carper 14:33  
right pride 98 A cassette that that's put out by bMg. Yeah. Fun. Fun music. Call now Martha washes on there. Yeah.

 Scott Lewis 14:45  
There Franklin. Backstreet Boys love Whoo. There you go

 14:49  
live.

 Gigi 14:51  
And before we move on, I do want to throw in one last word on the circumcision. Yes. You know, a lot of times we are kind of at the mercy of the medical community. And I think the biggest incentive for me was just the impairment of being able to do something with my own body by my own choice and volition, even when the medical community setting empowering, feeling good, very able to have control over one's own body and how it works and how you want it to work.

 Jimmy Carper 15:29  
Yeah. Okay. Thank you, Gigi. Okay, this like I said, this is for Merlin. It's he knows exactly what I'm going to play. It's a fun song by the velvet mafia. Wonderful group out of New York they got got their start at the Dean Johnson. Heads up this group got their start at the Squeezebox in New York. Lots queer music coming out of the box. I

 Scott Lewis 15:56  
thought that was your nickname and to French Quarter Hey, hey, hey.

 .. - - - - -

J Jimmy Carper 16:00

A lot of queer stuff coming out of Squeezebox when you were square Squeezebox, you know, it's queer. And they have a brand new CD out called we know where you live asker I haven't seen it anywhere to tell you the truth. So we got to we got to get it you know like it the Lobo and actually bow bow. This is not a crossroads kind of hand. Crossroads does mostly women's music and dance music, allegedly, well, whatever and dance moves. But you'll find a lot more varied stuff over at Lobo. And those are our only two sources except for sound waves here in the Montrose but you have to know what you're looking for Record

S Scott Lewis 16:47

Rack over there. Bruce got on it record.

J Jimmy Carper 16:49

Oh, of course. Yeah, he's

S Scott Lewis 16:51

got everything. He's

J Jimmy Carper 16:51

great. Yeah, but Well, he's

S Scott Lewis 16:53

not great. But allegedly, but uh, yeah, the record store is great. Yeah,

J Jimmy Carper 16:57

but it but like those two well, especially at soundwaves it's not going to be in any queer section. You know, you have to know what you're looking for anyway, if enough gabbing velvet mafia, with Merlin's favorite song, deli bar, you're hearing it on after hours courier radio with attitude on KPFT Houston and ke o s College Station well that was pappy or wasn't it?

S Scott Lewis 17:28

That was a lot peppier. Say. Speaking of Pepe if there's anybody out there named Pepe Oh, I fell into just a couple more of those cassettes left that's my story and I'm sticking to it. And

J

 Jimmy Carper 17:42  
pride 98 said Well,

 Scott Lewis 17:43  
it's a great little neat cassette and stuff and listen kids were stuck here till six in the morning so you just give us context when these cassettes off our hands so I don't have to hock them until six o'clock okay

 Jimmy Carper 17:54  
526573852 6k PFT

 Scott Lewis 18:00  
I want to have fun little Brian little dragged over a little bit Midler with my favorites. Yeah, cuz

 Jimmy Carper 18:06  
she awkward. But you know she's she's

 Scott Lewis 18:09  
paid this is for you if you're out there

 Jimmy Carper 18:18  
Oh, oh, bad, honey. Oh, does she do it on that one.

 Scott Lewis 18:25  
Now? You know, I don't gossip. No, I don't believe in gossip. We're talking about people behind their back. I am so glad. So I hope Goldie Hawn is listening. Because I wouldn't want to say anything about her behind her back. You know, they did that movie together. Bette Midler and Goldie Hawn that First Wives Club and a huge hit. They want to do a sequel.

 18:46  
Yeah, well, evidently allegedly. Yeah, Allegedly. Allegedly, Goldie Hawn

**S** Scott Lewis 18:52

was very difficult to work with on this picture. Oh, and so they don't want her back for the second film. Oh, and guess who they're talking to? Who are they talking to Barbra Streisand? Yes. And Bette Midler and Barbra Streisand have been wanting to do a project together for a very long time talking about difficult. Yeah, it was not like she'll take over the film from the

**J** Jimmy Carper 19:13

film and from the pan into the fire. We're talking about big difficult

**S** Scott Lewis 19:19

to perfectionist. Today we were today I was at a friend of mine. I spent the night with a couple of friends last night. And we're watching him on the satellite dishes was 347,000 channels.

**J** Jimmy Carper 19:31

Oh, no. No, that was that about Yeah.

**S** Scott Lewis 19:35

And so now we're flipping through the channels and Amityville Horror was on that old harm for the 70s Yeah, I never seen it or anything. But you know James Brolin is in that and he looks like Charles Manson. Oh, my God, you're watching this go. And, you know, I wonder if he and Babs sat down at any point during their engagement and watch this film together? I don't think the wedding would have gone down.

**J** Jimmy Carper 19:56

Probably not. Probably not.

**S** Scott Lewis 19:58

Five to 65738 Five to six KPFT if you're sitting at home alone bored, stop masturbating. Call us right now. 5265738 I guarantee it'll be more entertaining than what you're doing. Why

**J** Jimmy Carper 20:11

do you want people to stop masturbating? I mean, you know,

**S** Scott Lewis 20:14

**S** Scott Lewis 20:14

because I can't be masturbating right now. So why should they? Well, good point. Course I'm actually waiting for him to show so I'm so glad you did. I gotta get some new movies though. I am so sick of the same three movies. Does anybody have any good movies? You could run them down here right now be here till six. Drop them off. And yeah, I'm so tired of frisky summer three. I need a new one.

**J** Jimmy Carper 20:43

For a ski summer three

**S** Scott Lewis 20:45

Bellamy. It's those little y'all like me. She like this. It's those little uncircumcised Bellamy boys. I love those guys. They're all they're all 16 Now they're 18 Of course, you have 16 Oh, get your 20 sister. Amen to tell you. But yeah, they're all like 18 Beautiful little 18 year old European boys with that, whose parents didn't believe in circumcision, and they just look like they're having such a good time. They just keep looking at you in the camera and go Miss Scott Lewis, why don't you come join us. But

**J** Jimmy Carper 21:18

they're not saying that.

**S** Scott Lewis 21:20

To me, it's in some foreign language. That's what they're saying. And I'm pretty I'm pretty confident of that. Oh, yeah. So anyway, what's going on in your world? Jimmy, what's playing today? What's playing the French Quarter?

**J** Jimmy Carper 21:33

You know, we were talking about that last week because the city is really hassling the French Quarter right. And he weren't there when he got raided or something. No, no, no, no. So I haven't been there. I'm sick all week so I don't know what's going on.

**S** Scott Lewis 21:49

Can you bring this up because you think it's going to help the ratings deaden story I've ever heard so anyway, we got our traffic report the jack in the box at Montrose and Westheimer is packed. It's about a 45 minute wait, and it's a it's a come in. It's a mess and over there it's about a 45 minute wait for those greasy tacos. There are three separate drug deals going down on Lovett Boulevard so that's your that's your report here from KPFT if you need tacos or drugs no you

Jimmy Carper 22:29

did did he hear from drag Capella, which is a group of four drag queens and it looks kind of cute let's hear it's a little minute song we'll be right back.

22:37

He do. Bum Bum Bum bom bom. Bom Bom Bom. Bom Bom Bom Bom. Bom. Bom. Bom. Bom. Bom.

22:53

Bom. Bom went down. So hard. Or Monet's Best Buy One was bad. Really bad but Tom Cruise for traction is had action lots of tension did I mentioned bum

23:14

Jimmy Carper 23:40

Oh, okay, that's a bunch of drag queens that are dishing the movie. So

23:48

kappa leaving such a bit

Jimmy Carper 23:50

Hello? Hello. Hello.

Scott Lewis 23:52

Do you know Miss David Fuller? I

Jimmy Carper 23:53

do not. Yes, I do. We've met

**S** Scott Lewis 23:56  
Miss David Fuller. Oh, what a mess hello

**J** Jimmy Carper 23:58  
David. Hello into my into this thing?

**S** Scott Lewis 24:03  
No How you doing? David's the DJ over at AJ J's who has that beautiful new two by six plywood dance floor.

 24:12  
That is really good. I mean I six

**S** Scott Lewis 24:15  
they laid down some two by sixes and put some

**J** Jimmy Carper 24:18  
thought it was two foot by six foot now.

**S** Scott Lewis 24:23  
But your last lumber was no, they got some two by sixes to the Home Depot. And they brought up this money thing to say the word to it makes no sense in the sentence but it's Home Depot home od when they go to Home Depot. Yeah, it is. You know you can pick up tricks in the Berber carpet. I'll bet if you get over there by the Berber carpets, you're getting laid. It's not only a karmic get rained. It's not only the carbon anyway. Yeah, they got some two by sixes in the ELMO depot. And they they threw those down and They're 100 bucks. And they put in nobody it actually gets huge and it's really nice. Well,

**J** Jimmy Carper 25:07  
we were talking about that last week how that like this back patio has been like encompassed, you know, yeah, they took a butterfly exhibit now. We can know some some plants and

**S** Scott Lewis 25:22  
set because the other day I was over there. I was talking to David Scott Kennedy and I went out

set because the other day I was over there. I was talking to David Scott Kennedy and I went out a couple nights ago, and they had just laid the varnish over this floor. kinda looked like a hardwood floor. Well, I guess it is hardwood. Knocked in the head. It's pretty hard. Yeah. So anyway, so I'm looking at it. I thought, well, wow, that looks real nice. Hardwood flooring here and everything. And so they had it all blocked off. You couldn't get in there at all. And David's DJ booth is in there. So they had just little area where you could walk right to where David was. It couldn't have been four feet by four feet. And they have plastic on the floor. Oh my god. And then somebody came over who? Yeah, I don't remember who it was at the owner of the bar and in what some people may have taken as a snide tone. Yeah, you know, the floor hasn't dried yet. Could we keep that traffic time at alarm? And I thought, well, you know, the floor it's a nice new floor and everything. You know, I wouldn't be upset too. And then I went back two nights later. They're friggin two by sixes for Christ's sake. You put out 12 bucks for the whole room. Oh, Miss thang. Get a life.

 Jimmy Carper 26:40

Well, he needed to I love it. And he needed new inlines I guess I don't know.

 Scott Lewis 26:47

Friggin Burt.

 Jimmy Carper 26:47

The last time I saw him was at my barber shop. And he had that bird on his shoulder didn't know. He was He skated there he?

 Scott Lewis 26:56

He does he skates everywhere. Everyone has everywhere on his shoulder.

 27:01

That's what it is.

 Jimmy Carper 27:02

It's a roller way

 Scott Lewis 27:04

or disco for Ed. Love it a little behind on the trends here, sweetie? What the hell a roller disco I see it happening. But anyway, so he was at the barbershop. Was he sober?

J Jimmy Carper 27:16  
Apparently, well, I didn't, you know, kiss him or anything. So

S Scott Lewis 27:23  
I've seen it very effectively.

J Jimmy Carper 27:28  
AJs is one of the oldest bars around. It's been in several different locations. I didn't know that.  
Yeah, celebrated

M Michelle Meyers 27:34  
our 25th anniversary. Say Oh, see. Now

J Jimmy Carper 27:37  
I had a long time. That's what I have. No, I think I think you're older than Mary's. I'm not I don't  
think Mary's is

S Scott Lewis 27:44  
a couple of years. A year a little bit older. Age.

J Jimmy Carper 27:47  
Briarpatch is older than I think that's the oldest.

S Scott Lewis 27:51  
Well, the clientele anyway.

J Jimmy Carper 27:54  
I know it's the oldest because I remember going there as a teenager.

S Scott Lewis 27:56

**S** Scott Lewis 27:58

Their grand opening was in a cave. And so what happens is the thing that neat about EJ is that I really like about EJC they have the stiffest drinks and the stiffest prostitutes in this town. To be had for 450 or 450. You can get blown and drunk for forfeit. They do

**J** Jimmy Carper 28:20

want to talk about your show for the air was hearing strong

**S** Scott Lewis 28:22

with those cocktails is when he cocktails he's not going to make a living there with those ounce and a half shots. Fill my glass with vodka. That's all I have to say. Hey, Grandma, love you mean it. Grandma can make some burgers.

**J** Jimmy Carper 28:36

I love grandma grandma's burger.

**S** Scott Lewis 28:38

That's one of the things I love about the gay community is you can eat everywhere real cheap, David now you can't tell by looking at us that we like to eat. And yeah, grandma makes a great double cheeseburger. Yeah.

**J** Jimmy Carper 28:49

And you know their steak night at the BRB and you know, burger night at EJ and the wonderful thing that I love about our community, the really wonderful thing is on holidays now on holidays. There's always a spread at the at the bars Thanksgiving. Yes. That is like Thanksgiving, Christmas, Easter. You name it. There's this Gigi's house. Miss Gigi spreads on. Oh, yes, please. Michelle

**M** Michelle Meyers 29:17

Yeah, Thanksgiving is it starts like 11 o'clock in the morning and occurs till 12 o'clock at night.

**J** Jimmy Carper 29:25

Oh, it's different. Yes, yes.

S

Scott Lewis 29:29

No, yeah. Most incredible BRB just steak night and that's great and everything but you know the thing about the BRB Oh, here we go. Yeah, there we go. Yeah, have to get out there and you had to put it on a grill yourself. Oh, and that's not so bad because then you gotta get to control you get it. But you know, your makeup runs over those coals. That's what I love about the grandma give me a double cheeseburger. I'll be over here ordering another shot. A few minutes later, she brings you this great burger. hey, would you like to go something? I believe what a lesbian ideas. Yes, I do. There's these two pretty lady that lives down the block that green house with three dogs in the yard. And I asked them why there's no daddy at their house. So they said it's because they must be Ed's. They told me it. Yes. And I see them kiss each other goodbye on their porch yesterday. I wouldn't ask mama if she knew what a lesbian was. She said she didn't know. So I told her. She knows now. I think I will change my name from either bad to lesbian or fake. It sounds cute. That's the truth

Jimmy Carper 33:55

Oh, our favorite almost lesbian. Lily Tomlin. We don't we just don't know where she stands. Well, we do but she's not going to be real overt about it. Anyway you are listening to after after hours. And in case you're missing Big Daddy J How about a little sweet Palma cotton? Maybe that will la you for a while we're going to do some dancy stuff. We're going to be pretty peppy around here for the next couple of hours, so stay tuned. Enjoy the music and the May ham because there's gonna be lots of both but right now sweet, sweet mama cotton with the sugar daddies. And my favorite of her brand new album. Called expect delays. It's called don't want no man.
