

[COUNTDOWN TICKING]

[MUSIC PLAYING]

**DAN DELEON:** I'm Dan DeLeon.

**SUZANNE** And I'm Suzanne Anderson, and you are watching *TV Montrose*.

**ANDERSON:**

**DAN DELEON:** Yes, we have a very packed show for you tonight, starting with the Mr. Gay Houston, USA contest that was held last week at Rich's.

**SUZANNE** And if you think that this is just about flexing muscles, well, you're just wrong. There's a whole lot more to it than

**ANDERSON:** that.

**DAN DELEON:** Yes, and we also have a story about the changing face of banking in the Montrose area. Three new branches just opened by one bank that hopes to attract the gay dollar.

**SUZANNE** And we're going to the rehearsal of a new gay play about to open this weekend, which, of course, will be a must

**ANDERSON:** for everybody to see this in the community.

**DAN DELEON:** And we do have a community mic by Jason somewhere on the Westheimer strip, talking about the state plan to ban gay adoptions.

**SUZANNE** And if we're going to do all these stories and get them all in, we better get started.

**ANDERSON:**

**DAN DELEON:** Let's go. First up, let's join Jason and Carlos at the Mr. Gay Houston pageant, USA.

[MUSIC PLAYING]

**CARLOS:** Hi, I'm Carlos.

**JASON:** And this is Jason.

**CARLOS:** And we're here at the official 1999 Mr. Gay Houston, USA pageant.

**JASON:** That's right, Carlos. We've got some pretty hot guys here tonight, all competing for Mr. Gay Houston, USA.

**CARLOS:** And some pretty exciting stuff.

**JASON:** That's right. We're going to go backstage and check out what's going on back there. And we're also going to talk with some of the judges, too, to find out what they're looking for in the contest.

**CARLOS:** There's a lot of folks out tonight, and good entertainment as well.

[MUSIC PLAYING]

CJ, I understand you're Mr. Gay Texas currently, and this is a preliminary for the Mr. Gay Texas pageant. What do you think of the competition tonight?

**CJ** I've been competing for about six years now. Never in my career have I ever seen such a diverse group of guys.

**HERRINGTON:** This talent is phenomenal from start to finish. Any one of these guys can take the title home tonight.

**JASON:** Yeah, there's some pretty good talent here tonight. What kinds of things are you looking for?

**MALE JUDGE:** There's been some great talent here tonight, and we're just looking for the best performer.

**JASON:** Right. What kind of things are you looking for in a performer?

**FEMALE JUDGE:** The same thing-- somebody who is entertaining and kind of [INAUDIBLE] the crowd.

**CARLOS:** Besides earning points with their well-built bodies, contestants also had to earn points as performers. Each of them produced an artistic sketch of music and dance to show just how deep their talents go beyond flexing those muscles.

[MUSIC - R. KELLY, "I BELIEVE I CAN FLY]

**CONTESTANT:** (SINGING) If I just spread my wings. I can fly. I can fly.

[MUSIC PLAYING]

**CARLOS:** After each segment of the competition, the contestants went backstage to change costumes. Next up is the action that our camera caught backstage.

I'm here with what's an equivalent to a race car pit stop. How are you doing tonight, and tell us a little bit about your nervousness. Are you nervous?

**LOUIS** I'm doing great. And, no, I'm not nervous. I'm having fun. I'm here to entertain the audience.

**BRADFORD:**

**CARLOS:** Are you having fun?

**JOHN PALMER:** Absolutely, absolutely.

**CARLOS:** Any nerves?

**JOHN PALMER:** I had them earlier, but everything got started, then I feel fine. [INAUDIBLE] get nervous, you know?

**CARLOS:** So you're over it?

**JOHN PALMER:** I'm over it.

**CARLOS:** Good.

How are you handling the nerves?

**GREGORY** No problem, whatsoever. It's just another night.

**BOSARGE:**

**CARLOS:** Well, good deal. So you did a lot of preparation?

**GREGORY** No, not really. It's kind of all last minute stuff. But it'll all pay off. Everyone's doing exceptional jobs.

**BOSARGE:**

**CARLOS:** How are you doing tonight?

**CAL HAGERTY:** Nervous.

**CARLOS:** Nervous? OK, we have somebody that's nervous tonight.

**CAL HAGERTY:** A little scary, but we have a good time. We'll do the best that we can.

**CARLOS:** So the main thing is you're having a good time?

**CAL HAGERTY:** Oh, yeah. Oh, yeah. A little late, but the crowd is having a good time. We're going to perform for them tonight.

**CARLOS:** After three hours of competition, it was time to count the points and select a winner. Which of these contestants got your vote? Contestant number one, Cal Hagerty. Contestant number two, John Palmer. Contestant number three, Mark Brown. Contestant number four, Montel Alexander. Contestant number five, Louis Bradford. Contestant number six, Gregory Bosarge.

The second runner up was contestant number one, Cal Hagerty.

**ANNOUNCER:** Show her your love.

**CARLOS:** The first runner up with contestant number six, Gregory Broussard. And the winner--

**ANNOUNCER:** Number two, Mr. John Palmer!

[CHEERING, APPLAUSE]

**JASON:** We're here with John Palmer, Mr. 1999 Gay Houston, USA. John, you just won one of the biggest contests of the year. How do you feel about that?

**JOHN PALMER:** I feel very blessed to have won. I did a lot of preparation, had a lot of sponsors who helped me. So it's not just me that won, but it's going to be a great thing for the gay community, that I won.

**JASON:** Absolutely.

**CARLOS:** Now John, the next question is, what do you have planned for this year? Do you know yet?

**JOHN PALMER:** Well, I have a lot of things planned. We need to make this better. Next year, we have a lot of work to do for Mr. Texas coming up. But just for Houston, we have a lot to do with preparation. We're making this better, have more contestants next year, have better organization, and just do it much better and have a bigger show.

**CARLOS:** And the last question is, what's the first thing you're going to do when you get home and the crowd's gone and you're there?

**JOHN PALMER:** Put this on my wall.

**CARLOS:** Good answer. For *TV Montrose*, this is Carlos Campos.

**JASON:** And I'm Jason Vincik.

**SUZANNE  
ANDERSON:** Dan, those guys really did do a lot more than just flex their muscles and look butch and terrific in a thong.

**DAN DELEON:** They sure did. They really showed artistic talent and creativity in those skits.

**SUZANNE  
ANDERSON:** Well, let's take our first sponsor break. And when we return, we'll see what is changing in the banking world in the Montrose area.

**DAN DELEON:** We'll be back in two minutes.

**JOHN PALMER:** Hi, this is John Palmer, Mr. Gay Houston 1999, and you're watching *TV Montrose*.

[CHEERING]

[MUSIC PLAYING]

**SUZANNE ANDERSON:** Welcome back.

**DAN DELEON:** Yes, we are. Next up is Fred Walters with a story about Bank United officially opening up 3 new branches in the neighborhood this coming weekend. Well, take it away, Fred.

[MUSIC PLAYING]

**FRED WALTERS, JR.:** On February 6, the newest branch of Bank United will open. They'll have their grand opening celebration. With me is branch manager Harold Schultz. Harold, are you excited about the grand opening?

**HAROLD SCHULTZ:** Very excited. We've been focusing on the community of Montrose versus the branch in [INAUDIBLE] for our grand opening event.

**FRED WALTERS, JR.:** How many locations do you have?

**HAROLD SCHULTZ:** Currently, location-wise, in Houston, there's about 45. Here in Montrose, we have the privilege of having three. West Gray Krogers, inside the signature store, which has hours of 10:00 to 7:00, 9:00 to 6:00 on Saturday. The uniqueness about the grocery store's this fact that they are open seven days a week.

You could go in and fill out a loan application while you're doing your shopping, and then come back later and sign off on your paperwork, or even open an account before, during, or after your shopping.

**FRED WALTERS, JR.:** You're open seven days a week?

**HAROLD SCHULTZ:** In our Kroger grocery store, seven days a week. We also have what we call the River Oaks location, which is West Gray and Shepherd, which has the same lobby hours as our location here. Here in Montrose, we have hours of 9:00 to 3:00, Monday through Thursday, 9:00 to 6:00 on Friday, 9:00 to 1:00 on Saturday.

**FRED** And what type of services do you provide here?

**WALTERS, JR.:**

**HAROLD** It's actually a full-service bank where you come in and meet with an investment counselor to talk about  
**SCHULTZ:** investments in stocks, mutual funds, et cetera. And we also provide free checking accounts beyond the year 2000. And through 1999, we have a business value checking account that is also free.

**FRED** And what is the value for viewers of *TV Montrose*?

**WALTERS, JR.:**

**HAROLD** The value is that you're looking at a Texas-based bank that is headquartered here in Houston, and that it's a  
**SCHULTZ:** personal bank. It's a community bank that actually cares about its community and the people around it.

**FRED** Now, do you offer drive-thru services as well?

**WALTERS, JR.:**

**HAROLD** Yeah, actually, this location is very unique for Bank United in the fact that we have a drive-through ATM as well  
**SCHULTZ:** as a walk-up ATM. In most locations, they only have one or the other. Here, at this location, we're actually targeted for growth, where we have four drive-thru lanes as well as five walk-up teller lines.

Inside our lobby for the grand opening, what you'll see is five local artists that will be doing an art show and sell. They have agreed to donate one piece of art toward a silent auction. And different restaurants as well. Services have also donated to the silent auction. The silent auction money will be donated to nine agencies that service Montrose.

**FRED** Great. So it really is a bank that gives back to the community.

**WALTERS, JR.:**

**HAROLD** Definitely.  
**SCHULTZ:**

**FRED** Harold, thanks for talking with us.  
**WALTERS, JR.:**

**HAROLD** Thank you.  
**SCHULTZ:**

**FRED** Well, I've got my Starbucks coffee here. These folks think of everything. This coming Saturday, they're going to  
**WALTERS, JR.:** have a big, grand opening with a carnival-like atmosphere. There's going to be entertainment, a silent auction, lots of local artists, lots of fun people, good food. Come on out this Saturday at the corner of Richmond and Montrose for the grand opening of the new Bank U branch. This is Fred Walters, Jr. for *TV Montrose*.

**DAN DELEON:** It is really rare to see a bank branch open seven days a week for full banking services.

**SUZANNE** There's a new concept. But I think that the new accounts are really going to like this shop and bank. It's going to  
**ANDERSON:** work.

**DAN DELEON:** You know, and next up, we're going to the Bien Venue Theater for the rehearsal of the play *End of the World Party* that opens this weekend.

**SUZANNE** And you and Fred Walters are both in it, and you're going to be, like, different than you are on *TV Montrose*?

**ANDERSON:**

**DAN DELEON:** A little different, yes. It's been a wonderful experience. The writing of the play is really excellent. I don't know if it's mentioned in the story-- a writer, Dan Ranberg, that writes for *Frasier*.

**SUZANNE** So are you a good character or bad character?

**ANDERSON:**

**DAN DELEON:** Really good character. And every character just interacts with one another, and there's just so much to offer the audience.

**SUZANNE** I look forward to seeing it. Let's roll it.

**ANDERSON:**

**DAN DELEON:** OK.

[MUSIC PLAYING]

**NICK:** Hey, guys, this is Chip. Chip, these are my roommates-- Hunter, Roger, and Phil.

**CHIP:** I'll never remember all of these names.

**HUNTER:** Oh, that's OK. You'll probably never see us again.

**CHIP:** I won't?

**NICK:** He's just kidding. Let me show you my bedroom. It's upstairs.

**CHIP:** OK.

**ROGER:** Hey Nick, how's that gonorrhoea? All cleared up?

**NICK:** I heard that.

**ROGER:** I can't believe Nick got in. This isn't fair.

**HUNTER:** Well, you know what a slut Nick is. In an hour, Chip will be back on the market, slightly damaged and priced to move.

**FRED** We're on the set of *End of the World Party* at the Bien Venue Theater on Washington, and I'm with director

**WALTERS, JR.:** Christian Devries. Christian, tell us a little bit about the play.

**CHRISTIAN** Why don't you tell us a little bit about it, Fred? Fred is one of our stars. We're very happy to be here on this set of  
**DEVRIES:** *End of the World Party* at the Bien Venue Theater, with Fred Walters, who plays a major part of the seven guys who take over Fire Island, as far as I'm concerned, and Houston, with this play.

**FRED** Great. I'm going to walk around and talk to some of the characters and see what they're about.

**WALTERS, JR.:**

**STEVEN KNOTT:** Will sort of-- I don't know-- I guess is tramp of the group. He's always sort of off out for anonymous sex and things. So he's always sort of a hypochondriac, sort of sick, and that's sort of his running gag throughout the show.

**SPENCER MCCORMICK:** Chip is kind of the naive, funny, cute-- I just wanted to say that. Chip is-- Chip falls in love with everybody. He's co-dependent. He won't leave anybody alone. He keeps reappearing in Nick's life, even though Nick really wants nothing to do with him.

**FRED WALTERS, JR.:** You're kind of like the tramp whore dog.

**DAVID LEWIS:** Well, now that you put it that way, yes. And my character is like that also.

[LAUGHS]

Is that enough?

**FRED** That's enough.

**WALTERS, JR.:**

**DRAKE SIMPSON:** But Phil's a sweetheart. He's a-- he's a Sweetie Petey. And you know, he's sensitive. He's sensitive, so they cast me, because I'm sensitive. And if sparkling is a crime, arrest me.

[LAUGHTER]

**DAN DELEON:** He's kind of fading, to sort of losing his youth. He's sort of getting on in years. Not too on, about late 30s, that kind of a life awakening sort of process.

**FRED** You think everyone likes you too much. You think I like you too much, and I don't even like you.

**WALTERS, JR.:**

**NICK:** You don't? Let's get married.

**FRED** [HISSES].

**WALTERS, JR.:**

**PHIL:** So listen, if you don't like Chip that much, why don't you just break up with him?

**NICK:** Because he's great in bed, but I love the way it drives Roger crazy.

**ROGER:** I knew it. You don't even care about him.

**NICK:** Roger, shouldn't you be dressing a little bit more in your age range?

**ROGER:** Shouldn't you be dating within yours?

**NICK:** Hey, look, he's closer to me than he is to you.

- Gentlemen, please. You're fighting over a boy who doesn't even know the lyrics to even one Donna Summer song.

**FRED** So remember, this weekend, *End of the World Party* opens at the Bien Venue Theater. It's a funny play. Come out  
**WALTERS, JR.:** and see Dan and I. It sold out last year very quickly, so get your tickets now. This is Fred Walters, Jr, reporting for  
*TV Montrose*.

**SUZANNE** Now Dan, that really looks like fun. And no wonder you're on a diet, with that skimpy little wardrobe.  
**ANDERSON:**

**DAN DELEON:** Well, I really hope people come to see the show. The things we do for art-- that's all I can say.

**SUZANNE** Oh, I'm just sure they will. Well, it's time to go to our last sponsor break. And when we get back, we're going to  
**ANDERSON:** see Jason working the crowd as only Jason can, with his Community Mic segment.

**DERICK** I'm Derick Nelson from 107.5, *The Morning Buzz*, and you're watching *TV Montrose*.  
**NELSON:**

**MAN:** Make that sexy cool.

[MUSIC PLAYING]

**SUZANNE** Don't even think about buying or selling a home without hiring a professional. A home is the biggest financial

listener. And I listen to my clients and I customize my services to fit your needs. We listen, present creative

[MUSIC PLAYING]

**DAN DELEON:** Welcome back.

**SUZANNE** Well, let's join Jason for another Community Mic segment.

**ANDERSON:**

**DAN DELEON:** Good. Tonight's topic is about the bill in the state legislature to deny gays and lesbians the right to child adoption.

**SUZANNE** You know, in a country that's built on giving "equal rights" to all people, it's really sad to see our government

**ANDERSON:** actively seeking to deny equal rights to gays and lesbians on yet another fundamental right.

**DAN DELEON:** You know, if we know Jason, he'll start a riot, and then the legislature will write a bill to deny gay-oriented community mic segments.

**SUZANNE** That's probably true.

**ANDERSON:**

[MUSIC PLAYING]

**JASON:** Have any of you ever considered adopting a child before?

**MAN 1:** I actually have.

**JASON:** You have adopted a child?

**MAN 1:** I've adopted a child.

**JASON:** And how long ago was that?

**MAN 1:** Well, 12 years.

**JASON:** 12 years ago. The Texas legislature is trying to pass a law right now that's going to prohibit gays and lesbians from adopting children. What is your take on this?

**MAN 1:** My adoptive son, Richie-- when David legally adopted Richie, Richie was abandoned. There are kids, children out there, with no parents, mothers who leave their babies on doorsteps, kids that need-- babies with HIV, kids that need loving family, loving support. Whether it come from two women, a man and a woman, makes no difference to me as long as that child-- somebody is taking responsibility for that child.

**MAN 2:** You have healthy, straight couples who raise children and you have unhealthy straight couples, just like you would in the gay scene, have healthy gay men couples or women couples or unhealthy. So I don't really think that the sexual part, it matters. It's just who it is that's raising the child.

**MAN 1:** Somebody brought that child into the world, and that wasn't the child's fault. So as a community, we do need to look at that because if-- I mean, that's like, OK, then you've got-- you're going to end up with even more kids out there with no one.

**MAN 3:** As if a child had a gay parent, that it would somehow corrupt them or make them gay.

**JASON:** Persuade them one way or the other?

**MAN 3:** Right. And actually, that assumption is false because the studies that have been done about children who have been raised by gay parents showed that those children do not turn out to be gay any more frequently than other children who are raised by heterosexual people. The assumption is that sexuality is a learned behavior, and actually, it's not. If a child is gay, a child is gay. If they're straight, they're straight. And that's probably not going to be very much influenced by whatever sexuality their parents have.

**JASON:** Has he ever questioned homosexuality in your home?

**MAN 1:** No. I mean, he knows-- I mean, he knows all our friends. I mean, he had loving people surrounding him all the time. He went to school, he finished school, he recently got married. I mean, he turned out to be-- he's a kid, a kid who was raised around loving, caring people.

**MAN 3:** Important thing is that they're raised in an environment that's caring and loving and supportive of them, so that they can grow into whatever kind of adult they're going to grow into, in a healthy way.

**MAN 1:** You know, I mean, it's a normal relationship. But what most people are seeing outside of that, when you think gays and lesbians adopting children, they're thinking, you know, these perverse-- you know? And that's such a negative stigma that's been attached to it, and it needs to be broken. It needs to be stopped.

**MAN 2:** Some of the gay people have faults in that too because-- such as the parades and stuff that we have around here. I mean, some of the things that go on do not really give us a really good image.

**MAN 1:** I don't agree with that, though. I don't agree with that.

**MAN 4:** I think it's the need for exposure of gay and lesbian couples with adopted children or their own children. I think that needs to be more emphasized in the media. And it's because if you look at general society, if they don't see something, then they can't believe in it or they can't understand it. And I think the exposure will help understand that it is doable, it is workable, and there is no difference based on sexual orientation in how you raise a child.

**MAN 5:** If you understand the law, it's for state agencies only. Most gay couples adopt through private agencies. So whether they pass it or whatever will not affect most gay adoptions. That's one thing you have to keep in mind-- most gay-- all the gay people I know go through a private agency anyways, so it's really not going to affect gay adoptions because gay people do not use state agencies to adopt children.

**MAN 1:** If I were abandoned or if I were a child out there without any family or friends, if somebody took me and held me and told me they love me, I'd say, thank God somebody-- you know, I mean, I'd be thankful for that.

**JASON:** If you have topics, things you would like to hear, things, opinions, anything you like to voice in the gay and lesbian community, give us a call. We'd be more than happy to hear from you. For *TV Montrose*, I'm Jason Vincik.

**SUZANNE ANDERSON:** Well, we hope that you've enjoyed tonight's show and that you will take time to give us a call, fax us, or email us your thoughts about tonight's show and about *TV Montrose* in general.

**DAN DELEON:** You know, *TV Montrose* is a history-making, first-of-its-kind show in primetime, every week, for the gay and lesbian community.

**SUZANNE ANDERSON:** And each of you out there have a role in this show by letting us know what you think about our stories and suggesting some entertaining ideas for the future.

**DAN DELEON:** And also don't forget to let our sponsors know that you appreciate their advertising. After all, it keeps this program happening every week.

**SUZANNE** Well, tune in next week to see what we've got going on another exciting *TV Montrose* show.

**ANDERSON:**

**DAN DELEON:** The only weekly television show that shows our community as it really is.

**SUZANNE** For *TV Montrose*, I'm Suzanne Anderson.

**ANDERSON:**

**DAN DELEON:** And I'm Dan DeLeon. Good night.

**SUZANNE** If we could get the word out that you're going to see-- that you're going to see Dan in a thong between now and

**ANDERSON:** Monday.

**CREW:** He's not wearing a thong.

**SUZANNE** Yeah, but they don't have to know that till they tune in. Haven't you ever heard of bait and switch?

**ANDERSON:**

**DAN DELEON:** Welcome back.

**SUZANNE** Let's join-- let's join Nathan for a community Jake. OK.

**ANDERSON:**

**DAN DELEON:** If you know Jason, he'll start a riot and probably a slate-- slate-- let's just do it over.

**CREW:** Stand by. Three, two--

**DAN DELEON:** [COUGHS] Sorry.

**SUZANNE** You can't get out "welcome back"? Well, your color will be good when we start up again.

**ANDERSON:**

**DAN DELEON:** I choked. Literally.

**CAMERAMAN:** [SPEAKING RUSSIAN]

**MAN:** [SPEAKING RUSSIAN]

**ALL:** You are watching *TV Montrose*.

**CAMERAMAN:** [SPEAKING RUSSIAN]
