Oh yeah, you know when you get to do with be a DJ here at KPFT you get to play your own favorite music and that just happens to be my favorite, favorite song by Bonnie Raitt. And she's put out a lot of material that I really love. This is Jimmy bringing you taking you to the six o'clock hour, and I'm kinda getting more into a blues mood, except I'm going to deviate a little bit here because here's another favorite one of mine but I'll come back with some more edit James and some more other stuff. And until big Roger gets in. This is simply read. And you're listening to it on KPFT Houston, and K E. O. S College Station. Well, let's, let's do this.
